NOTICE TO PROFESSIONAL CONSULTANTS

Florida State University, State of Florida, announces that professional services for minor projects are required in the discipline(s) of architecture.

Minor projects are specific projects for renovations, alterations, and additions that have a basic construction budget estimated to be \$1,000,000 or less, or studies for which the fee for professional services is \$100,000 or less. Campus Service contracts for minor projects provide that the consultant will be

available on an as-needed basis. The University intends to award contracts to up to five firms for an initial period of one year beginning on or about July 1, 2004 and ending June 30, 2005 with an option to renew for two additional one year periods.

INSTRUCTIONS:

Firms desiring to provide professional services shall apply by letter specifying the campus service agreement for which they are applying. Proximity of location will be a prime factor in the selection of the firm.

Attach to each letter of application:

1. A completed Florida State University "Professional Qualifications Supplement," August 8, 2003. Applications on any other form, on versions dated prior to 8/08/03 or exceeding the 40 page limit will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered in the State of Florida to practice the required profession at the time of application. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit five (5) copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions will not be considered. Application material will not be returned.

The plans and specifications for campus service projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualification Supplements, descriptive project information, and selection criteria may be obtained through our website, www.vpfa.fsu.edu/fpc, or by contacting:
