RULE NO.: 33-302.104  
 RULE TITLE: Correctional Probation Officers Carrying Firearms

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 31, No. 17, (April 29, 2005), issue of the Florida Administrative Weekly:

33-302.104 Correctional Probation Officers Carrying Firearms.

- (1) through (2) No change.
- (3) Authorization Procedures.

(a) In addition to the requirements of this rule, correctional probation officers who elect to carry firearms shall also be required to comply with training and qualification requirements in accordance with Chapter 943, F.S 33-209, F.A.C.

(b) Any correctional probation officer who elects to carry a firearm while on duty shall obtain authorization through the circuit administrator. Any circuit administrator or deputy regional director of community corrections who elects to carry a firearm while on duty shall obtain authorization from the regional director of community corrections. A regional director of community corrections who elects to carry a firearm while on duty shall obtain authorization from the Assistant Secretary of Community Corrections. A Deputy Assistant Secretary of Community Corrections who elects to carry a firearm while on duty shall obtain authorization from the Assistant Secretary of Community Corrections. The written request shall contain documentation that the individual has complied with the required training and qualification requirements of the Criminal Justice Standards and Training Commission and the Department provided in Chapter 33-209, F.A.C.

(c) Correctional probation officers who elect to carry firearms while on duty shall complete training and qualification requirements in accordance with Chapter 943, F.S. pursuant to Rule 33-209.103, F.A.C. Correctional probation officers shall not be allowed to carry a firearm on duty until firearms qualification is successfully completed and a weapon card has been issued. Initial qualification, annual qualification and training shall be completed using the specific weapon that the officer will be using on duty and any type of ammunition approved by the local training center. Documentation of the model, make, and serial number of the weapon used, proof of ownership, and firearm inspection by a certified gunsmith or law enforcement armorer shall be submitted along with the documentation of training and qualification in the request for authority to carry the firearm. Correctional probation officers shall not be authorized to carry more than one firearm at a time. This approved single weapon shall be the only weapon authorized to be carried by the correctional probation officer until the annual qualification or transition training has been completed with a different weapon.

(d) No change.

(e) Prior to approving a request to carry a firearm, the reviewing authority shall review the request, the documentation of training and qualification ~~pursuant to Chapter 33-209, F.A.C.~~, and shall complete a Florida Crime Information Center/National Crime Information Center (FCIC/NCIC) check on the firearm by serial number, and an FCIC/NCIC check on the applicant. Upon approval, the reviewing authority shall issue a weapon card which establishes that the officer has been authorized to carry a specific firearm while on duty.

(f) The weapon card shall expire twelve months after the date of the initial qualification unless written documentation of annual qualification is submitted to the authorizing entity prior to the expiration of the weapon card. The officer shall be required to successfully qualify within twelve months after the date of the initial qualification and every twelve months thereafter ~~pursuant to Chapter 33-209, F.A.C., and this rule~~ in order to remain qualified to carry a firearm.

(g) Annual qualification must occur prior to the employee’s weapon card expiration month. The new weapon card will be issued effective the date of the annual qualification. If the weapon card has expired and the officer has not attended annual training, the officer will need to reapply to carry a firearm and demonstrate proficiency by successfully qualifying with the specified firearm. If the employee is unable to attend annual qualification training due to circumstances beyond the employee’s control, the employee may, if approved by the reviewing authority, qualify by demonstrating proficiency with the weapon without being required to re-attend initial qualification training.

(h) The reviewing authority shall immediately suspend authorization to carry a firearm, except for firearm training purposes, and shall secure the weapon card from any officer

who has failed to qualify as of the card expiration month. Suspension of the weapon card removes the officer's authority to carry a firearm while on duty. A correctional probation officer who attempts to qualify and fails shall be provided the opportunity to participate in remedial firearm training as specified in Chapter 33-209, F.A.C. at a time approved by the reviewing authority.

- (i) No change.
- (4) through (8) No change.
- (9) Removal of Authorization to Carry a Firearm.
- (a) The reviewing authority shall suspend the authorization to carry a firearm for a correctional probation officer if:

  - 4. No change.
  - (10) through (11) No change.
