#### COMPETITIVE GRANT PROGRAM

The Division of Emergency Management gives notice of its intent to open the Fiscal Year 2007-2008 application cycle for competitive awards from the Emergency Management

Preparedness, and Assistance (EMPA) Trust Fund. The application cycle officially opens December 22, 2006 with an application submission deadline of February 22, 2007. Contingent on a Legislative appropriation, funds provided under the Fiscal Year 2007-2008 cycle will be available to award recipients no earlier than July 1, 2007.

Due to the uncertainty of the Fiscal Year 2007-2008 Legislative Appropriations, the amount of funds available for this program cannot be determined at this time. As soon as the appropriation is approved, notification of these funds will be posted on our website at [www.floridadisaster.org/cps/grants.htm](http://www.floridadisaster.org/cps/grants.htm)

The Department encourages all interested and eligible parties with projects that will enhance emergency management capabilities within the State of Florida to apply for funds during this open period.

As provided for in Rule Chapter 9G-19, F.A.C., two programs offering competitive awards encompassing four separate categories are available as follows:

#### PROGRAMS

- 1) **EMERGENCY MANAGEMENT COMPETITIVE GRANT PROGRAM – (General)**  
Provides competitive grants to state or regional agencies, local governments, and private non-profit organizations to implement projects that will further state and local emergency management objectives. Eligible applicants may submit multiple applications; however, no single application shall seek or receive an award in excess of \$200,000. All eligible applicants, with the exception of counties shall be limited to no more than three (3) application submissions in an application cycle.
- 2) **MUNICIPAL COMPETITIVE GRANT PROGRAM –** provides competitive grants to municipalities that are legally constituted, have an authorized, established, and maintained emergency management program; have a signed current Statewide Mutual Aid Agreement (SMAA) and have supplied all required information and documentation such that the SMAA is ready to be signed by the Division of Emergency Management by the date of the application deadline. Each Municipal Emergency Management Program may apply for one competitive grant under this program, not to exceed \$50,000 in requested grant funds.

#### APPLICATION CATEGORIES:

Applications are accepted in the following four categories under both programs:

- 1) Projects that will promote public education on disaster preparedness and recovery issues.
- 2) Projects that will enhance coordination of relief efforts of statewide private sector organizations, including public-private business partnership efforts.

- 3) Projects that will improve the training and operations capabilities of agencies assigned lead or support responsibilities in the Florida Comprehensive Emergency Management Plan.
- 4) Other projects that will further state and local emergency management objectives designated as priorities in the applicable Notice of Funding Availability. **NOTE: PRIORITY POINTS ARE AVAILABLE FOR APPLICATIONS SUBMITTED UNDER THIS CATEGORY ONLY.**

Priority Area:

Projects that will promote solutions for removing barriers to emergency preparedness. These may include, but are not limited to, projects which address community preparedness, such as Community Emergency Response Teams (CERTs) and county/local Emergency Operations Centers/Emergency Management Incident Management Teams (IMTs); public information and education building on the theme of "Get a Plan"; special needs populations to include the low income, the frail, elderly and the disabled and language barriers, the care and sheltering of people with their pets, and/or transportation issues.

Applications addressing the above priority must be submitted under Project Category #4, – "Other projects that will further state and local emergency management objectives which have been designated by the State of Florida as priorities in the applicable Notice of Funding Availability."

All critical facility projects, at a minimum, whether mitigation, retrofit, renovations or new construction, must conform to the hurricane vulnerability guidelines established in the American Red Cross' publication "Standards for Hurricane Evacuation Shelter Selection" (ARC 4496, January 2002). To assist in the determination of a facility's compliance with these guidelines, an ARC 4496 Evaluation Questionnaire will be made available. If these standards cannot be met until the project is complete, the evaluation will need to reflect what measures will be used to reach a compliance status. **THE EVALUATION QUESTIONNAIRE MUST BE COMPLETED AND SUBMITTED WITH THE APPLICATION.** Critical facilities include, but are not limited to, hurricane shelters, Emergency Operations Centers, structures for fire stations, rescue operations or law enforcement facilities, hospitals and public works facilities, etc. Other more stringent codes and standards may apply to new construction or substantial renovation/retrofit projects.

Applicants who are eligible under Rural Economic Development Initiatives (REDI)-Rural Area of Critical Economic Concern may be entitled for a waiver or reduction of financial match requirements. Applicants will need to provide the most current memorandum from the Executive Office of The Governor, Office of Tourism Trade and Economic

Development that confirms their eligibility when submitting their application. This waiver will be considered by the Review Committee when determining match score.

In conjunction with this offering, in lieu of workshops, a tutorial PowerPoint presentation will be on our website, [www.floridadisaster.org/cps/grants.htm](http://www.floridadisaster.org/cps/grants.htm). This tutorial will provide more detailed information about the State's priority issues, a review of the application format, a review of the Rule Chapter 9G-19, F.A.C., and other important information relevant to the programs.

STATE OF FLORIDA

DEPARTMENT OF COMMUNITY AFFAIRS

In re: CITY OF MARATHON LAND

DEVELOPMENT REGULATIONS

ADOPTED BY ORDINANCE NO. 2006-18

FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

- 1. The Florida Keys Area is a statutorily designated area of critical state concern, and the City of Marathon is a local government within the Florida Keys Area.
- 2. On October 13, 2006, the Department received for review City of Marathon Ordinance No. 2006-18 that was adopted by the City of Marathon Board of City Commissioners on August 8, 2006 ("Ord. 2006-18"). Ord. 2006-18 amends the Residential Rate of Growth Ordinance ("ROGO") regulations set forth in Section 9.5-125 of the city code relating to the 30 ROGO allocations rendered to the City. In separate action, the Department previously approved the City's Comprehensive Plan Amendment 06-1 amending Policy 1-3.5.1 to establish 30 annual ROGO allocations, with up to 24 allocated for market rate units and a minimum of 6 allocated for affordable housing for the City starting with years 2005-2006.
- 3. Ord. 2006-18 is consistent with the City's 2010 Comprehensive Plan.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are enacted, amended or rescinded by any local government in the Florida Keys Area of Critical State Concern. §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006).
5. The City of Marathon is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Fla. Stat. (2006) and Rule 28-29.002 (superseding Chapter 27F-8), Fla. Admin. Code.
6. "Land development regulations" include local zoning, subdivision, building and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2006). The regulations adopted by Ord. 2006-18 are land development regulations.
7. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in § 380.0552(7), Fla. Stat. See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff'd*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
8. Ord. 2006-18 promotes and furthers the following Principles:
  - (a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.
  - (j) Make available affordable housing for all sectors of the population of the Florida Keys.
9. Ord. 2006-18 is not inconsistent with the remaining Principles. Ord. 2006-18 is consistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that Ord. 2006-18 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

DEPARTMENT OF COMMUNITY AFFAIRS

In re: ISLAMORADA, VILLAGE OF ISLANDS,  
A LAND DEVELOPMENT REGULATION  
ADOPTED BY ORDINANCE NO. 06-20

IMMEDIATE FINAL ORDER

The Department of Community Affairs (the “Department”) hereby issues this Immediate Final Order, pursuant to §120.569(2)(n), §380.05(6), and §380.0552(9), Fla. Stat. (2006), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern and Islamorada, Village of Islands (“Village”) is a local government within the Florida Keys Area of Critical State Concern.
2. On November 17, 2006, the Department received for review Village Ordinance No. 06-20, adopted by the Village Council on November 6, 2006 (“Ord. 06-20”).
3. The purpose of Ord. 06-20 is to amend Ordinance Nos. 04-10, 05-19, and 06-04; extending the moratorium on the acceptance of development applications for the redevelopment of mobile home parks within the Village. Extending the moratorium will allow adequate time for Village Staff to continue the process of adopting new regulations that will provide guidelines for the redevelopment and development of mobile home parks. Ord. 06-20 is a temporary measure; Section 2 provides that Ord. 06-20 shall automatically dissolve on December 12, 2007 unless otherwise extended in accordance with applicable law, or upon the effective date of new comprehensive plan policies and land development regulations concerning affordable housing, the formulation of which shall be expeditiously pursued.
4. As a result of the work performed by the Village’s planning staff, the Village’s Workforce/Affordable Housing Citizens’ Advisory Committee, the Village’s Local Planning Agency and the Village Council in the creation of new regulations to address the redevelopment of Mobile Home Parks; the expiration of the Moratorium prior to the adoption of new regulations may affect the public health, safety and welfare of the Village by

impacting the existing inventory of workforce and affordable housing stock and its availability for those who live in the Village. Based upon the information contained in Ord. 06-20, the Department finds that there is an immediate danger to the public health, safety and welfare that requires the issuance of an Immediate Final Order.

5. Ord. 06-20 is consistent with the Village's 2010 Comprehensive Plan.

#### CONCLUSIONS OF LAW

6. The Department is required to approve or reject land development regulations that are enacted, amended or rescinded by any local government in the Florida Keys Area of Critical State Concern. §380.05(6), and §380.0552(9), Fla. Stat. (2006).
7. Islamorada, Village of Islands is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Fla. Stat. (2006) and Rule 28-29.002 (superseding Chapter 27F-8), Fla. Admin. Code.
8. "Land development regulations" include local zoning, subdivision, building and other regulations controlling the development of land. §380.031(8), Fla. Stat. (2006). The regulations adopted by Ord. 06-20 are land development regulations.
9. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in §380.0552(7), Fla. Stat. See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), aff'd, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
10. Ord. 06-20 promotes and furthers the following Principles:
  - (a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.
    - (l) To protect the public health, safety, and welfare of the citizens of the Florida Keys.
11. Ord. 06-20 is not inconsistent with the remaining Principles. Ord. 06-20 is consistent with the Principles for Guiding Development as a whole.
12. Since there is an immediate danger to the public health, safety and welfare, the approval of Ord. 06-20 shall be effective immediately. §120.569(2)(n), Fla. Stat. (2006).

WHEREFORE, IT IS ORDERED that:

A. Islamorada, Village of Islands Ordinance 06-20 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED; and

B. This Order and Village Ordinance 06-20 shall become effective immediately upon filing with the Agency Clerk.

DONE AND ORDERED in Tallahassee, Florida.

DCA Final Order No.: DCA06-OR-304

STATE OF FLORIDA

DEPARTMENT OF COMMUNITY AFFAIRS

In re: CITY OF MARATHON LAND  
DEVELOPMENT REGULATIONS  
ADOPTED BY ORDINANCE NO. 2006-26

FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and the City of Marathon is a local government within the Florida Keys Area.
2. On October 13, 2006, the Department received for review City of Marathon Ordinance No. 2006-26 that was adopted by the City of Marathon Board of City Commissioners on September 12, 2006 (“Ord. 2006-26”). Ord. 2006-26 creates a moratorium on the acceptance of residential Rate of Growth applications that seek development permits to develop properties containing high quality natural areas and adopting interim development regulations deferring ROGO allocations in high quality natural areas until land development regulations and comprehensive plan amendments are adopted by the City Council or one year, whichever comes first.
3. Ord. 2006-26 is consistent with the City’s 2010 Comprehensive Plan.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are enacted, amended or rescinded by any local government in the Florida Keys Area of Critical State Concern. §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006).
5. The City of Marathon is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Fla. Stat. (2006) and Rule 28-29.002 (superseding Chapter 27F-8), Fla. Admin. Code.
6. “Land development regulations” include local zoning, subdivision, building and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2006). The regulations adopted by Ord. 2006-18 are land development regulations.
7. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the “Principles”) as set forth in § 380.0552(7), Fla. Stat. See Rathkamp v. Department of Community Affairs, 21 F.A.L.R. 1902 (Dec. 4, 1998), aff’d, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
8. Ord. 2006-26 promotes and furthers the following Principles:
  - (a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.

- (b) Protect upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and their habitat.
9. Ord. 2006-26 is not inconsistent with the remaining Principles. Ord. 2006-26 is consistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that Ord. 2006-26 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

DONE AND ORDERED in Tallahassee, Florida.

NOTICE OF ORDER

NOTICE IS HEREBY GIVEN that the Office of Insurance Regulation has issued the following:

IN THE MATTER OF: CASE NO: 88231-06  
 CITIZENS PROPERTY  
 INSURANCE CORPORATION

**ORDER APPROVING CITIZENS' HIGH-RISK ACCOUNT  
 REFUNDING BONDS AND RELATED DOCUMENTS**

THIS MATTER came before the Office of Insurance Regulation for consideration and final agency action upon the request of Citizens Property Insurance Corporation ("Citizens"), pursuant to Section 627.351(6), Florida Statutes, as amended (the "Citizens Act"), and Sections 19(B) and 20 of Citizens' Plan of Operation (the "Plan of Operation"), for approval of the issuance by Citizens of its High-Risk Account

Senior Secured Refunding Bonds, Series 2007, in one or more series, in the aggregate principal amount of not exceeding \$1,200,000,000 (the "Series 2007 Bonds") and related documentation.

Citizens' request is based on the adoption by its Board of Governors ("the Board") of the Authorizing Resolution attached as Exhibit "A" and described herein, providing that the 1999A Notes (as defined in the Fifth Supplemental Indenture hereinafter referred to) are to be refunded and redeemed through the issuance of the Series 2007 Bonds in a manner that maximizes the tax-exempt component of the Series 2007 Bonds while minimizing the taxable component thereof, thereby maximizing the debt service savings to be achieved by the refunding and redemption of the 1999A Notes. Amendments to Section 627.351(6)(b)(2)(b), Florida Statutes, require Citizens' Board to exercise its best efforts to retire existing debt and to report to the Financial Services Commission, the President of the Senate, and the Speaker of the House of Representatives, the actions the Board has taken to minimize the cost of carrying debt.

The Series 2007 Bonds are to be issued pursuant to that certain Trust Indenture dated as of August 6, 1997 (the 1997 "Indenture"), as amended, and as further amended by that certain Fifth Supplemental Indenture (the "Fifth Supplemental Indenture" and, together with the 1997 Indenture as amended, the "Indenture"), by and between Citizens and the successor Indenture Trustee named therein. The Fifth Supplemental Indenture is to be in substantially the same form as the copy received and reviewed by the Office of Insurance Regulation prior to the entry of this Order. Citizens is also entering into or will utilize, as applicable, other related documents and agreements in connection with the issuance of the Series 2007 Bonds, including, without limitation, an interest rate lock agreement if deemed in the best interests of Citizens in order to hedge Citizens' exposure to an increase in the make-whole redemption premium for the 1999A Notes.

Citizens is a statutorily created corporation, established pursuant to the Citizens Act. Citizens, through its High-Risk Account, has become a significant provider of residential and commercial windstorm insurance in the State of Florida, thereby creating the imminent potential of a substantial shortage of funds to meet its policyholder claims and other obligations in the event of a catastrophic hurricane or other weather-related event. The Citizens Act authorizes Citizens to borrow funds for the High-Risk Account by issuing bonds or by incurring other indebtedness and to pledge assessments under the Act and other funds available to Citizens' High-Risk

Account as the source of security and repayment for such borrowings. In order to provide funds to, among other things, meet policyholder claims and other obligations of the High-Risk Account, Citizens has previously issued debt obligations under the 1997 Indenture, as supplemented and amended, including the 1999A Notes.

On December 7, 2006, Citizens' Board adopted a resolution (the "Authorizing Resolution") finding and determining that it is in Citizens' best interests to refund and redeem the 1999A Notes and authorizing the issuance of the Series 2007 Bonds, in one or more series, in the aggregate principal amount of not exceeding \$1,200,000,000 to refund and redeem the 1999A Notes. The Authorizing Resolution provides that the 1999A Notes are to be refunded and redeemed through the issuance of the Series 2007 Bonds in a manner that maximizes the tax-exempt component of the Series 2007 Bonds while minimizing the taxable component thereof, thereby maximizing the debt service savings to be achieved by the refunding and redemption of the 1999A Notes.

As required by Section 19(B) of the Plan of Operation, Citizens has filed with the Office of Insurance Regulation a statement of the purpose of the Series 2007 Bonds and an estimate of the costs to be incurred by Citizens in connection with the issuance of the Series 2007 Bonds.

The Office of Insurance Regulation, having considered this submission, and being otherwise advised in the premises, hereby finds that:

1. The Office of Insurance Regulation, by and through the Insurance Commissioner, has jurisdiction over the subject matter of, and the parties to, this proceeding pursuant to the Citizens Act.
2. The Series 2007 Bonds are being issued for the primary purpose of providing funds, together with other available moneys of the High-Risk Account, to refund and redeem the 1999A Notes, thereby achieving debt service savings for Citizens. The Indenture is hereby deemed to be a "trust indenture" within the meaning of, and is approved for purposes of, Section 19(B) of the Plan of Operation.
3. Pursuant to the Citizens Act, and Sections 19(B) and 20 of the Plan of Operation, Citizens has authority to enter into the Fifth Supplemental Indenture, to issue the Series 2007 Bonds under the Indenture and to make the same payable and secured as provided in the Indenture.

IT IS THEREFORE ORDERED:

That the Office of Insurance Regulation hereby APPROVES, the Fifth Supplemental Indenture, the issuance of the Series 2007 Bonds under the Indenture and the pledge by Citizens of the Pledged Revenues (as defined in the Indenture) and, in particular, the Emergency Assessments to be levied and collected in connection with the High-Risk Account's 2005 Plan Year Deficit (as defined in the Indenture), to secure the Series 2007 Bonds.

DONE and ORDERED this 13th day of December 2006.
