NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., published in the Vol. 29, No. 18, May 2, 2003, issue of the Florida Administrative Weekly.

SUMMARY OF CHANGE: Changes have been made to the proposed rule that address the comments made by the Joint Administrative Procedures Committee. The changes include:

1. Clarification of the language used to describe the method by which Specific Project applications will be recommended for funding by the review panel.

Previously proposed language:

Specific Project award recommendations to the Council will be determined by the review panel and will consider the overall group of applications, the relative merits of each proposal, and the anticipated funds available for the program. The panel is not required to fund all Specific Project proposals that achieve the minimum average score of 75; those funded will receive funding of not less than \$2,500.

New language:

Based on their review, the panel makes funding recommendations for Specific Project grant awards to the Council. In determining which applications to fund, the panel will consider only applications that have achieved the required minimum average score of 75 and other criteria which include the overall group of eligible Specific Project applications, the relative merits of each proposal as demonstrated through scores based on the program review criteria, the anticipated funds available for the program, the perceived needs of the artistic or cultural discipline, the constituency served, and how well the proposed project fulfills the mission of the Cultural Support Grants program. In determining award amounts for those proposals recommended for funding, the panel may not recommend funding of less than \$2,500.
