DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS

The University of Florida Board of Trustees announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project: UF-275, Pathogen Research Facility, Gainesville Florida

The project consists of a new 108,000 SF multi-disciplinary research. The goal of the multi-disciplinary research environment is to create an adaptive and enduring collaborative network of disciplines that will focus on scientific, social, educational, informatics, diagnostics, and surveillance issues related to vigilance and control of newly emerging pathogens. The proposed facility will integrate in a shared research environment, disciplines that have not traditionally collaborated to attack problems of emerging pathogens. The research initiatives will focus not only on human diseases, but plant and animal pathogens that could directly or indirectly impact human health. The building will consist of research labs, offices and support services. Program components will also include environmental and human toxicology, and plant science research.

The estimated construction budget is approximately \$40,000,000.00. The project will be delivered using the Construction Management method. Silver LEED (Leadership in Energy and Environmental Design) accreditation by the U.S. Green Building Council is mandatory.

The selected firm will provide design, construction documents and construction administration services for the referenced project. Blanket professional liability insurance will be required for this project in the amount of \$2,000,000.00 and will be provided as a part of Basic Services. Plans and

specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Minimum professional liability insurance

\$15,000, 000.00 and less \$1,000,000.00

>\$15,000,000.00 Limits set individually
and special risk projects

Applicants will be evaluated on the basis of their past performance, experience, personnel, design ability, references, location, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be limited to 40 single-sided, consecutively-numbered pages and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific "Professional Qualifications Supplement" (PQS) proposal. Applications on any other form will not be considered.
4. Resumes and copies of the applicant's current Professional Registration Certificate(s) from the appropriate governing board, corporate charter(s) if applicable, LEED certification, and other pertinent credentials.

At the time of application, the applicant must hold a current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

The project-specific PQS form, instructions, Project Fact Sheet, Facilities Program, UF Design Services Guide, UF Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information can be found on the Facilities Planning and Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

NOTICE TO PROFESSIONAL CONSULTANTS:

FLORIDA ATLANTIC UNIVERSITY, on behalf of its Board of Trustees, announces that professional services are required in the following discipline(s):

CODE REVIEW AND INSPECTION SERVICES.

Project(s): All Construction Projects

Project(s) Location: All Florida Atlantic University campuses.

Firms applying must have State of Florida licensed and/or State of Florida certified personnel on staff to perform plans reviews and construction inspections for building, structural, mechanical, electrical and plumbing.

These services will be based on a negotiated fee schedule with each occurrence of service being authorized with a purchase order. Campus Service contracts provide that the consultant will be available on an as-needed basis. The term of agreement is for one year with the option to extend the agreement for one additional year. Two firms will be selected for these services.

Firms desiring to provide professional services shall apply by letter specifying the discipline for which they are applying. Preference will be given to firms that are primarily in business of code compliance plans review and inspections. Preference will be given to firms whose personnel consist primarily of licensed and/or certified plans reviewers and inspectors. Proximity of location will be a prime factor in the selection of the firm. Design ability will not be considered for this selection.

Attach to each letter of application:

1. The most recent version of the FAU "Professional Qualifications Supplement" completed by the applicant. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificates from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit four (4) copies of the above requested data bound in the order listed above. Applications that do not comply with the above instructions will not be considered. Application materials will not be returned.

As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract

with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The FAU Professional Qualification Supplement forms, project fact sheet information, and selection criteria may be obtained by contacting: Keyla Thamsten, Facilities Planning Department, Florida Atlantic University, 777 Glades Road, COB 69 – Room 107, Boca Raton, Florida 33431, (561)297-3039. Submittals must be received in the Facilities Planning Department, Florida Atlantic University, Attention: Keyla Thamsten, 777 Glades Road, Building CO-69, Room 107, Boca Raton, Florida 33431, by 5:00 p.m., local time, on July 24, 2006. Facsimile (FAX) submittals are NOT acceptable and will NOT be considered.

NOTICE TO PROFESSIONAL CONSULTANTS

Florida Atlantic University, on behalf of its Board of Trustees, announces that professional services are required in the following discipline(s):

GEOTECHNICAL ENGINEERING.

Project(s): Campus Service for Minor Projects

Project(s) Location: Florida Atlantic University, All campuses.

Projects included in the scope of this agreement will be specific projects for which the fee for professional services is \$100,000 or less. Campus Service contracts for minor projects provide that the consultant will be available on an as-needed basis for the upcoming year. The term of agreement is for one year with the option to extend the agreement for one additional year. One firm will be selected for these services. The consultants receiving the award will not have an exclusive contract to perform services for these projects. The University may have additional campus service professionals under contract during the same time period.

Firms desiring to provide professional services shall apply by letter specifying the discipline for which they are applying. Proximity of location will be a prime factor in the selection of the firm. Design ability will not be considered as a selection category.

Attach to each letter of application:

1. The most recent version of the FAU "Professional Qualifications Supplement" completed by the applicant. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit four (4) copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions will not be considered. Application material will not be returned.

The plans and specifications for A/E projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

NOTICE TO CONSTRUCTION MANAGERS

Florida International University, on behalf of the State of Florida, Board of Regents, announces that construction management services will be required for the project listed below:

Project and Location: Continuing Services Contracts for all sites of Florida International University, Miami, Florida

Project Description: The construction Manager will be the single point of responsibility for performance of the project construction contracts, functioning as an independent contractor, publicly bidding trade contracts.

Continuing Services Contracts are specific projects for renovations, alterations, and additions that have a basic construction budget estimated to be \$1,000,000 or less. Accordingly, the selected firm(s) minimum bonding capacity should be \$1,000,000. This will be a multiple award contract for an initial period of one year with an Owner's option to renew an additional year. Two contracts will be awarded. Campus Service Contracts provide that the consultant will be available on an as-needed basis for the Fiscal Year, July 1 – June 30.

Selection of finalists for interviews will be made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping/administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; qualification of the firm's personnel, and staff and consultants. Finalists will be provided with a list of the final interview evaluation criteria, and a copy of the standard SUS construction management agreement for continuing services projects. The final ranking shall be determined based on oral presentations and references. The Selection Committee may reject all proposals and stop the selection process at any time.

INSTRUCTIONS:

Firms desiring to provide construction management services for this project shall submit a letter of application and a completed State of Florida, Board of Regents "Construction Manager Qualifications Supplement," (CMQS). Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Construction Manager Qualifications Supplement forms and the Project Fact Sheet may be obtained by contacting: Facilities Management, Florida International University, Campus Support Complex, Room 236, University Park, Miami, Florida 33199, telephone (305)348-4090, or by Faxing a request to (305)348-4091, or login to <http://facilities.fiu.edu/fpc.htm> (Find project under Facilities Construction Project Information). Requests for meetings by individual firms will not be granted. Eight (8) bound copies of the required proposal data shall be submitted to: Robert Griffith, Director of Facilities, Florida International University, Campus Support Complex, Room 236, University Park, Miami, Florida 33199.

Submittals must be received by 2:00 p.m., local time, on July 21, 2006. Late submittals shall be disqualified. Facsimile (FAX) submittals are not acceptable and will not be considered.

DEPARTMENT OF COMMUNITY AFFAIRS

PUBLIC HEARING ANNOUNCEMENT

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM and WEATHERIZATION LOW INCOME HOME ENERGY ASSISTANCE PROGRAM WAIVER FOR LIHEAP FUNDING INCREASE

The Department of Community Affairs is seeking written public comments on a proposal to submit a Standard Waiver Request to the U.S. Department of Housing and Human Services (HHS).

COMMENT PERIOD ENDS: July 6, 2006

COMMENTS SUBMITTED TO: Norm Gempel, Manager, Department of Community Affairs, Sadowski Building, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100, (850)488-7541, or FAX (850)488-2488.

PURPOSE: Public comments on preparing a Standard Waiver Request to HHS for increasing the percentage of Low-Income Home Energy Assistance Program (LIHEAP) funding for allocating to the Weatherization Assistance Program/LIHEAP (WAP/LIHEAP). Historically fifteen percent of LIHEAP funding has been provided to the WAP/LIHEAP for performing weatherization activities on low-income client homes in accordance with U.S. Department of Energy (DOE) guidelines and regulations. However, for FY 2006-2007 the LIHEAP has received an additional funding allocation. Thus the reason for this request of an increase from fifteen percent (15%) to twenty percent (20%). This increase will apply only to the additional \$23,001,621 awarded to the state in March 2006. With a higher percentage of the additional funding being allocated to the WAP/LIHEAP, more low-income clients (LIHEAP referral and non-referral) will benefit from receiving weatherization services encompassing all of the DOE approved measures. This will assure that maximum energy savings are realized by the households served. This increase will not decrease the average number of clients that would receive LIHEAP services during the regular agreement period.

ACTIONS TO BE TAKEN: The Department of Community Affairs will review all comments received and make a decision in regard to whether to submit the Standard Waiver Request to HHS.

ADDITIONAL INFORMATION: Requests for additional information or questions may be addressed to Norm Gempel, Manager, Florida Department of Community Affairs, Sadowski Building, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100, (850)488-7541, or Fax (850)488-2488. Anyone who wishes to be notified of the Department's decision may contact Mr. Norm Gempel, at the above address or telephone number, or by email at norm.gempel@dca.state.fl.us.
