These changes are in accordance with subparagraph 120.54(3)(d)1., F.S., and in response to comments received from the Florida Association of Court Clerks.

Paragraph (i) of subsection (2) of Rule 12E-1.032, F.A.C., has been changed, so that, when adopted, the paragraph will read as follows:

(i) "Employer's designated child support payment processor (hereafter called employer's processor)" means a financial institution or business utilized by the employer to provide ACH support payment services.

Paragraph (a) of subsection (3) of Rule 12E-1.032, F.A.C., has been changed, so that, when adopted, the paragraph will read as follows:

(a) Electronic remittance of support payments and associated case data by the employer or the employer's processor to the State Disbursement Unit shall be in a format used within the "Automated Clearing House" or "ACH" network to conduct the transfer of support funds between

business or government entities. An acceptable format includes either "Cash Concentration and Disbursement Plus (CCD+)" or "Corporate Trade Exchange (CTX)."

Subsection (4) of Rule 12E-1.032, F.A.C., has been changed, so that, when adopted, the subsection will read as follows:

- (4) Remittance or Transmission Problems.
- (a) If the employer or employer's processor incorrectly submits associated case data or incorrectly remits support payments, the employer or the employer's processor shall contact, not later than the next business day after the date on which the error is discovered, the State Disbursement Unit toll-free at (888)883-0743 or local number at (850)201-0183 for specific instructions.
- (b) The State Disbursement Unit shall review payment error and associated case data problems, determine the course of action to correct the error(s), and take steps to process the information and payment. - (b) For the employer to establish ACH payments directly to the State Disbursement Unit, initially the employer or employer's processor must contact the State Disbursement Unit, EFT Marketing, at (850)205-8227 and provide the information in (c) below. The State Disbursement Unit will compare the information provided by the employer or employer's processor with identifying information in the State Disbursement Unit's child support computer system. Identifying information submitted by the employer or the

employer's processor must match the identifying information in the State Disbursement Unit computer system. The State Disbursement Unit will work with the employer to resolve discrepancies, if any are found. For the employer to establish ACH payments to the State Disbursement Unit, through an employer processor, the employer must contact the processor directly. For employer's using a processor, the processor is responsible for verifying the information.

- (f) To assure the receipt of support payments by the due date, an employer or the employer's processor must initiate the payment transaction in accordance with subsection (6).
- (g) All ACH credit transfers must be in the NACHA Cash Concentration and Disbursement Plus "CCD+" or NACHA Corporate Trade Exchange "CTX" format containing an Accredited Standards Committee (ASC) X12 820 Payment Order/Remittance Advice Transaction Set with associated addenda record(s) for child support, in the format specified by NACHA guidelines as referenced herein. The Department uses NACHA guidelines to govern the formats and specifications for the electronic remittance of support payments and the electronic submission of associated case data, which are contained in the User Guide For Electronic Child Support Payments, Using The Child Support Application Banking Convention, Version 5.0, revised August 21, 2006, incorporated herein by reference. Members of the public may obtain a copy of the NACHA guidelines by writing to the Florida Department of Revenue, Child Support Enforcement Program, Attn: Forms Coordinator, P. O. Box 8030, Tallahassee, Florida, 32314-8030, or by accessing http://www.nacha.org/. The employer, employer's financial institution, or the employer's processor providing ACH services may contact the State Disbursement Unit, EFT

- 7. Medical support indicator The indicator designates whether the employer offers family medical insurance coverage. If medical insurance coverage is available, place a 'Y' in the field; if there is no coverage available, place an 'N' in the field. The National Automated Clearing House Association standard requires this data element.
 - 8. Noncustodial parent name.
- 9. Federal Information Processing Standard Code (FIPS code) The unique code that identifies each child support jurisdiction (i.e., states, counties and central registries). As used in this rule, the FIPS code refers to the code of the State Disbursement Unit receiving the transaction.
- 10. Employment termination indicator The employment termination indicator notifies the Department that an individual's employment has terminated. The employer is required to report this information pursuant to Section 61.1301(2)(k), F.S. If the employee has terminated, place a 'Y' in this field; otherwise, the field is not used.
- (i) The employer or employer's processor may combine payment amounts from more than one employee in a single payment as long as the required information in subsection (5)(h), subparagraph 1. through 10., is submitted for each employee. In addition, the employer or employer's processor must separately identify the portion of the single payment that is attributable to each employee.

Paragraph (b) of subsection (6) of Rule 12E-1.032, F.A.C., has been changed, so that, when adopted, the paragraph will read as follows:

(b) The employer or employer's processor who is required to pay support and provide associated case data through electronic means must initiate the transfer so that the amount due is deposited as collected funds to the State Disbursement Unit's account on or before the due date. If the date on which the employer or employer's processor is required to initiate an ACH credit transfer falls on a Saturday, Sunday, or a business

or banking holiday, the employer or the employer's processor must initiate the transaction on the preceding business day. For the purpose of this rule, "banking day" has the meaning prescribed in Section 674.104(1), F.S.
