

Section 468.603(8), Florida Statutes, through a business managed by a Florida licensed architect, does constitute the practice of architecture, as defined in Section 481.203(6), Florida Statutes, and the business would be required to obtain a certificate of authorization under Section 481.219, Florida Statutes.

A copy of the Board’s Order may be obtained by contacting: Juanita Chastain, Executive Director, Board of Architecture and Interior Design, 1940 North Monroe Street, Tallahassee, Florida 32399-0783.

The Construction Industry Licensing Board hereby gives notice that it has issued a Final Order on the Petition for Declaratory Statement filed on December 20, 2005, by Mark Pietanza. The Board reviewed the Petition at its meeting held on February 10, 2006, in Tampa, Florida. The Board’s Final Order, filed in this cause on April 7, 2006, gives the following answer to the question presented in the Petition:

1. No, Chapter 489, F.S., does not require that a state-licensed sheet metal contractor subcontract the installation of a steel roof curb, when the sheet metal contractor installs a hood exhaust system.

A copy of the Petition and the Board’s Final Order may be obtained by contacting: Construction Industry Licensing Board, 1940 N. Monroe Street, Tallahassee, Florida 32399-1039.

DEPARTMENT OF EDUCATION

REQUEST FOR ‘BEST VALUE’ PROPOSAL

The University of Florida Board of Trustees, announces that utilities construction services will be required for the project listed below:

Work Order No. 863096, Center Drive Utilities Corridor (Chilled Water, Steam, and Electric)

The Project consists of the installation of 3,000 LF of 18" chilled water mains, 650 LF of steam and condensate mains, and 1,500 LF of electrical duct bank work in the Center Drive area of the University, along with site restoration and temporary measures as needed to allow safe, continuous access by vehicles, bicycles, and pedestrians. The work shall commence in June 2006 and be Substantially Completed by January 2007. The Contractor must coordinate the scheduling and execution of the Work with work being accomplished by others in certain adjacent areas and with daily operations of the multiple roads and facilities that will be impacted by the Work.

The method of delivery is Request for Proposal, wherein award is based on a Best Value evaluation of the offeror’s technical merit and proposed price. The following criteria shall be used to determine each proposal’s technical merit. Refer to the non-technical specifications for more information.

1. Past Performance and Experience.
 2. Method and Approach to Work.
 3. Schedule.
 4. Bonding Capacity, Licensure, Fiscal Stability, and History.
- Plans and specifications will be available at: UF Purchasing, Elmore Hall, Radio Road, Gainesville, FL, (352)392-1331. A mandatory pre-proposal conference will be held Tuesday, May 16, 2006, at 1:30 p.m., at the Physical Plant Division Training

Trailer – Building No. 270 (“Main Street”) on the UF campus. Both the technical scope and the Best Value method of award will be reviewed.

AMERICANS WITH DISABILITY ACT OF 1991 – If special accommodations are needed in order to attend the pre-proposal conference, contact the PPD Project Manager within three (3) days of the event.

At the time of application, applicant must be licensed to practice as a general contractor in the State of Florida and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. The applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months, and the selected contractor must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

All questions should be submitted in writing via e-mail or fax to: D. J. Bair, P.E., Project Manager, Physical Plant Division, A/E Department, bair@ufl.edu or (352)392-4958 (fax).

Five (5) sealed copies of the required proposal must be received at the UF Division of Purchasing office by 2:00 p.m., local time on Friday, May 26, 2006. The cost and technical portions of each proposal shall be bound and sealed in separate envelopes entitled “Cost Proposal” and “Technical Proposal.” Facsimile (FAX) submittals and late submittals are not acceptable and will not be considered.
