**NOTICE TO PROFESSIONAL CONSULTANTS**

Florida State University, State of Florida, announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project No.: FS-245  
Project and Location: Marine Science Research and Training Center  
Florida State University  
Tallahassee, Florida

The project consists of the construction of a multi-purpose outdoor aquatics facility at the site of the former Florida State University nursery located on Orange Avenue. The facility consists of separate swimming and diving tanks that will be utilized by academics, athletics, and recreation. The project also entails the construction of approximately 8,500 gross square feet of locker room, restroom, training and support spaces. The selected firm will provide design, construction documents and construction administration for the referenced project. The current construction budget is approximately \$6.1 million, including site and building construction. The design phase may require master planning of the site and building in order to allow for future use and expansion of facilities. Expanded services, including utility infrastructure and other site amenities, may be included in the project design and in initial construction phasing. At the University's discretion, the project may be expanded to include design of other future facilities to be constructed on the site. The project delivery system will be construction management. Multiple design packages and multiple Guaranteed Maximum Price (GMP) packages may be required to allow for project phasing. Blanket professional liability insurance will be required for this project in the amount of \$500,000.00, and will be provided as a part of Basic Services.

**INSTRUCTIONS:**

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed Florida State University "Professional Qualifications Supplement," dated August, 2003. Applications on any other form, or on versions dated prior to 8/03, will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of
