NOTICE TO CONSTRUCTION MANAGERS

The University of South Florida announces that continuing construction management services are required for the following discipline: Construction Manager (Up to 2) (Tampa Campus with the ability to include other campuses as required). Projects included in the scope of this agreement will be specific projects for new construction, renovations, alterations, and/or additions that have a basic construction budget estimated to be \$1,000,000 or less, or studies for which the fee for services is \$100,000 or less. Continuing Service contracts for these projects provide that the construction manager will be available on an as-needed basis for the upcoming fiscal year, July 1, 2005 to June 30, 2006. Award of contract is for an initial period of one (1) year with an Owner’s option to renew for one (1) additional year. The construction managers receiving the award will not have an exclusive contract to perform services for these projects. The University may have additional continuing service construction managers under contract during the same time period. Performance and Payment Bonds shall be provided for individual projects exceeding \$100,000 and liability and worker’s compensation insurance shall be required for the contract. Builder’s Risk insurance may be required for specific projects based upon need. Continuing Service projects include projects that are awarded based upon competitive proposals from Continuing Service construction managers under contract and may include projects that are negotiated individually with a specific construction manager. Services required to be provided under the Continuing Services Contracts include the recording of as-built conditions by the Continuing Service Construction Manager for projects constructed by that Construction Manager for use in developing record drawings to facilitate the University’s space management program.

Firms desiring to provide construction management services shall submit one original submittal and six bound copies consisting of a letter of interest, a completed “USF Construction Manager Qualifications Supplement” dated February 2005 and any required additional information within the proposal limits as described in the CMQS Instructions addressing the criteria contained therein in the order listed in a clear and concise manner. Proposals must not exceed 40 pages, including the Construction Manager Qualifications Supplement and letter of application. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a
