4. Ord. 07-01 is consistent with the Village Comprehensive Plan.

CONCLUSIONS OF LAW

5. The Department is required to approve or reject land development regulations or portions thereof that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006).

The dealership to be established will be Countyline Auto Center, Inc. d/b/a Countyline Lexus, a Florida corporation. It will be opened on or after May 10, 2007.

The name and address of the dealer operator of the proposed dealer is Craig M. Zinn, 3805 South State Road 7, Hollywood, Florida 33023.

The name and address of the principal investor of Countyline Auto Center, Inc. d/b/a Countyline Lexus is Craig M. Zinn, 3805 South State Road 7, Hollywood, Florida 33023. Lexus and Countyline Auto Center, Inc. d/b/a Countyline Lexus assert that the exemption provided in Section 320.642(5)(a)3., Florida Statutes, applies to this relocation because the relocation meets all three of the conditions of that subparagraph: (1) the proposed relocation is within six miles of the prior location, approximately 5.42 miles; (2) there is one existing motor vehicle dealer of the same line-make, Countyline Auto Center, Inc. d/b/a Lexus of Pembroke Pines, that is located at 16150 Pines Boulevard, Pembroke Pines, FL 33027, within fifteen miles of the former location, approximately 10.06 miles; and (3) the proposed location is no closer to any existing dealer of the same line-make that is within fifteen miles of the proposed location, because the only existing dealer of the same line-make that is within fifteen miles of the proposed location is Lexus of Pembroke Pines, which is approximately 14.38 miles from the proposed

location. The proposed relocation moves the relocating dealer from approximately 10.06 miles from Lexus of Pembroke Pines to a location approximately 14.38 miles from Lexus of Pembroke Pines.

Countyline Auto Center, Inc. also owns and operates Lexus of Pembroke Pines, located at 16150 Pines Boulevard, Pembroke Pines, FL 33027. To the extent that any dealer contends that Lexus of Pembroke Pines is not a distinct and separate dealership from Countyline Lexus or contends that it is not located at a distinct and separate location, the relocation would be exempt under Section 320.642(5)(a)4., Florida Statutes. Assuming purely for the sake of argument and without admitting, that Lexus of Pembroke Pines and Countyline Lexus are the same dealership or same location, the exemption provided in Section 320.642(5)(a)4., Florida Statutes, would apply to the proposed relocation because, in such circumstances treating Countyline Lexus and Lexus of Pembroke Pines as the same location and/or dealership, the relocation meets all three of the conditions of that subparagraph: (1) the proposed location is within six miles of the prior location, approximately 5.42 miles; (2) all existing motor vehicle dealers of the same line-make are beyond fifteen miles of the former location, the nearest being G.F.B. Enterprises, LLC d/b/a Lexus of Kendall, which is located at 10775 S. Dixie Highway, Miami, Florida 33156, approximately 22.10 miles from the prior location; and (3) the proposed location is further than fifteen miles from any existing motor vehicle dealer of the same line-make, because the nearest existing motor vehicle dealer of the same line-make would be G.F.B. Enterprises, LLC d/b/a Lexus of Kendall, which is approximately 19.10 miles from the proposed location.

Out of an abundance of caution, Lexus and Countyline Auto Center, Inc. d/b/a Countyline Lexus have requested that this notice be published in order to allow a protest to be filed by any dealer who asserts that the proposed relocation is not exempt from protest. Lexus and Countyline Auto Center, Inc. d/b/a Countyline Lexus reserve the right to contend that the exemption contained in Section 320.642(5)(a)3., Florida Statutes, does apply in the event any protests are filed, and further reserve the right to contend that the exemption contained in Section 320.642(5)(a)4., Florida Statutes, would apply in the event that a dealer asserts that Countyline Lexus and Lexus of Pembroke Pines are same dealership or same location.

The notice indicates intent to relocate the dealership to a location in a county of more than 300,000 in population, according to the latest population estimates of the University of Florida, Bureau of Economic and Business Research.

Certain dealerships of the same line-make may claim to have standing, pursuant to Section 320.642, Florida Statutes, to file a petition or complaint protesting the application.

Written petitions or complaints must be received by the Department of Highway Safety and Motor Vehicles within 30 days of the date of publication of this notice and must be submitted to: Administrator, Dealer License Section, Department of Highway Safety and Motor Vehicles, Room A-312, Neil Kirkman Building, 2900 Apalachee Parkway, Tallahassee, Florida 32399-0635.

A copy of such petition or complaint must also be sent by mail to: Mark G. Del Rosso, General Manager, Lexus Southern Area, Lexus, a Division of Toyota Motor Sales, USA, Inc., 11540 Great Oaks Way, Alpharetta, GA 30022, and Craig M. Zinn, Countyline Lexus, 3805 South State Road 7, Hollywood, Florida 33023.

If no petitions or complaints are received within 30 days of the date of publication, a final order will be issued by the Department of Highway Safety and Motor Vehicles approving the relocation of the dealership, subject to the applicant's compliance with the provisions of Chapter 320, Florida Statutes.

FLORIDA LAND AND WATER ADJUDICATORY COMMISSION

BRADDOCK COMMUNITY DEVELOPMENT DISTRICT
 On January 4, 2007, the Florida Land and Water Adjudicatory Commission ("FLWAC" or "Commission") received a petition to establish the Braddock Community Development District (the "District"). A revision to the petition was submitted on January 22, 2007. The Commission will follow the requirements of Chapter 42-1, Florida Administrative Code (F.A.C.), as amended, and Chapter 190, Florida Statutes (F.S.), as amended, in ruling on this petition, as revised.

SUMMARY OF CONTENTS OF PETITION: The petition, as revised, filed by Crosswinds-Florida, LLC, requests the Commission establish a community development district located entirely within the City of Jacksonville, Florida. The land area proposed to be served by the District comprises approximately 2,346 acres. A general location map is contained as Exhibit 1 to the petition, as revised, to establish the District. The proposed land area is generally located east and northeast of U.S. Highway 1, southeast of Thomas Creek and Lannie Road, west of the Jacksonville International Airport, and north of Dunn Avenue and I-295. There is one out-parcel located within the external boundaries of the proposed District to be excluded from the District. The out-parcel consists of 30 parcels and a list of the current owners' names and addresses is contained in Exhibit 4 to the petition, as revised. The Petitioner has obtained written consent to establish the District from the owners of 100% of the real property located within the proposed District. The proposed development within the District may include single family units, multi-family units, commercial use, office use, community activities use and other uses. The District plans to finance certain master infrastructure improvements within the District boundaries. These improvements include complete construction of the master infrastructure including roadways, recreational facilities, linear park, wetland mitigation, and neighborhood infrastructure (paving, drainage, lighting and conduit).

SUMMARY OF ESTIMATED REGULATORY COSTS: The statement of estimated regulatory costs (SERC) supports the petition, as revised, to establish the District. The complete text of the SERC is contained as Exhibit 12 to the petition, as revised. The requirements for a SERC are found in Section 120.541(2), F.S. A SERC must contain (a) a good faith estimate of the number of individuals and entities likely to be required to comply with the rule, together with a description of the types of individuals likely to be affected by the rule; (b) a good faith estimate of the costs to the agency, and to any other state and local government entities, of implementing and enforcing the proposed rule, and any anticipated effect on state

or local revenues; (c) a good faith estimate of the transactional costs likely to be incurred by individuals and entities, including local governmental entities, required to comply with the requirements of the rule; (d) an analysis of the impact on small businesses as defined by Section 288.703, F.S., and an analysis of the impact on small counties and small cities as defined by Section 120.52, F.S.; (e) any additional information that the agency determines may be useful; and (f) any good faith written proposal submitted under section (a) and either a statement adopting the alternative or a statement rejecting the alternative in favor of the proposed rule. Addressing section (a), the District, the State of Florida, and the City of Jacksonville are principal entities that are likely to be required to comply with the rule. In addition, current and future property owners will be affected by the establishment of the proposed District. Under section (b), FLWAC and the State of Florida will incur administrative costs. The City of Jacksonville will incur costs resulting from the initial review and on-going costs resulting from the on-going administration of the District. There is a \$15,000 filing fee paid to the City of Jacksonville to offset any costs it may incur. Adoption of the proposed rule to approve the formation of the District will not have an adverse impact on State and local revenues. Addressing section (c), the District may levy non-ad valorem special assessments on properties within its boundaries to finance infrastructure that the District funds and to defray the costs of operating and maintaining the infrastructure and associated community facilities. The District may issue notes, bonds, or other indebtedness to fund its improvement program. Prospective future land owners would be required to pay off such indebtedness over time in the form of non-ad valorem special assessments or other rates, fees or charges. The District may also impose an annual levy for the operation and maintenance of the District. Under section (d), approval of the petition, as revised, to establish the District will have no impact or a positive impact on small businesses. The petition, as revised, to establish the District will not have an impact on small cities as defined by Section 120.52(17), F.S., as the City of Jacksonville is not defined as a small city. Under section (e), the analysis provided in the SERC was based on a straightforward application of economic theory. Input was received from the developer's engineer and other professionals associated with the developer.

The project consists of improvements to the wastewater treatment, collection, and disposal facilities. The potential amount of the loan is estimated at \$21,325,100. The project is expected to qualify for a State Revolving Fund loan composed of federal and state matching funds and for a Financially Disadvantaged Small Community grant.

A full copy of the Florida Finding of No Significant Impact can be obtained by writing to: Bhupendra H. Vora, Bureau of Water Facilities Funding, Department of Environmental Protection, 2600 Blair Stone Road, MS #3505, Tallahassee, Florida 32399-2400 or by calling (850)245-8358.

FLORIDA CATEGORICAL EXCLUSION NOTICE

The Department of Environmental Protection has determined that Clay County Utility Authority's proposed project for the construction of Ridaught Landing wastewater facilities expansion will not have a significant adverse affect on the environment. The total project cost is estimated at \$11,182,000. The project is expected to qualify for a State Revolving Fund loan composed of federal and state matching funds.

NOTICE OF INTENT TO GRANT EXEMPTION

The Department of Environmental Protection gives notice that it intends to grant an exemption request from the Peace River/Manasota Regional Public Water Supply Authority for its Peace River Facility. The exemption is under Rule 62-560.520, F.A.C., so that the secondary maximum contaminant level for sulfate and total dissolved solids of 250 mg/L and 500 mg/L, respectively, will not have to be met in the water served to its customers for a period not to exceed 36 months, after which time the petitioner will have completed the Authority's Regional Expansion Program. The Regional Expansion Program is projected to resolve secondary MCL water quality concerns for the Peace River Facility at that time. Respective alternative levels of 400 mg/L for sulfate and 1000 mg/L for TDS will be required during those months.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57 of the Florida Statutes. The petition must contain the information set forth below and must be filed (received by the clerk) within 30 days of this notice in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000.

Mediation is not available.

If a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Intervention

will be permitted only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, Florida Administrative Code (F.A.C.).

In accordance with subparagraph 62-110.106(3)(a)(4), F.A.C., petitions for an administrative hearing must be filed within 30 days of publication of the notice or receipt of written notice, whichever occurs first. Under subsection 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time will toll the running of the time period for filing a petition until the request is acted upon. Upon motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect, the Department may also grant the requested extension of time.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing.

The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that right.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

- (a) The name and address of each agency affected and each agency's file or identification number, if known;
- (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination;
- (c) A statement of when and how the petitioner received notice of the agency decision;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action;

(f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action; and

(g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C. Under Sections 120.569(2)(c) and (d) of the Florida Statutes, a petition for administrative hearing shall be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.
