The Corporation shall monitor the activities of the local governments to determine compliance with program requirements. To ensure that communities are capable of addressing rental housing needs for hurricane recovery, eligible counties and eligible municipalities are required to perform only an initial certification of income upon move-in of the first household into a rental unit, as long as no more than \$10,000 has been provided for assistance to the unit, and the housing unit is located in a census block group in which more than 51 percent of the households have incomes at or below 80 percent of the area median income. No continuing compliance monitoring shall be required on these units.

Such records must be maintained within the participating county or eligible municipality at a place accessible to the Corporation staff or its designated monitoring agent.

(5) If the Corporation staff or its designated monitoring agent determines that an eligible jurisdiction has established a pattern of violation by not complying with the criteria of its Hurricane Housing Assistance Plan established under these rules or Sections 420.907-.9079, F.S., or that an eligible sponsor has established a pattern of violation by not complying with the applicable award conditions, the Corporation shall report such pattern of violation to the Executive Office of the Governor at which time the distribution of program funds to the county or eligible municipality will be suspended. The eligible jurisdiction shall develop a corrective action plan (CAP). The CAP shall be submitted to the Corporation within 60 days of the date of a letter from the Corporation, pursuant to Section 420.9075(12), F.S. notifying the eligible jurisdiction of the pattern of violation. The CAP must describe the proposed corrective action for each violation and how the correction actions will be implemented within 3 months of the CAP's approval by the Corporation. Upon receipt of the CAP, the Corporation shall have 30 days to review and approve or recommend changes to the CAP. Upon approval of the CAP and correction of the violation, program funds will be distributed.

(6) If the Corporation's staff or its designated monitoring agent determines that the corrective actions have not been implemented, the Corporation shall report such pattern of violation of criteria or violation of award conditions to the

Executive Office of the Governor. The distribution of program funds to the eligible county or eligible municipality will be suspended until such time as the corrective plan of action has been implemented, at which time funds will be distributed.
