DEPARTMENT OF EDUCATION

Voluntary Prekindergarten (VPK) Education Program Curriculum Approval Process

The Florida Department of Education announces an extension to the call for publishers’ submissions of comprehensive prekindergarten curricula for the 2007 Voluntary Prekindergarten (VPK) Curriculum Approval Process. Intent to Submit forms are requested by May 1, 2007. Note: this date supersedes the original deadline of Friday, April 6, 2007. This form is available on the DOE/OEL website at: www.myfloridaeducation.com/earlylearning/curric.htm or by contacting the Department of Education, Office of Early Learning at earlylearning@fldoe.org.

For the purposes of this approval process, a curriculum is defined as a set of written materials that

- is replicable
- addresses the use of materials, scheduling, arranging the environment, and interaction between children and adults, either separately or in combination

- includes more than activity suggestions and more than theory and pedagogy
- is aligned with the VPK Education Standards
- is aligned with scientifically-based research.

Only comprehensive curricula will be reviewed for approval during this process. In order to be considered comprehensive, the materials submitted must stand alone and cover the VPK Education Standards in all seven domains. If ancillary or supplemental materials are required in order for a given curriculum to be considered comprehensive those additional materials must be submitted with the basic curriculum as a packaged set (i.e., “curriculum package”) and must be made available to providers as a complete curriculum at a set price.

Information about the process, including policies and procedures, specifications, and deadlines, will be posted on the DOE/OEL website at www.myfloridaeducation.com/earlylearning/curric.htm. Questions related to this announcement may be directed to: Shan Goff, Executive Director, or Kim Komisar, Director, Program Standards and Professional Development, by phone at (850)245-0445 or via email at shan.goff@fldoe.org, or kim.komisar@fldoe.org.

DCA Final Order No. DCA07-OR-039
 STATE OF FLORIDA

In re: A LAND DEVELOPMENT
 REGULATION ADOPTED BY
 HAINES CITY, FLORIDA BY
 ORDINANCE NO. 06-1261

 FINAL ORDER

The Department of Community Affairs (the “Department”) hereby issues its Final Order, pursuant to §§ 380.05(6) and (11), Fla. Stat. (2006), approving a land development regulation adopted by Haines City, Florida (the “City”), as set forth below.

FINDINGS OF FACT

1. On December 14, 2006, the Department received for review Haines City Ordinance No. 06-1261, which was adopted by the City Commission of Haines City on December 6, 2006. Ordinance No. 06-1261 amends Chapter 6 of the Haines City Land Development Code to establish the U.S. 27/North Ridge Selected Area Plan.
2. The amendments to the Land Development Code contained in Ordinance No. 06-1261 implement the U.S. 27/North Ridge Selected Area Plan (SAP), which was adopted into the Polk County Comprehensive Plan as a proactive response to the high degree of urbanization anticipated over the next twenty years. The amendments include land use size and dimension standards as well as land use densities and intensities for the zoning districts within the SAP. The Conservation district (CONSV-NR) limits development to environmentally non-damaging access points and trails and conservation and resource-based, non-motorized recreational uses, which include a conservation easement on verified wetlands. Additionally, the amendments provide that, within the Green Swamp Protection Area, development shall not alter the natural function of wetlands and aquifer-recharge areas. The amendments further require proposed developments to be directed to upland areas and avoid adverse impacts to wetlands so that the natural functions of the wetlands shall be protected and conserved.
3. Ordinance No. 06-1261 is consistent with the City's Comprehensive Plan.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are enacted, amended or rescinded by any local government in the Green Swamp Area of Critical State Concern. §§ 380.05(6) and (11), Fla. Stat. (2006).
5. Haines City is a local government within the Green Swamp Area of Critical State Concern. § 380.0551, Fla. Stat. (2006) and Chapter 28-26, Fla. Admin. Code.
6. "Land development regulations" include local zoning, subdivision, building and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2006). The regulations adopted by Ordinance No. 06-1261 are land development regulations.
7. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles"). § 380.05(6), Fla. Stat. (2006). The principles for guiding development in the Green Swamp Area of Critical State Concern are set forth in Rule 28-26.003, Fla. Admin. Code. ("Principles").
8. The Ordinance furthers Principle (a): minimize the adverse impacts of development on resources of the Floridian Aquifer, wetlands, and flood-detention areas by

allowing Haines City to develop an environmentally sensitive plan which encourages a high quality living environment through an efficient urban-growth pattern based on a balance of employment activities, residential and nonresidential uses, a range of housing opportunities, and short vehicle trips between housing, employment, and shopping in harmony with the special factors of the Green Swamp.

9. The Ordinance furthers Principle (h): protect the water-retention capabilities of wetlands and Principle (i) protect the biological-filtering capabilities of wetlands by allowing Haines City to amend their land use code to direct development to upland areas to avoid impacts to the wetlands.
10. The Ordinance is consistent with the Principles for Guiding Development in Rule 28-26.003, Florida Administrative Code as a whole and is not inconsistent with any principle.

WHEREFORE, IT IS ORDERED that Ordinance No. 06-1261 is found to be consistent with the Principles for Guiding Development of the Green Swamp Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.
