DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees, announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project No.: UF-237
 Project Name: Hub Renovation
 Project location: University of Florida, Gainesville, Florida

The project consists of completely remodel the portion of the Hub west of the stairs. The eastern portion of first floor building would remain as a food service facility and has recently been remodeled by Aramark. The remainder of the building will be shared by the University of Florida International Center and several departments within Academic Technology. The Technology Union, as part of Academic Technology is envisioned as a facility that allows student access to multiple information technologies in support of learning and extracurricular activities. Services at this facility would be comprehensive, including hardware, software, connectivity, collaboration, training, and support services. The facility would include private and public space for individual and workgroups in a comfortable and inviting environment. The facility would support and encourage interdisciplinary and cross-cultural collaboration. Facilities would include: Walkup Internet access stations, workgroup spaces supported with multimedia and videoconferencing, virtual reality stations, video and audio studios, videoconferencing suites and an art and technology gallery.

The selected firm will perform existing conditions surveys; will provide program verification, design, construction documents, and construction administration services; and will develop and manage multiple bid packages and adds in case of potential delays between construction phases due to the funding availability. An A/E firm with historic preservation experience is desired. The A/E shall coordinate its efforts and the construction documents with the Owner's hazardous materials abatement efforts in case of asbestos.

Blanket professional liability insurance will be required for this project in the amount of \$1,000,000.00, and will be provided as a part of Basic Services.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application. The letter of application should have attached:

1. A completed "Professional Qualifications Supplement," the latest project specific version available from the website: www.facilities.ufl.edu. Applications on any other form will not be considered.
2. A copy of the applicant's current, Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit nine copies of the above requested data bound in the order listed above. Applications, which do not comply with the above instructions, may be disqualified. Application materials will not be returned. The plans and specifications for the University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a
