**NOTICE TO CONSTRUCTION MANAGERS**

The University of South Florida announces that continuing construction management services are required for the following discipline: Construction Manager (Up to 3) (Tampa and Lakeland Campuses).

Projects included in the scope of this agreement will be specific projects for new construction, renovations, alterations, and/or additions that have a basic construction budget estimated to be \$1,000,000 or less, or studies for which the fee for services is \$100,000 or less. Individual projects that exceed \$100,000 will require performance and payment bonds. Continuing Service contracts for these projects provide that the construction manager will be available on an as-needed basis for the upcoming fiscal year, July 1, 2003 to June 30, 2004. Award of contract is for an initial period of one (1) year with an Owner’s option to renew for one (1) additional year. The construction managers receiving the award will not have an exclusive contract to perform services for these projects. The university may have additional continuing service construction managers under contract during the same time period. Continuing Service projects shall include projects that are negotiated individually with a specific construction manager and may include projects that are awarded based upon competitive proposals from the Continuing Service construction managers under contract.

Firms desiring to provide construction management services shall submit a letter of application and a completed “USF Construction Manager Qualifications Supplement” dated April 2003. Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned.
