60A-1.031 MyFloridaMarketPlace Transaction Fee.

(1) Each agency shall include language substantially similar to the following in the terms and conditions of all agency purchasing transactions involving commodities and contractual services as defined in Section 287.012, F.S. (including formal solicitations, contracts, and purchase orders), unless the transaction is exempt from the Transaction Fee pursuant to Rule 60A-1.032, F.A.C.:

MyFloridaMarketPlace Transaction Fee

The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system. Pursuant to Section 287.057(23), F.S., (2002), all payments shall be assessed a Transaction Fee of one percent (1.0%), which the vendor shall pay to the State. For payments within the State accounting system (FLAIR or its successor), the Transaction Fee shall, when possible, be automatically deducted from payments to the vendor. If automatic deduction is not possible, the vendor shall pay the Transaction Fee pursuant to subsection 60A-1.031(2), F.A.C. By submission of these reports and corresponding payments, vendor certifies their correctness. All such reports and payments shall be subject to audit by the State or its designee.

The vendor shall receive a credit for any Transaction Fee paid by the vendor for the purchase of any item(s) if such item(s) are returned to the vendor through no fault, act, or omission of the vendor. Notwithstanding the foregoing, a Transaction Fee is non-refundable when an item is rejected or returned, or declined, due to the vendor's failure to perform or comply with specifications or requirements of the agreement.

Failure to comply with these requirements shall constitute grounds for declaring the vendor in default and recovering repurchase costs from the vendor in addition to all outstanding fees.

VENDORS DELINQUENT IN PAYING TRANSACTION FEES SHALL BE EXCLUDED FROM CONDUCTING FUTURE BUSINESS WITH THE STATE.

(2) On a monthly calendar basis, each vendor registered in MyFloridaMarketPlace shall report its business activity relating to State agreements using Form PUR 3776 ~~(07/04)~~ (09/03), which is hereby incorporated by reference.

(a) The vendor shall report (i) the total amount of payments received against State agreements during the reporting period, (ii) the portion of that total that is exempt from the Transaction Fee pursuant to Rule 60A-1.032, F.A.C., (iii) the amount of Transaction Fees that have been automatically deducted by the system, and (iv) the amount of Transaction Fees that have been billed by the system but not automatically deducted.

(b) With its report, the vendor shall include payment of any Transaction Fee amounts due for the reporting period that have not been automatically deducted. Amounts due include both the amount billed during the reporting period and any amounts not billed but otherwise due (e.g., sales to non-State entities eligible to purchase from State contracts).

(c) A report is required only when fee-eligible payments have been received during the reporting period (no report is required if all payments are exempt from the Transaction Fee); provided, however, that if total Transaction Fees due are less than \$50, a vendor may carry over the balance to the next reporting period.

(d) All information provided by the vendor is material and will be relied upon by the Department in administering MyFloridaMarketPlace. Failure to file a report shall be deemed a representation by the vendor that it received no reportable payments for the period and that it owes no Transaction Fees. Any knowing and material misstatement shall be treated as fraudulent concealment from the State of the true facts relating to the conduct of the vendor's business with the State. A misrepresentation shall be punishable under law, and shall be grounds for precluding the vendor from doing future business with the State.
