A copy of the Petition may be obtained by writing to, calling, or sending a fax to: Lesley Mendelson, Assistant General Counsel, 200 East Gaines Street, Tallahassee, Florida 32399-0340, (850)413-3604, or (850)413-4238; Fax (850)922-1235 or (850)488-0697 (please advise if you would like it mailed or faxed to you and please include your phone number on your request in case any question arises), or by e-mailing your request to Lesley.Mendelson@fldfs.com.

NOTICE IS HEREBY GIVEN that the Department of Financial Services, Division of State Fire Marshal, has received a Petition for Declaratory Statement filed January 30, 2007, from Edward Riley, Fire Code Official, Fire Districts of Collier County, Petitioner. The Petition requests clarification regarding Section 553.79(2), Florida Statutes, Section 633.121, Florida Statutes, and Section 105.13 of the Florida Building Code, and specifically asks the Division of State Fire Marshal:

1. Does the building official have the authority to issue phased permits without the approval of the "appropriate" firesafety inspector?
2. Florida Statute 553.79(2) refers to the "appropriate" firesafety inspector. Would the "appropriate" firesafety inspector be a person certified pursuant to 633.081 Florida Statute, who must also be authorized pursuant to Florida Statute 633.121?
3. If the answer to number 2 is no, who would qualify as the "appropriate" firesafety inspector?

A copy of the Petition may be obtained by writing to, calling, or sending a fax to: Lesley Mendelson, Assistant General Counsel, 200 East Gaines Street, Tallahassee, Florida 32399-0340, (850)413-3604, or (850)413-4238; Fax (850)922-1235 or (850)488-0697 (please advise if you would like it mailed or faxed to you and please include your phone number on your request in case any question arises), or by e-mailing your request to Lesley.Mendelson@fldfs.com.

DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the discipline of master planning will be required for the project listed below:

Project: MP-311, PKY Developmental Research School Site Master Plan (Gainesville, FL)

The project will prepare a physical campus master plan for P. K. Yonge Developmental Research School (PKY), a K-12 campus associated with the College of Education at the University of Florida situated on roughly thirty-one acres with an enrollment of approximately 1,150 students. The Plan shall provide recommendations for future buildings, building locations and site infrastructure including access/circulation, parking, utilities, security, lighting, stormwater, landscaping, recreation fields and playgrounds. Project deliverables include site maps indicating locations and phasing of the recommendations as well as cost estimates for each recommendation and phase. The physical master plan should reflect the school's evolving strategic mission and goals to emphasize math, science and technology in a context of community partnerships.

Recommendations and site concept design shall be accomplished onsite in an interactive, charrette-style format. The design team shall prepare graphic illustrations of design concepts for review by both internal and external stakeholders,

and will participate in the presentation of those concepts. The project site design shall be required to follow the guidance of LEED (Leadership in Energy and Environmental Design) and seek appropriate accreditation by the US Green Building Council.

The selected firm will provide design and documentation for the referenced project. Applicants will be evaluated on the basis of their past performance, experience, personnel, design ability, references, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the Project Fact Sheet and other background information. The proposal shall be limited to 40 single-sided, consecutively-numbered pages and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, and other goals and considerations as outlined in the Project Fact Sheet.
2. Company information and signed certification.
3. A completed, project-specific "Professional Qualifications Supplement" (PQS) proposal. Applications on any other form will not be considered.

Resumes and copies of the applicant's current Professional Registration Certificate(s) from the appropriate governing board, corporate charter(s) if applicable, LEED certification, and other pertinent credentials.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

The project-specific PQS form, instructions, Project Fact Sheet, UF Design Services Guide, UF Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning and Construction office by 3:00 p.m. (Local Time), on Friday, March 30, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

Notice to Construction Managers – Minor Projects

NOTICE TO CONSTRUCTION MANAGERS

Florida State University announces that construction management services will be required for the project listed below:

Project and Location: Minor Projects at Florida State University, Tallahassee, Florida

Project Description: The construction manager will be a single point of responsibility for performance of minor project construction contracts, functioning as an independent contractor; publicly bidding trade contracts. A minor project is defined as a project with a construction budget estimated to be less than \$1,000,000. Accordingly, the selected firm(s) minimum bonding capacity should be \$1,000,000 and be sufficient to contract multiple concurrent projects. The University intends to award multiple contracts for the upcoming fiscal year through June 30, 2008, with an option to renew for two additional one year periods. Selection of finalists for interviews will be made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping/administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; qualification of the firm's personnel, staff and consultants. Finalists will be provided with a description of the final interview requirements and a copy of the standard State

University System's construction management agreement for minor projects. The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the architect/engineers under contract with the University to provide services on minor projects.

INSTRUCTIONS:

Firms desiring to provide construction management services for the project shall submit a letter of application and the completed Florida State University "Construction Manager Qualifications Supplement." Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned. All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

REGIONAL PLANNING COUNCILS

Notice of Bid/Request for Proposal

Madison County Community Transportation Coordinator Request for Letters of Interest

The North Central Florida Regional Planning Council, is seeking letters of interest and statements of qualifications from agencies or firms interested in coordinating transportation services for the transportation disadvantaged in Madison County, Florida. The selected contractor will be the designated Community Transportation Coordinator for Florida's Transportation Disadvantaged Program, as authorized by Chapter 427, Florida Statutes, and more fully described in Rule 41-2 of the Florida Administrative Code. Experience with eligibility-based transportation services is required.

The Community Transportation Coordinator is defined by Chapter 427, Florida Statutes, as a transportation entity recommended by the appropriate designated official planning agency to ensure that coordinated transportation services are provided to the transportation disadvantaged population in a designated service area. The Community Transportation Coordinator has full responsibility for the delivery of transportation services for the transportation disadvantaged as outlined in Section 427.015(2), F.S.

The transportation disadvantaged are defined by Chapter 427, Florida Statutes as "those persons who because of physical or mental disability, income status, or age are unable to transport themselves or purchase transportation and are, therefore, dependent upon others to obtain access to health care, employment, education, shopping, social activities, or other life sustaining activities, or children who are handicapped or high-risk or at-risk as defined in Section 411.202, F.S."

Interested providers are required to provide proof of qualifications in the following areas: coordination experience, scheduling and routing software used by the organization and vehicle acquisition. Letters of interest and qualifications should be limited to four (4) pages.

Potential providers should submit their expression of interest and qualifications in a sealed envelope to: North Central Florida Regional Planning Council, Attention: Scott R. Koons, Executive Director, 2009 N. W. 67 Place, Suite A, Gainesville, Florida 32653-1603. Letters must be marked, "LETTER OF INTEREST AND QUALIFICATIONS FOR MADISON COUNTY COMMUNITY TRANSPORTATION COORDINATOR." Letters of interest and qualifications must be received by 5:00 p.m., March 16, 2007.

Faxed and e-mailed responses will not be accepted. Late letters will be returned unopened with the notation, "This letter of interest was received after the delivery time designated for receipt and opening in the legal notice." Only responses to the request for letters of interest will be considered if a request for proposals is issued for Community Transportation Coordinator. The North Central Florida Regional Planning Council reserves the right to accept or reject any and all responses in the best interest of the State.

DEPARTMENT OF COMMUNITY AFFAIRS

DCA Order No. DCA07-OR-025

STATE OF FLORIDA

DEPARTMENT OF COMMUNITY AFFAIRS

In re: A LAND DEVELOPMENT REGULATION

ADOPTED BY ISLAMORADA, VILLAGE OF ISLANDS ORDINANCE NO. 06-25

FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Islamorada, Village of Islands is a local government within the Florida Keys Area.
2. On December 26, 2006, the Department received for review Islamorada, Village of Islands Ordinance No. 06-25 ("Ord. No. 06-25") adopted by the Village on December 14, 2006.
3. The purpose of the Ordinance is to amend the Village Code to be consistent with the Village Comprehensive Plan with regard to allocated density for affordable housing in certain zoning districts.
4. Ord. 06-25 is consistent with the Village Comprehensive Plan.

CONCLUSIONS OF LAW

5. The Department is required to approve or reject land development regulations or portions thereof that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006).

6. Islamorada, Village of Islands is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Fla. Stat. (2006), and Rule 28-29.002 (superseding Chapter 27F-8), Fla. Admin. Code.
7. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2006). The regulations adopted by Ord. 06-25 are land development regulations.
8. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in § 380.0552(7), Fla. Stat. (2006). See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff'd*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.

9. Ord. 06-25 promotes and furthers the following Principles:

(a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.

(j) To make available adequate affordable housing for all sectors of the population of the Florida.

10. Ord. 06-25 is not inconsistent with the remaining Principles. Ord. 06-25 is consistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that Ord. 06-25 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

DONE AND ORDERED in Tallahassee, Florida.

NOTICE OF ADMINISTRATIVE RIGHTS

ANY PERSON WHOSE SUBSTANTIAL INTERESTS ARE AFFECTED BY THIS ORDER HAS THE OPPORTUNITY FOR AN ADMINISTRATIVE PROCEEDING PURSUANT TO SECTION 120.569, FLORIDA STATUTES, REGARDING THE AGENCY'S ACTION.
