PROJECT FACT SHEET
 Parking and Roadway Project
 BT-636

PROJECT DESCRIPTION

The project is located on the MacArthur Campus of Florida Atlantic University in Jupiter, Florida. The Parking and Roadway project consists of the design of a new two-lane median divided roadway and surface parking lots. The parking areas and roadways will include lighting and drainage design, the master planning of future surface parking areas, and the enhancement of campus infrastructure within surrounding area, in accordance with the approved campus master plan.

This project will be a conventional design and bid delivery method of construction.

The Construction budget is approximately \$1.5 million.

SELECTION CRITERIA

Firms will be evaluated in the following areas: current workload, location, past performance, volume of state work, design ability, and experience and ability. Experience and ability scores will be based on the following criteria:

1. Experience of firm and individual members of the design team with project of similar size and program.
2. Experience of firm and individual members of the design team in planning, designing, estimating, and construction administration of projects similar in size and budget. Site examples of projects within the past five-years.
3. Experience in campus planning, educational facilities and working with committees.

SELECTION COMMITTEE

Tom Donaudy, University Architect and Associate Vice President, Boca Campus

NOTICE TO PROFESSIONAL CONSULTANTS

PS #07-09

The University of North Florida Board of Trustees, a public body corporate, announces that continuing professional services for certain projects are required in the following discipline(s): Mechanical, Electrical, Civil Engineer.

Projects included in the scope of this agreement will be specific projects for renovations, alterations, and additions that have a basic construction budget estimated to be \$1,000,000 or less, or studies for which the fee for professional services is \$50,000 or less. The University plans on awarding two Campus Service contracts per discipline for these projects and the consultants will be available on an as-needed basis for the period January 1, 2007 through June 30, 2008. The contract may be renewable for one additional year. The consultants receiving the award will not have an exclusive contract to perform services for these projects. The university may have additional campus service professionals under contract during the same time period.

Firms wishing to provide professional services can apply by letter specifying the discipline for which they are applying. Proximity of location will be a prime factor in the selection of the firm.

Attach to each letter of application:

1. The most recent version of the Board of Governors "Professional Qualifications Supplement" (1999) completed by the applicant. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit 6 copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned.

The plans and specifications for projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplies, subcontractor, or consultant in excess of

\$15,000 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.

Professional Qualifications Supplement forms, descriptive project information, and selection criteria may be obtained by contacting:

REGIONAL TRANSPORTATION AUTHORITY

REQUEST FOR PROPOSAL NO. 06-101

TRANSITION, DISPATCHING, TRAIN CONTROL AND YARD SERVICES

The South Florida Regional Transportation Authority (SFRTA), an agency of the State of Florida, operates Tri-Rail, a seventy-two (72) mile commuter railroad with eighteen (18) stations in Miami-Dade, Broward, and Palm Beach Counties.

THE PURPOSE of this Request for Proposal (RFP) is to enter into an Agreement with a qualified Contractor to provide transition, dispatching, train control, and yard services, including dispatching SFRTA trains along with CSXT, Amtrak, and other trains along the South Florida Rail Corridor. The initial dispatching Train Traffic Control services that the selected Contractor will perform may be restricted to passenger trains on the trackage on and in the vicinity of the New River Bridge Carve Out. Additionally, Contractor may be required to provide dispatching services for freight and passenger trains on future State of Florida owned or operated rail corridors and/or corridors owned or operated on by other public transit agencies within the State of Florida. The term of the Agreement will be five (5) years with five (5) one (1) year option periods.

A REQUEST FOR DOCUMENTS should be directed to Mr. Robert Becker at SFRTA, 800 N. W. 33 Street, Suite 100, Pompano Beach, Florida 33064, (954)788-7909. The cost of the solicitation document is Fifty Dollars (\$50.00) non-refundable. Checks or money orders made payable to SFRTA should be forwarded to Mr. Becker at the address above. Solicitation documents will be available on or about October 23, 2006.

A PRE-PROPOSAL CONFERENCE will be held in the SFRTA Board Room at the address above on November 1, 2006, at 10:00 a.m. The purpose of the meeting will be for SFRTA to respond to questions from document holders and clarify requirements in an open forum. Attendance is not mandatory but is recommended.

RECEIPT OF SEALED PROPOSALS: All proposals must be received as per the RFP instructions no later than 5:00 p.m. (Eastern Time), on December 8, 2006 at the SFRTA office in Pompano Beach.

SFRTA reserves the right to postpone, accept, or reject any and all proposals in whole or in part. All Proposers must certify that they are not on the State of Florida Comptroller General's

List of Ineligible Bidders. All proposals shall remain in effect for One Hundred Eighty (180) days from the RFP submission due date.

REQUEST FOR PROPOSAL NO. 06-848

MAINTENANCE OF WAY SERVICES

The South Florida Regional Transportation Authority (SFRTA), an agency of the State of Florida, operates Tri-Rail, a seventy-two (72) mile commuter railroad with eighteen (18) stations in Miami-Dade, Broward, and Palm Beach Counties.

THE PURPOSE of this Request for Proposal (RFP) is to enter into an Agreement with a qualified Contractor to provide all qualified personnel and equipment necessary to perform quality maintenance of all signal, track, and communication apparatus throughout the South Florida Rail Corridor. The initial maintenance of way services that the selected Contractor will perform may be restricted to the New River Bridge and nearest control points to the North and South of the Bridge (approx. three miles). The selected Contractor must have the ability to test, repair and/or replace any equipment with minimal impact to passenger train service. All work performed must be to the highest standards as set forth by the FRA, AREMA, AAR, and SFRTA. The term of the Agreement will be five (5) years with one (1) five (5) year option period.

A REQUEST FOR DOCUMENTS should be directed to Mr. Robert Becker at SFRTA, 800 N. W. 33 Street, Suite 100, Pompano Beach, Florida 33064, (954)788-7909. The cost of the solicitation document is Fifty Dollars (\$50.00) non-refundable. Checks or money orders made payable to

SFRTA should be forwarded to Mr. Becker at the address above. Solicitation documents will be available on or about October 30, 2006.

A PRE-PROPOSAL CONFERENCE will be held in the SFRTA Board Room at the address above on November 14, 2006, at 10:00 a.m. The purpose of the meeting will be for SFRTA to respond to questions from document holders and clarify requirements in an open forum. Attendance is not mandatory but is recommended.

RECEIPT OF SEALED PROPOSALS: All proposals must be received as per the RFP instructions no later than 5:00 p.m (Eastern Time), on December 15, 2006 at the SFRTA office in Pompano Beach.

SFRTA reserves the right to postpone, accept, or reject any and all proposals in whole or in part. All Proposers must certify that they are not on the State of Florida Comptroller General's List of Ineligible Bidders. All proposals shall remain in effect for One Hundred Eighty (180) days from the RFP submission due date.
