DEPARTMENT OF FINANCIAL SERVICES

Division of Consumer Services

RULE TITLE: RULE NO.:

Alternative Procedures for Resolution of Disputed Personal Lines Insurance Claims Arising From Hurricane and Tropical Storm Damage

69BER04-20

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: The Department of Financial Services hereby states that the following circumstances constitute an immediate danger to the public health, safety, or welfare: The 2004 hurricane season has been particularly destructive for Florida. Substantial damage in southwest and central Florida was caused by Hurricane Charley, which hit the Punta Gorda and Port Charlotte area on August 13, 2004 as a category 4 hurricane with sustained winds up to 145 miles per hour. Hurricane Charley crossed northeast through the center of the state exiting near Daytona Beach. In a 10-mile wide path extending from the southwest coast there was widespread major damage to homes, loss of personal belongings and corresponding temporary loss of employment.

Additional damage was caused by Hurricane Frances, which hit the east coast of Florida on September 4, 2004, as a category 2 hurricane, and slowly crossed the peninsula. Hurricane Frances, though less intense than Charley, caused damage over a much wider area of the state.
