

A copy of the declaratory statement may be obtained by writing: Agency Clerk, Department of Business and Professional Regulation, Division of Florida Land Sales, Condominiums and Mobile Homes, 1940 North Monroe Street, Tallahassee, Florida 32399-2217.

The Board of Building Code Administrators and Inspectors hereby gives notice that it has received a Petition for Declaratory Statement filed on behalf of Deborah Rastin. The Petitioner seeks the Board's interpretation of the application of Sections 468.629(1)(a) and 468.607, Florida Statutes. Specifically, Petitioner seeks the Board's interpretation as to whether a violation of the above-referenced statute occurred when Officer Rastin issued code enforcement notices for violations issued pursuant to Palm Beach County's local, nontechnical, administrative amendments to the Uniform Building Code, for failure to obtain required building permits, failure to obtain required inspections and certificates of occupancy and failure to maintain the facility in a safe condition.

The Board will consider this petition at its meeting scheduled for June 5th and 6th, 2003, in Orlando, Florida. Copies of the petition may be obtained by writing: Anthony Spivey, Executive Director, Board of Building Code Administrators and Inspectors, Northwood Centre, 1940 North Monroe Street, Tallahassee, Florida 32399-0750.

**DEPARTMENT OF FINANCIAL SERVICES**

NOTICE IS HEREBY GIVEN that the Department of Financial Services, Division of State Fire Marshal, has received a Petition for Declaratory Statement filed April 29, 2003, by Michael Coutts. The Petition is seeking clarification regarding a sentence in Section 633.061, Florida Statutes, which states: "A licensee who receives appropriate training shall not be prohibited by a manufacturer from servicing any particular brand of fire extinguisher or preengineered system."

Specifically, Petitioner asks:

- A. Must fire equipment permittees and licensees have factory training for the systems they are installing or altering by the equipment manufacturer because that is what is required by the manufacturer and the UL listed manual?
- B. If the manufacturer cannot prohibit a licensee with the "appropriate training" from servicing their system, can they prohibit the installation and altering of such equipment?

A copy of the Petition for Declaratory Statement may be obtained by writing: Gabriel Mazzeo, Attorney, Division of State Fire Marshal, 200 East Gaines Street, Tallahassee, Florida 32399-0340, or by calling Kimberly Riordan, (850)413-3170, or by faxing the request to (850)922-1235, Attn: Gabriel Mazzeo.
