The Board of Optometry hereby gives notice that it has received a Petition for Declaratory Statement filed on June 9, 2004 by William K. Ramsay, O.D. The Petitioner seeks the Board’s guidance concerning several issues relating to Section 456.062, Florida Statutes. This includes a request that the Board issue a Declaratory Statement providing guidance in terms of the Board’s interpretation of the phrase “any other service, examination or treatment.” Concerning “treatment,” he asks whether this statutory word includes Petitioner’s act of prescribing spectacles or contact lenses (including plano) or lens fitting or case management. Also included in the Petition is a request for the Board’s guidance as to whether Petitioner can be required to reimburse a patient for spectacles or contact lenses purchased from another source if that purchase was “a result of” the free or discounted examination he advertised.

Copies of the petition may be obtained by writing: Joe Baker, Jr., Executive Director, Board of Optometry, 4052 Bald Cypress Way, Bin #C07, Tallahassee, Florida 32399-3257.
