NOTICE TO CONSTRUCTION MANAGERS

Florida Gulf Coast University Board of Trustees, announces that Construction Management Services will be required for the project listed below:

Project No. BR-1047, Project and Location: Academic Building 6, Florida Gulf Coast University, Ft. Myers, Florida.

Florida Gulf Coast University began as a dream for a new university located in southwestern Florida. “The Tenth University” began with a strong commitment to technology and innovation, with an environmental focus.

Academic Building 6 will be primarily utilized for the FGCU School of Business. Currently, the offices and classrooms for the School of Business are located in various buildings on the FGCU campus. Accordingly, this new building will provide classrooms, administration and faculty offices and specialized spaces such as computer labs for the business curriculum.

In general, the building will be approximately 70,000 gross square feet and will be three to four stories in height. The design of the building will be complimentary to other campus buildings, and yet have a special and distinct character and appearance of its own because of its prominent site location on campus.

The site has been conceptually permitted with both the Corps of Engineers and South Florida Water Management District. This project will have to modify an existing construction and operation permit issued by the South Florida Water Management District.

The total project budget is \$19,471,685 and construction budget is \$14,900,000.

The contract for construction management services shall consist of two phases. Phase one of the contract is for pre-construction services for which the construction manager will be paid a fixed fee. Phase one services include value engineering, constructability analysis, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 50% Construction Document phase. If the GMP is accepted, phase two, the construction phase, may be implemented. In phase two of the contract, the construction manager shall become the single point of responsibility for performance of the construction contract for the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager’s contract.

Selection will be made on the basis of the construction manager’s qualifications, including experience and ability; past experience; bonding capacity; record-keeping/administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability and qualification of the firm’s personnel, staff and consultants.

The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Firms desiring to provide construction management services for the project shall submit a letter of application and a completed Board of Regents “Construction Manager Qualifications Supplement”. Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages should be numbered consecutively. Submittals, which do not comply with these requirements or do not include the requested data, will not be considered. No submittal information will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, F.S., a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The Board of Regents Construction Manager Qualifications Supplement forms and the Project Fact Sheet may be obtained by contacting: Mr. Jack Fenwick, Director of Facilities Planning, Florida Gulf Coast University, 10501 FGCU Blvd., South, Ft. Myers, Florida 33965-6565, (239)590-1500, Fax (239)590-1505.

Five (5) bound copies of the required proposal data shall be submitted to: Mr. Jack Fenwick, Director of Facilities Planning, Florida Gulf Coast University, 10501 FGCU Blvd., South, Ft. Myers, Florida 33965-6565.

Submittals must be received in the Facilities Planning Office by 2:00 p.m. (local time) on December 11, 2006. Facsimile (FAX) submittals are not acceptable and will not be considered.

FLORIDA DEVELOPMENTAL DISABILITIES, INC.

REQUEST FOR PROPOSALS (FDDC #2007-HC-5200)

Cultural and Linguistic Competency

The Florida Developmental Disabilities Council (FDDC) announces the availability of a Request for Proposals (RFP). This RFP is being issued to enhance the information base necessary for the FDDC continued efforts to improve the delivery of services to the state's children and adults with developmental disabilities.

Extensive research has been and continues to be conducted to examine various approaches to addressing disparities in health outcomes and the implementation of cultural and linguistic competency standards, including the identification of evidence based practices. Considerable literature is now available to assess the potential benefits of cultural and linguistic competency training and the most effective methods of achieving positive outcomes. Numerous training programs are available, along with written materials, including web-based instructional opportunities.

The purpose of this project is to identify and disseminate information on cultural and linguistic competency evidence based practices or best practice in training and service provision. The provider will review literature, existing data, and anecdotal information to describe major cultural and linguistic issues concerning Floridians with specific attention to those issues of concern to individuals with developmental disabilities.

The provider will examine a variety of existing cultural and linguistic competency resources to identify those that are evidence based or based on best practice for their potential use in Florida.

Based on the review of available resources, the provider will draft a report for the FDDC Health Care Task Force, including recommendations of those resources determined to have the greatest potential benefit for use with Florida health care providers, with a focus on issues of concern to persons with developmental disabilities and their families. Data regarding the number of health care providers to receive each recommended resource, the cost per person, and total cost projection should also be presented. Further, the provider should describe how best to disseminate this information to the health care providers, including any potential additional cost associated with the dissemination.

The provider will present this information to the Health Care Task Force, facilitate a discussion of the issues, and assist the Task Force to develop and adopt a plan for dissemination of cultural and linguistic competency information to all Florida health care providers. Based on the direction of the Task Force, the provider will proceed to purchase those materials for which funds are available. The provider will disseminate the materials purchased. The provider will prepare and print a final report based on the direction provided by and approval of the Council.

Copies of this RFP will be available from the Florida Developmental Disabilities Council, 124 Marriott Drive, Suite 203, Tallahassee, FL 32301, (850)488-4180 or Toll Free 1(800)580-7801 or TDD 1(888)488-8633. The deadline for submitting letters of intent and written questions is prior to 4:00 p.m. (EST), on December 11, 2006. The deadline for submitting proposals is prior to 2:00 p.m. (EST), on January 22, 2007. Letters of Intent will only be accepted by fax, mail, or hand delivery. Letters of Intent by e-mail will not be accepted.

THE ABOVE ANNOUNCEMENT WILL APPEAR IN THE F.A.W. AND THE FDDC WEB PAGE (fddc.org) ON NOVEMBER 9, 2006.

PLEASE FORWARD ALL REQUESTS FOR COPIES OF THE RFP TO MISTY.

QUESTIONS ARE TO BE SUBMITTED IN WRITTEN FORMAT ONLY. THIS IS A LEGAL PROCESS; WE CANNOT ANSWER QUESTIONS VERBALLY.

Firms submitting must be properly registered at the time of application to practice their profession in the State of Florida. Firms may submit representative samples of similar or related work efforts, with reference information.

Responses which do not contain the required information identified herein, or non-relevant work experience may not be considered. All submitted materials will not be returned and will become part of the project file for this project. The selection of a consultant for this project will be made by a committee in accordance with Chapter 60D-2, Florida Administrative Code.

The Selection Committee is as follows:

- Lori Parrish, Property Appraiser
- Erik Reed, Director of Technology
- Holly Cimino, Director of Finance
- Joe Zdanowicz, Director of Real Property
- Kenneth Gibbs, GIS Supervisor

The Broward County Property Appraiser's selection process, including any contacts with Property Appraiser staff, are governed by the terms of the Broward County Property Appraiser Rules Regulating Lobbying (a copy is available on our www.bcpa.net website).

Firms will be selected based on qualifications and project approach and other relevant factors, in accordance with the Consultants' Competitive Negotiation Act (CCNA), Section 287.055, F.S. Submittals will be scored and ranked according to the Scoring Criteria.

ANNOUNCEMENT
of
REQUEST FOR STATEMENTS OF QUALIFICATIONS
for
GENERAL CONTRACTING WORK
for a
PRE-QUALIFIED BIDDING LIST
for the
SARASOTA COUNTY PUBLIC HOSPITAL BOARD
SARASOTA MEMORIAL HOSPITAL
SARASOTA, FLORIDA

The Sarasota County Public Hospital Board, is accepting statements of qualifications from general contracting firms for the purpose of pre-qualifying general contractors for various construction projects within the hospital proper, hospital core, and outpatient facilities. Firms will be divided into categories based on their size and past experience. The scope of work may include pre-construction phase services such as cost estimating, value engineering, critical path method scheduling, constructability reviews and cost control, in addition to construction services. Firms interested in being considered as candidates are required to submit five bound statements of qualifications that include at least the following data, to be organized in the following order:

1. A copy of Florida professional and corporate registration certificates.
2. Completed AIA Document A305 Contractor's Qualification Statement latest edition.
3. Proof of general and professional liability insurance coverage.
4. A separate statement as to whether the firm is a certified small/or Minority Business Enterprise as defined by the Florida Small Business Assistance Act of 1985.
5. A list of at least five client references consisting of name, title, address, telephone number and project name(s) for each project.
6. Resumes of key personnel that would be used on the projects at Sarasota Memorial and their past experience in projects of similar size and scope.
7. Previous examples of successful completion of hospital Agency for Healthcare Administration projects.
8. Any additional information to be included at the discretion of the submitting firm.

All interested firms are further informed as follows:

1. The hospital reserves the right to reject any or all submittals. No less than three (3) firms will be chosen for inclusion on the pre-qualified list in each category. These candidates may be asked to make presentations to a selection committee.

2. The basis for selecting candidates includes, but is not limited to, consideration of related project experience, qualifications of proposed team member's and previous Hospital A.H.C.A. experience. The hospital reserves the right to request additional information beyond the data set forth above.
3. Submissions shall be titled "Statement of Qualifications for General Contracting Work". Submittals must be received by the hospital no later than 3:30 p.m., Thursday, December 7, 2006. Submit statements to Ron Schofield, Manager of Construction & Renovation Services, Sarasota Memorial Hospital, 1700 South Tamiami Trail, Sarasota, Florida 34239.
Submittals received after this deadline will be unopened and available for pick up.
4. Interested persons should contact Ron Schofield at (941)917-1899 or Tom Perigo (941)917-2048 with questions.
5. No attempts shall be made to contact Administrators, Board Members or any SMH staff other than the contact name(s) listed under the potential penalty of disqualification from the process.
