

DEPARTMENT OF HEALTH

The Board of Optometry hereby gives notice that it has received a Petition for Declaratory Statement filed on June 9, 2004, by William K. Ramsay, O.D. Dr. Ramsey inquires about several issues relating to Section 456.062, Florida Statutes, including the interpretation of when a patient is deemed to have responded to an advertisement and the interpretation of the phrase "any other service, examination or treatment." As for the latter, he asks whether the statute is applicable to prescription spectacles or contact lenses (including plano) or lens fitting or case management. Furthermore, he asks if he can be required to reimburse a patient for spectacles or contact lenses purchased from another source if that purchase was "a result of" the free or discounted examination he advertised. Copies of the petition may be obtained by writing: Joe Baker, Jr., Executive Director, Board of Optometry, 4052 Bald Cypress Way, Bin #C07, Tallahassee, Florida 32399-3257.
