**NOTICE TO CONSTRUCTION MANAGERS**

Florida Atlantic University, on behalf of its Board of Trustees, announces that Construction Management services will be required for the project listed below:

Project No.: P-4749 located at Florida Atlantic University's Boca Raton Campus.

The project consists of roof replacement, structural upgrades, interior renovations, new canopies, and site/landscape improvements to Building GY-38, the FAU Arena on the Boca Raton Campus. The estimated construction cost is \$3,638,000.00.

The contract for Construction Management services will consist of two phases. Phase one is pre-construction services, for which the Construction Manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 100% Construction Document phase. If the GMP is accepted, Phase two, the construction phase, will be implemented. In phase two of the contract, the Construction Manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement, may result in the termination of the Construction Manager's contract. The construction may be broken into multiple phases at FAU's discretion for schedule, budget or other reasons.

Selection of finalists for interviews will be made on the basis of Construction Manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping, administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; qualification of the firm's personnel, and staff and consultants. Finalists will be provided with a copy of the latest

documentation prepared by the project architect/engineer, a description of the final interview requirements and a copy of the standard Florida Atlantic University Construction Management Agreement. The Selection Committee may reject all proposals and stop the selection process at any time. The Construction Manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Firms desiring to provide Construction Management services for the project shall submit a letter of application and a completed "Florida Atlantic University Construction Manager Qualification Supplement" (FAUCMPQS Revised January 2004). Proposals must not exceed 40 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a Construction Management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected Construction Management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The FAUCMQS form and the Project Fact Sheet may be obtained on our website at: <http://uavp.fau.edu> or by contacting: Carla Capeletti, Office of the Associate Vice President and University Architect, Florida Atlantic University, 777 Glades Road, Campus Operations Bldg. #69, Room 101, Boca Raton, Florida 33431, (561)297-2663, Fax (561)297-0224.

Five (5) bound sets of the required proposal data shall be submitted and addressed to: Mr. Tom Donaudy, University Architect and Associate Vice President, at the above address by 3:00 p.m. on June 5, 2006. Facsimile (FAX) submittals are not acceptable and will not be considered.

## **FLORIDA NETWORK OF YOUTH AND FAMILY SERVICES**

### INVITATION TO NEGOTIATE RESIDENTIAL SERVICES DADE COUNTY

It is the intent of this Invitation To Negotiate (ITN) to obtain qualified respondents interested in participating in contract negotiation with the Florida Network of Youth and Family Services (FNYFS) for the provision of Residential Core Services located in Judicial Circuit 11 which includes the following counties; Dade. These services will include:

- initial screening
- referral
- assessment
- case management
- crisis intervention
- short term shelter services and support
- staff secure care overlay
- data collection and management

and other services to eligible youth and families as defined in the Children in Need of Services and Families in Need of services (CINS/FINS) Operations Manual and specified by Chapter 984, F.S. See [www.floridanetwork.org](http://www.floridanetwork.org) for more information and reference manuals. The FNYFS will accept only those proposals that are for the provision of the services stated herein.

#### Residential Services

The respondent agency shall deliver residential short term shelter services to provide families with crisis intervention and minimize out-of-home placements, based on the service needs of the youth and family as determined by screening. The PROVIDER shall serve an agreed upon minimum number of youth and families (subject to legislative appropriation) in Residential services from July 1, 2006 through June 30, 2007. Funding available for these services is \$284,671 subject to legislative appropriation and completion of funding allocation methodology.

#### High Risk Youth and Targeting

The respondent agency shall follow the efforts developed by the Department of Juvenile Justice in the Department's Delinquency Prevention Plan. This plan established a framework for delinquency efforts that is followed by the

FNYFS. See the Department's web site at [www.djj.state.fl.us/prevention](http://www.djj.state.fl.us/prevention) for more information. The plan has three main elements:

- Targeting, including targeting the youth most at-risk of becoming delinquent, targeting resources to communities with the most at-risk youth, and targeting funding toward research-based programs.
- Cooperation, including developing and implementing a coordinated statewide juvenile crime prevention strategy among multiple state agencies and encouraging community-based programs to work together toward a comprehensive approach to troubled youth and families.
- Accountability, including collecting data and data entry re: youth served by delinquency prevention programs and measuring how successful prevention programs are in keeping youth in school and crime-free.

The FNYFS is committed to targeting resources toward programs that will specifically address those life conditions that most influence and affect the direction at risk youth will take.

The contract period will be from July 1, 2006 to June 30, 2007. Proposals are due no later than 4:30 p.m. Thursday, June 1, 2006 and should be sent to: Florida Network of Youth and Family Services, 2850 Pablo Avenue, Tallahassee, Florida 32308. The full text of this notice can be found at [www.floridanetwork.org](http://www.floridanetwork.org) or may be obtained by contacting Pauline Patrick at the above address or calling (850)922-4324.
