### DEPARTMENT OF COMMUNITY AFFAIRS

DCA Final Order No.: DCA06-OR-202  
STATE OF FLORIDA

DEPARTMENT OF COMMUNITY AFFAIRS  
In re: CITY OF MARATHON LAND DEVELOPMENT  
REGULATIONS  
ADOPTED BY ORDINANCE NO. 2006-07

#### FINAL ORDER

The Department of Community Affairs (the “Department”) hereby issues its Final Order, pursuant to § 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2005), rejecting a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

#### FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and the City of Marathon is a local government within the Florida Keys Area.
2. On June 27, 2006, the Department received for review City of Marathon Ordinance No. 2006-07 (“Ord. 2006-07”).
3. The purpose of Ord. 2006-07 is render inapplicable the requirements of Section 9.5-4, (R-17), (d), (e), regulating hotel redevelopment in order to allow a hotel owner the ability to redevelop or renovate existing square footage of unused, or underused space within the hotel for expansion to a second or third bedroom.
4. Ord. 2006-07 is inconsistent with the City’s 2010 Comprehensive Plan, Objective 1-2.1, Policy 1-2.1.1; Objective 1-2.2, Policy 1-2.2.1; and Objective 1-3.2, Policy 1-3.2.6, of the City of Marathon Comprehensive Plan. These objectives and Policies relate to the required 24 hour hurricane evacuation time, level of service, and capping the number of transient units at current levels.

#### CONCLUSIONS OF LAW

5. The Department is required to approve or reject land development regulations that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. § 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2005).
6. The City of Marathon is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Fla. Stat. (2005) and Rule 28-29.002 (superseding Chapter 27F-8), Fla. Admin. Code.

7. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2005). The regulations adopted by Ord. 2006-07 are land development regulations.
8. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in § 380.0552(7), Fla. Stat. See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff'd*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
9. Ord. 2006-07 is inconsistent with the following Principles:
  - (a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.
  - (k) To provide adequate alternatives for the protection of public safety and welfare in the event of a natural or manmade disaster and for a post disaster reconstruction plan.
  - (l) To protect the public health, safety, and welfare of the citizens of the Florida Keys and maintain the Florida Keys as a unique Florida Resource.
10. Ord. 2006-07 is neutral in effect on the remaining Principles.
11. Ord. 2006-07 is inconsistent with the City's Comprehensive Plan.

WHEREFORE, IT IS ORDERED that Ord. 2006-07 is found to be inconsistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby REJECTED.

This Order becomes effective 21 days after publication in the F.A.W. unless a petition is filed as described below.

DONE AND ORDERED in Tallahassee, Florida.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Persons whose substantial interests will be affected by any such final decision of the Department have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available in this proceeding.

Any party to this order has the right to seek judicial review of it under Section 120.68, Florida Statutes, by filing a notice of appeal under rule 9.110 of the Florida Rules of Appellate Procedure with the clerk of the Department in the Office of General Counsel, Mail Station 35, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000, and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. #### NOTICE OF INTENT TO GRANT A VARIANCE

The Department of Environmental Protection gives notice of its intent to grant a variance (File No. 38-261781-002-EV) under Section 403.201, Florida Statutes, to: Mr. Davis Ayers, Project Manager, Florida Gas Transmission Co., 5444 Westheimer Road, Houston, Texas 77056, from the provisions of subsection 62-302.530(70), Florida Administrative Code, which specifies that turbidity shall not exceed 29 Nephelometric Turbidity Units (NTUs) above natural background. The variance will allow elevated turbidity levels not to exceed 3,000 NTUs above natural background levels for more than 3 consecutive hours after construction and no more than 1,000 NTU's above natural background levels for more than 12 consecutive hours after construction at the end of an expanded mixing zone in 8 (eight) Category II surface waters. The variance is associated with Environmental Resource Permit application No. 38261781-001-EI and Variance petition

No. 38-261781-003-EV for the construction of a natural gas pipeline in Levy County known as Loop K of the Phase VII Expansion Project. The project will cross Class III waters.

Under this intent to issue, this variance is hereby granted subject to the applicant's compliance with any requirement in this intent to publish notice of this intent in a newspaper of general circulation and to provide proof of such publication in accordance with Section 50.051, Florida Statutes. This action is final and effective on the date filed with the Clerk of the Department unless a sufficient petition for an administrative hearing is timely filed under Sections 120.569 and 120.57, Florida Statutes, as provided below. If a sufficient petition for an administrative hearing is timely filed, this intent to issue automatically becomes only proposed agency action on the application, subject to the result of the administrative review process. Therefore, on the filing of a timely and sufficient petition, this action will not be final and effective until further order of the Department. When proof of publication is provided, if required by this intent, and if a sufficient petition is not timely filed, the variance will be issued as a ministerial action. Because an administrative hearing may result in the reversal or substantial modification of this action, the applicant is advised not to commence construction or other activities until the deadlines noted below for filing a petition for an administrative hearing or request for an extension of time have expired and until the variance has been executed and delivered.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, Florida Statutes. The petition must contain the information set forth below and must be filed (received by the clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000.

Meditation under Section 120.573, Florida Statutes, is not available.

Under subsection 62-110.106(4), Florida Administrative Code, a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a

motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect.

If a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Intervention will be permitted only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, Florida Administrative Code.

In accordance with Sections 373.414(17) and 403.201, F.S., petitions for an administrative hearing by the applicant must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), Florida Statutes, must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first. Under Section 120.60(3), Florida Statutes, however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, Florida Statutes.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action; and (g) A statement of the relief sought by the

petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, Florida Administrative Code. Under Sections 120.569(2)(c) and (d), Florida Statutes, a petition for administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This intent to issue a variance constitutes an order of the Department. Subject to the provisions of Section 120.68(7)(a), Florida Statutes, which may require a remand for an administrative hearing, the applicant has the right to seek judicial review of the order under Section 120.68, Florida Statutes, by the filing of a notice of appeal under rule 9.110 of the Florida Rules of Appellate Procedure with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the order is filed with the Clerk of the Department.
