DCA Order No. DCA06-OR-121

STATE OF FLORIDA
 DEPARTMENT OF COMMUNITY AFFAIRS
 In re: A LAND DEVELOPMENT REGULATION
 ADOPTED BY ISLAMORADA, VILLAGE OF
 ISLANDS
 ORDINANCE NO. 06-04

FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2005), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Islamorada, Village of Islands is a local government within the Florida Keys Area.

2. On March 20, 2006, the Department received for review Islamorada, Village of Islands Ordinance No. 06-04 ("Ord. No. 06-04"). The Ordinance amends Ordinance numbers 04-10 and 05-19. The purpose of the Ordinance is to extend the moratorium on the acceptance of development applications for the redevelopment of mobile home parks within the Village of Islamorada from June 14, 2006 to December 13, 2006.

3. The final date for approval for this Ordinance is May 18, 2006.

4. The Ordinance will temporarily prevent the redevelopment of mobile home parks, except for redevelopment of parcels of land for which an agreement has been executed between the Department, the Village of Islamorada, and any property owner, pursuant to Section 380.032, F.S., which includes a material component for the preservation and/or expansion of affordable/workforce housing in the Village. The moratorium is designed to regulate mobile home park redevelopment until the Village of Islamorada adopts new regulations to address the redevelopment of mobile home parks.

5. Ord. 06-04 is consistent with the Village Comprehensive Plan.

CONCLUSIONS OF LAW

6. The Department is required to approve or reject land development regulations or portions thereof that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2005).

7. Islamorada, Village of Islands is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Fla. Stat. (2005), and Rule 28-29.002 (superseding Chapter 27F-8), Fla. Admin. Code.

8. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2005). The regulations adopted by Ord. 06-04 are land development regulations.

9. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in § 380.0552(7), Fla. Stat. (2005). See *Rathkamp v. Department of Community Affairs*, 21

F.A.L.R. 1902 (Dec. 4, 1998), aff'd, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.

10. Ord. 06-04 promotes and furthers the following Principles:

(a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.

(j) To make available affordable housing to all sectors of the population of the Florida Keys.

11. Ord. 06-04 is not inconsistent with the remaining Principles. Ord. 06-04 is consistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that Ord. 06-04 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

Citizens is a statutorily-created corporation, established pursuant to the Citizens Act. Citizens, through its High-Risk Account, has become a significant provider of residential and commercial windstorm insurance in the State of Florida, thereby creating the imminent potential of a substantial shortage of funds to meet its policyholder claims and other obligations in the event of a catastrophic hurricane or other weather-related event. The Citizens Act authorizes Citizens to borrow funds for the High-Risk Account by issuing bonds or by incurring other indebtedness and to pledge assessments under the Act and other funds available to Citizens' High-Risk Account as the source of security and repayment for such borrowings. In order to provide funds to, among other things, meet policyholder claims and other obligations of the

High-Risk Account, it is in the best interest of Citizens for it to issue the Series 2006A Bonds. The Citizens Act and the Plan of Operation authorize Citizens to issue bonds in the absence of a hurricane or other weather-related event and the Plan of Operation contains a determination by the Board that such advance financings constitute financing mechanisms under the Act that will allow Citizens to efficiently meet the financial obligations of the High-Risk Account and that such financings are reasonably necessary to effectuate the requirements of the Act.

Prior to issuance of the Series 2006A Bonds and the execution and delivery of the Fourth Supplemental Indenture and the related documentation, Citizens' Board of Governors (the "Board") will adopt a resolution (the "Authorizing Resolution") authorizing and approving the issuance of the Series 2006A Bonds, the Fourth Supplemental Indenture and such related documentation. The approvals granted in this Order are subject to the Board's adoption of the Authorizing Resolution.

As required by Section 19(B) of the Plan of Operation, Citizens has filed with the Office of Insurance Regulation a statement of the purpose of the Series 2006A Bonds and an estimate of the costs to be incurred by Citizens in connection with the issuance of the Series 2006A Bonds.

The Office of Insurance Regulation, having considered this submission, and being otherwise advised in the premises, hereby finds that:

1. The Office of Insurance Regulation, by and through the Insurance Commissioner, has jurisdiction over the subject matter of, and the parties to, this proceeding pursuant to the Citizens Act.

2. The Series 2006A Bonds are being issued for the purpose of providing additional resources to assist Citizens in covering policyholders' claims and expenses attributable to a deficit in the High-Risk Account and are hereby determined to be for a valid purpose under the Citizens Act. The Indenture is hereby deemed to be a "trust indenture" within the meaning of, and is approved for purposes of, Section 19(B) of the Plan of Operation.

3. Pursuant to the Citizens Act, and Sections 19(B) and 20 of the Plan of Operation, Citizens has authority to enter into the Fourth Supplemental Indenture, to issue the Series 2006A Bonds under the Indenture and to make the same payable and secured as provided in the Indenture.

IT IS THEREFORE ORDERED:
