Rule 12-24.001 has been changed so that, when adopted, the
rule will read:

12-24.001 Scope of Rules.

Part I of this rule chapter sets forth the rules to be used by the
Department of Revenue in the administration of Sections
202.30 and 213.755, F.S., authorizing the Executive Director
to require taxpayers specified by statute or rule to pay taxes
and fees and to file tax returns by electronic means. Part I of
this rule chapter also sets forth the rules to be used by the
Department in administering Section 443.163, Florida Statutes,
authorizing the Executive Director to require preparers
specified by statute or rule to pay taxes and to file returns by
electronic means. If there is a conflict between these rules and
any other rules applicable to the payment of taxes and fees and
the filing of tax returns, information reports, and data by
electronic means, these rules shall govern.

Specific Authority 202.26(3)(a), 213.06 FS. Law Implemented 202.30,
213.7555, 443.1317, 443.163 FS. History-New 12-19-89, Amended 10-24-96,
4-30-02, \_\_\_\_\_.

The following subsections of Rule 12-24.002 have been changed so that, when adopted, these subsections will read:

(1) through (5) No change.

(6) "Submission" means the day on which a taxpayer or preparer communicates payment or tax return information to the Data Collection Center.

(7) "Submission" means:

(a) For the electronic submission of a payment and return together, or just a payment, the specified time interval in each submission day during which an electronic payment or electronically-filed tax return information received by the Data Collection Center is processed for transactions occurring on the next business day, or on a date specified by the taxpayer or preparer. Electronic payment and electronically-filed tax return information must be communicated to the Data Collection Center and completed no later than 5:00 p.m. Eastern Time, on the submission day to clear the ACH for deposit in the State Treasury on the next business day.

(b) No change.

(8) "Data Collection Center" means the Department, or a third party vendor, who, under contract with the Department, collects and processes electronic payments and electronically-filed tax return information from taxpayers or preparers.

(9) No change.

(10) "Due date" means the date on or before which an electronic payment must be received or an electronically-filed tax return must be submitted by a taxpayer or preparer under a revenue law of this state.

(11) through (17) No change.

(18) "Personal identification number (PIN or password)" means a confidential code assigned to each taxpayer or preparer which uniquely identifies the payor and allows the payor to communicate payment information and/or return information, information reports, or data to the Data Collection Center.

(19) "Preparer" means a person that prepared and reported the Employer's Quarterly Report (UCT-6) for 100 or more employers in any calendar quarter in the preceding state fiscal year. For the purposes of this definition, "prepared and reported" means the completion of the Employer's Quarterly Report (UCT-6) and the submission of the completed report directly to the Data Collection Center. A preparer is not required to pay taxes by electronic means, but if the preparer voluntarily chooses to submit payment by electronic means, the payment must be submitted in accordance with these rules.

(19) through (21) renumbered (20) through (22) No change.

(23) "Tax type" means a tax or fee which is subject to remittance of payments and the submission of tax returns, information reports, or data by electronic means, each of which shall be considered a separate category of payment. The tax

types for which taxpayers or preparers will be required to pay amounts due and/or submit tax returns, information reports, or data by electronic means are as follows:

(a) through (25) No change.

Subsection (5) of Rule 12-24.003 has been changed so that, when adopted, this subsection will read:

(1) through (4) No change.

(5) All taxpayers or preparers required to pay taxes or fees and/or file tax returns by electronic means shall participate for the entire calendar year for which they have enrolled. Persons required to participate on the basis of prior state fiscal year tax payments will be notified by the Department at their last address of record. Once notified of this requirement, the taxpayer or preparer must transmit by electronic means all payments and/or returns for that tax type as provided in this rule. Changes in a taxpayer's or preparer's tax liability or registration during an enrollment period shall not suspend or terminate the requirement to pay taxes or file returns by electronic means for the entire calendar year for which he or she is enrolled.

Specific Authority 202.26(3)(a), 212.06(1)(a), 213.06(1) FS. Law Implemented 202.30, 213.7555, 443.1317, 443.163 FS. History—New 12-19-89, Amended 1-8-91, 10-24-96, 4-30-02, \_\_\_\_\_.

The following subsections of Rule 12-24.004 have been changed so that, when adopted, these subsections will read:

(1) No change.

(2)(a) On or before November 1st (January 1 for taxpayers remitting only unemployment tax), the Department will notify every taxpayer or preparer required to pay a tax or fee and/or file a tax return by electronic means in the upcoming calendar year, and include with such notification all of the following:

1. An Enrollment and Authorization for e-Services Program (Form DR-600) or instructions on how to access and complete enrollment on the Department's Internet site, which instructions are hereby incorporated by reference; and

2. A Florida e-Services Programs Calendar of Due Dates (Form DR-659); and

3. An explanation of the options from which the taxpayer or preparer must choose to pay taxes or fees and/or file tax returns by electronic means.

(b) No change.

(3) Upon receipt of the enrollment package, the taxpayer or preparer must, on or before December 1 (February 1 for taxpayers remitting only unemployment tax):

(a) Access and complete enrollment on the Department's Internet site [www.myflorida.com/dor]; or,

(b) Obtain and complete form DR-600 and return it to the Department, if the taxpayer or preparer is unable to use the Department's Internet site to enroll.

(4) Enrollment requires the submission of information on form DR-600 that includes:

(a) The taxpayer's or preparer's business entity name;

(b)1. The taxpayer's or preparer's tax identification numbers assigned by the federal government and the Department, including tax account number if different from the tax identification numbers;

2. The preparer's agent i. d. number assigned by the Department, plus the information required by subparagraph (b)1. of this subsection for every employer for which the enrollee currently prepares and reports Form UCT-6.

(c) A contact person's name, mailing address, telephone number, fax number and e-mail address who is responsible for electronic payments and/or electronic filing of returns for the taxpayer's or preparer's business;

(e) The tax and/or fee type for which the taxpayer or preparer is enrolling;

(f) The filing and payment method the taxpayer or preparer requests;

(g) The taxpayer's banking information, including the taxpayer's bank name, the bank routing number(s), the taxpayer's bank account number(s), and information stating whether the account is a savings or checking account (this information is not required if the taxpayer is requesting the ACH-credit method); and,

(h) If this is a notification from a taxpayer of a change in bank information, the effective date of the change.

(5) By completing and submitting this enrollment request (form DR-600), the taxpayer or preparer is applying to file tax returns and reports and make tax and fee payments to the Department electronically. In addition, by completing and submitting this enrollment request, the taxpayer or preparer and the Department agree that:

(a) The same statute and rule sections that pertain to all paper documents filed by the taxpayer or preparer govern an electronic return, report, or payment initiated electronically pursuant to this enrollment (the completed and submitted DR-600).

(b) The taxpayer's or preparer's electronic transmission of such reports, returns, and payments must be made in a manner compatible with the Department's software, equipment, and facilities. Any failure to comply with this term shall result in the taxpayer or preparer being deemed to have failed to file a return or payment.

(c) No change.

(d)1. By typing his or her name on the signature line of an electronically-submitted form DR-600, the taxpayer or preparer is declaring, under penalties of perjury, that he or she is authorized to sign on behalf of the applicant entity, and that he or she has read form DR-600, and that the facts stated on the form are true.

2. The typed name of the taxpayer or preparer or its authorized agent(s) affixed to a completed and properly submitted form DR-600 shall be deemed to appear on electronically filed tax returns, as if actually so appearing.

(e) The taxpayer or preparer must notify the Department of any changes by completing and submitting a new DR-600, or accessing and completing a change request on the Department's Internet site, no later than 30 consecutive calendar days before the changes are intended to take effect, which provides the Department a reasonable opportunity to act on such changes.

(6) Upon receipt of enrollment information, the Data Collection Center shall assign a confidential personal identification number directly to the taxpayer or preparer to be used by the taxpayer or preparer when communicating electronic payment or return information to the Data Collection Center. This number shall be provided to the taxpayer prior to the date the first required payment is due under the e-services program for all accounts who timely file the form DR-600 with the Department.

(7)(a) The Department prescribes Form DR-600, Enrollment and Authorization for e-Services Program (r. 01/03), Form DR-654, Request for Waiver From Electronic Filing (r. 7/03), and Form DR-659, Florida EFT Program Electronic Tax Payment Calendar (r. 10/02) as the forms to be used for the purposes of this chapter and hereby incorporates these forms by reference. Law Implemented 202.30(1), 213.755, 443.1317, 443.163 FS.

Subsection (1) of Rule 12-24.009 has been changed so that, when adopted, this subsection will read:

(1) Taxpayers who are required to pay taxes or fees through electronic means must initiate the transfer so that the amount due is deposited as collected funds to the State Treasurer's account on or before the due date under the appropriate revenue law. If a tax due date falls on a Saturday, a Sunday, a legal holiday as defined in Section 683.01, F.S., or on a legal holiday of the jurisdiction in which the taxpayer's financial institution is located, the deposit by electronic means is required on or before the first banking day thereafter. For the purposes of these rules, "banking day" has the meaning prescribed in Section 674.104(1), F.S. If the date on which the taxpayer is required to initiate either an ACH debit or an ACH credit transfer falls on a Saturday, Sunday, or a business or banking holiday, the taxpayer must initiate the transaction on the preceding business day pursuant to subsection 12-24.008(3), F.A.C.

Subsections (1) and (4) of Rule 12-24.010 have been changed so that, when adopted, these subsections will read:

(1) Taxpayers or preparers who need general information concerning the e-Services programs can contact the Department toll-free at (800)352-3671 (Florida only) or (850)488-6800 or for unemployment tax toll free at (800)482-8293 (nationwide), or at the Department's Internet address at [www.myflorida.com/dor](http://www.myflorida.com/dor).

(4)(a) The Department is authorized to waive the requirement that a taxpayer or preparer submit tax returns by electronic means, if the taxpayer or preparer can establish that he or she is unable to comply with e-filing requirements pursuant to the provisions in the introductory paragraph to Section 213.755, Florida Statutes. To request a waiver the taxpayer or preparer must complete and submit form DR-654 (Request for Waiver From Electronic Filing), revised March, 2003, to establish in writing the basis upon which such waiver is requested. This form notifies the taxpayer that the Department will verify the information submitted on the form, and will respond in writing to the taxpayer after reviewing the form. Information requested from the taxpayer on form DR-654 includes:

1. Business partner or tax account number.
2. Federal employer identification number or social security number.

8. Any written explanation describing any additional reason for requesting a waiver.

(b) Grounds for approving a waiver include, but are not limited to:

2. The taxpayer or preparer does not have a modem; or,

3. The taxpayer or preparer does not have access to the Internet.

(c) A waiver shall be valid for up to two years and the issuance of a subsequent waiver shall be contingent on the taxpayer or preparer working with the Department during the current waiver period to address the issues that originally necessitated the issuance of the waiver. The requirement to work with the Department to address the issues that necessitated a waiver means the taxpayer or preparer will: discuss existing computer capabilities with the Department; consider any assistance, recommendations, or training the Department offers; and, implement any Department recommendation that enables the taxpayer or preparer to submit returns by electronic means, unless the taxpayer or preparer can establish that the circumstances or reasons as set forth in Section 213.755, Florida Statutes, continue to apply.
