NOTICE OF AMENDMENT – 2005 ACTION PLAN FOR CDBG DISASTER RECOVERY INITIATIVE FLORIDA SMALL CITIES CDBG PROGRAM

In March 2005, the Department of Community Affairs (Small Cities Community Development Block Grant Program) submitted an action plan to the U.S. Department of Housing and Urban Development (HUD) that described how the state proposed to allocate \$100,915,626 in disaster recovery funding. The funds were allocated by Congress to address disaster damages caused by the 2004 hurricanes. The funds targeted the areas hit hardest by the storms, and all awards to subgrantees have been made.

The Department is proposing to add language to the approved action plan that will allow it to reallocate unused funds and to use some technical assistance funding for planning related activities that are eligible under the CDBG program. The proposed amendment to the Action Plan is posted to the Department's website at: <http://www.floridacommunitydevelopment.org/disasterrecovery.cfm>.

The Department anticipates that the proposed amendment to the action plan will be submitted to HUD no later than June 1, 2006. Although this is not a major revision to the action plan, the Department will accept comments or questions about the amendment until May 25, 2006.

A copy of the amendment may be downloaded from the website or obtained by appearing in person at the agency headquarters or by email or calling:

DCA Order No. DCA06-OR-049 Amended

STATE OF FLORIDA
DEPARTMENT OF COMMUNITY AFFAIRS
In re: A LAND DEVELOPMENT REGULATION
ADOPTED
BY ISLAMORADA, VILLAGE OF ISLANDS
ORDINANCE NO. 05-13

AMENDED FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2005), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Islamorada, Village of Islands is a local government within the Florida Keys Area.

2. On January 20, 2006, the Department received for review Islamorada, Village of Islands Ordinance No. 05-13 which was adopted by the Village Council on July 28, 2005 ("Ord. 05-13"). The purpose of Ord. 05-13 is to amend Section 5.1.12 "Village Center (VC) Zoning District," and Section 5.1.13 "Highway Commercial (HC) Zoning District" of Division 5.1, "Zoning Districts" of Article V "Schedule of Districts, Use and Development Standards," of Chapter 9.5 "Land Development Regulations" of the Village Code of Ordinances. The amendments are designed to regulate zoning districts within the Village to preserve the character of established residential and non-residential areas.

3. With the exception of the four developments identified in Ord. 04-07, as extended by Ord. 05-12, as exempt from a moratorium on the conversion or change of use of existing transient dwelling units into non-transient dwelling units, Ord. 05-13 will prevent the conversion of hotel and motels to permanent uses within the subject zoning districts, and it will further clarify and affirm that hotels and motels are not residential uses. The Ordinance will aid in the prevention of a potential increase in hurricane evacuation times because tenants of hotels and motels must evacuate prior to permanent residents.

4. Ord. 05-13 is consistent with the Village Comprehensive Plan.

CONCLUSIONS OF LAW

5. The Department is required to approve or reject land development regulations or portions thereof that are enacted, amended or rescinded by any local government in the Florida Keys Area of Critical State Concern. §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2005).

6. Islamorada, Village of Islands is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Fla. Stat. (2005), and Rule 28-29.002 (superseding Chapter 27F-8), Fla. Admin. Code.

7. "Land development regulations" include local zoning, subdivision, building and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2005). The regulations adopted by Ord. 05-13 are land development regulations.

8. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in § 380.0552(7), Fla. Stat. (2005). See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff'd*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.

9. Ord. 05-13 promotes and furthers the following Principles:

(a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.

(d) To ensure the maximum well-being of the Florida Keys and its citizens through sound economic development.

(k) To provide adequate alternatives for the protection of public safety and welfare in the event of a natural or manmade disaster and for a post disaster reconstruction plan.

(l) To protect the public health, safety and welfare of the citizens of the Florida Keys and maintain the Florida Keys as a unique Florida resource.

10. Ord. 05-13 is not inconsistent with the remaining Principles. Ord. 05-13 is consistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that Ord. 05-13 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

DONE AND ORDERED in Tallahassee, Florida.
