The Construction Industry Licensing Board hereby gives notice that it has issued a Final Order on the Petition for Declaratory Statement filed on October 14, 2005, by T. Gregory Lang. The Board reviewed the Petition at its meeting held on January 13, 2006, in Ocala Beach, Florida. The Board's Final Order, filed in this cause on April 12, 2006, gives the following answer to the question presented in the Petition:

1. Yes, the testing, adjusting and balancing of HVAC air and hydronic systems, which require partial disassembly of system components for obtaining data, including electrical and RPM measurements, drilling of holes in ducts and system components for temperature and air pressure measurements, temporary installation of pressure and differential gauges to piping systems, for obtaining pressure measurement, and subsequent patching of insulation disturbed during the above processes, is within the scope of Class A air-conditioning, Class B air-conditioning, and mechanical contracting licenses.

A copy of the Petition and the Board's Final Order may be obtained by contacting: Construction Industry Licensing Board, 1940 N. Monroe Street, Tallahassee, Florida 32399-1039.

The Construction Industry Licensing Board hereby gives notice that it has received a Petition for Declaratory Statement, which was filed by the Deputy Clerk on March 6, 2006, and submitted by Kevin D. Niles (Petitioner). Petitioner seeks the Board's interpretation of Section 489.103(5), Florida Statutes, with the following questions:

1. Are individuals or companies contracted to Public Utilities, performing the same primary job functions as the Public Utility employees, such as overhead line construction and maintenance procedures, excluded or exempt from the necessity for a license to perform certain types of work? If so, is the requirement waived during storm outages?

2. Would inspection and remedial treatment of wooden utility poles, with no construction work taking place, fall under the same regulatory guidelines?

The Board will consider the Petition at its meeting, to be held on June 16, 2006, in Orlando, Florida.

Copies of the Petition may be obtained by writing: G. W. Harrell, Executive Director, Construction Industry Licensing Board, 1940 N. Monroe Street, Tallahassee, Florida 32399-1039.

**NOTICE TO CONSTRUCTION MANAGERS**

Florida Atlantic University, on behalf of its Board of Trustees, announces that Construction Management services will be required for the project listed below:

Project No.: P-4749 located at Florida Atlantic University's Boca Raton Campus.

The project consists of roof replacement, structural upgrades, interior renovations, new canopies, and site/landscape improvements to Building GY-38, the FAU Arena on the Boca Raton Campus. The estimated construction cost is \$3,638,000.00.

The contract for Construction Management services will consist of two phases. Phase one is pre-construction services, for which the Construction Manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 100% Construction Document phase. If the GMP is accepted, Phase two, the construction phase, will be implemented. In phase two of the contract, the Construction Manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement, may result in the termination of the Construction Manager's contract. The construction may be broken into multiple phases at FAU's discretion for schedule, budget or other reasons.

Selection of finalists for interviews will be made on the basis of Construction Manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping, administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; qualification of the firm's personnel, and staff and consultants. Finalists will be provided with a copy of the latest
