DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the discipline of Architecture will be required for the project listed below:

Project: UF-193 / UF-307, Veterinary Education and Clinical Research Center at the University of Florida College of Veterinary Medicine – Gainesville, Florida

This project is an expansion of the College of Veterinary Medicine Small Animal Hospital. The proposed project is envisioned as a 3 story 93,000 gross square foot addition to the Small Animal Hospital (SAH). This will allow the SAH to relieve space deficiencies, which are currently causing a less efficient hospital function. In addition, the proposed growth will allow the SAH to increase its caseload, provide a new linear accelerator facility, and to create a healthier environment for patients and clinicians.

The project is to be located at the current College of Veterinary Medicine Small Animal Hospital site, on the south side of S. W. 16th Avenue adjacent to Shealy Drive on the University of Florida campus. The proposed expansion will occupy the current Patient parking lot directly north of the Small Animal Hospital patient receiving area.

The estimated construction budget is approximately \$44,643,000. A minimum Silver LEED (Leadership in Energy and Environmental Design) accreditation by the U.S. Green Building Council is mandatory.

The selected firm will provide facilities programming, utilities infrastructure evaluation and needs assessment, construction cost estimating, design, construction document development and construction administration services. Blanket professional liability insurance will be required for this project in the amount of \$2,000,000 and will be provided as a part of Basic Services. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Applicants will be evaluated on the basis of their past performance, project specific experience and ability, personnel, references, location, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the draft facilities program, Project Fact Sheet, and other background information. The proposal shall be limited to 50 single sided, or 25 double sided, consecutively-numbered pages (not including cover sheet, table of contents, and blank divider pages) and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific "Professional Qualifications Supplement" (PQS) proposal. Applications on any other form will not be considered.
4. Resumes and copies of the applicant's current Professional Registration Certificate(s) from the appropriate governing board, corporate charter(s) if applicable, LEED certification, and other pertinent credentials.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

The project-specific PQS form, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning and Construction office by 3:00 p.m. (Local Time), on Friday, July 13, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO CONSTRUCTION MANAGERS

FLORIDA ATLANTIC UNIVERSITY, on behalf of its Board of Trustees, announces that CONSTRUCTION MANAGEMENT services will be required for minor projects.

Project(s): All Construction Minor Projects

Project(s) Location: All of Florida Atlantic University campuses.

The construction manager will be a single point of responsibility for performance of multiple construction contracts up to \$1,000,000 individually, functioning as an independent contractor, publicly bidding trade contracts. Three (3) Construction Management contracts will be awarded, for an initial period of one year with an option to renew for one additional year.

Selection of finalists for interview will be made on the basis of Construction Manager qualifications including experience and ability; record keeping; project administration; scheduling; cost estimating; cost control; quality control; and qualifications

of the firm's personnel. Finalists will be provided with a copy of a list of the final interview evaluation criteria, and a copy of the standard Florida Atlantic University construction manager agreement for minor projects. The final ranking for each category shall be determined based on the oral presentations and references.

The Selection Committee may reject all proposals and stop the selection process at any time.

Proximity of location will be a prime factor in the selection of the firm.

INSTRUCTIONS:

Firms desiring to provide Construction Management services for this project shall apply for consideration by submitting four (4) bound copies of a completed FAU "Construction Manager Qualifications Supplement" completed by the applicant. Applications on any other form will not be considered. Proposals must not exceed 40 pages, including the Construction Manager Qualification Supplement and letter of application. Pages should be numbered consecutively. Submittals which do not comply with these requirements or do not include the requested data will not be considered. Submittal materials will not be returned.

All applicants must be licensed to practice as General Contractor or Building Contractor in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application.

The FAU "Construction Manager Qualifications Supplement" forms, project fact sheet information, and selection criteria may be obtained by contacting Keyla Thamsten by phone at (561)297-3039 or by email at thamsten@fau.edu. FAU "Construction Manager Qualifications Supplement" forms are available on the Florida Atlantic University Facilities Planning Department web page at <http://www.fau.edu/facilities/fp/>.

Submittals must be received in the Facilities Planning Department to the attention of Keyla Thamsten, Florida Atlantic University, 777 Glades Road, CO 69, Room 107, Boca Raton, Florida 33431, by 5:00 p.m. (Local Time), on July 13, 2007.

Facsimile (FAX) submittals are NOT acceptable and will NOT be considered.

NOTICE TO CONSTRUCTION MANAGERS

Florida Atlantic University, on behalf of its Board of Trustees, announces that Construction Management services will be required for the project listed below:

Project No.: BT-624 located at Florida Atlantic University's Davie Campus.

The project consists of site development and construction of 75,000 square feet FAU/UF Joint Use Facility research laboratories, lab support, space and office space for the FAU College of Science. In addition, the facilities will comprise research and support space for UF/IFAS, office space for the

FAU College of Art and Letters, and a compliment of state-of-the-art classrooms. The overall design objective for this project is to develop a facility and campus, which provides an environment for the students to interact, socialize and conduct programs to enhance their experience on the FAU Davie Campus. In addition, the new facility will be compatible with the existing east campus framework and reflect and strengthen the Davie Campus Master Plan and allow flexibility for future program growth and change. The estimated construction cost is \$27,706,000.00.

The contract for Construction Management services will consist of two phases. Phase one is pre-construction services, for which the Construction Manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 100% Construction Document phase. If the GMP is accepted, Phase two, the construction phase, will be implemented. In phase two of the contract, the Construction Manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement, may result in the termination of the Construction Manager's contract.

Selection of finalists for interviews will be made on the basis of Construction Manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping, administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; qualification of the firm's personnel, and staff and consultants. Finalists may request a copy of the building program and the latest documentation prepared by the project architect/engineer, and a copy of the standard Florida Atlantic University Construction Management Agreement. The Selection Committee may reject all proposals and stop the selection process at anytime. The Construction Manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Firms desiring to provide Construction Management services for the project shall submit a letter of application and a completed "Florida Atlantic University Construction Manager Qualification Supplement" (FAUCMQS Revised January 2004). Proposals must not exceed 40 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations,

at the time of application. As required by Section 287.133, Florida Statutes, a Construction Management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected Construction Management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The FAUCMQS form and the Project Fact Sheet may be obtained on our website at <http://www.fau.edu/facilities/uavp> or by contacting: Carla Capeletti, Office of the University Architect and Vice President for Facilities, Florida Atlantic University, 777 Glades Road, Campus Operations, Bldg. 69, Room 101, Boca Raton, Florida 33431, (561)297-2663, Fax (561)297-0224.

Five (5) bound sets of the required proposal data shall be submitted and addressed to: Mr. Tom Donaudy, University Architect and VP for Facilities, at the above address by 5:00 p.m., on July 27, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

PROJECT FACT SHEET

FAU/UF Joint Use Facility – BT-624

Florida Atlantic University

PROJECT DESCRIPTION

The project consists of a 75,000 square feet FAU/UF Joint Use Facility research laboratories, lab support, space and office space for the FAU College of Science. In addition, the facilities will comprise research and support space for UF/IFAS, office space for the FAU College of Art and Letters, and a compliment of state-of-the-art classrooms. The overall design objective for this project is to develop a facility and campus, which provides an environment for the students to interact, socialize and conduct programs to enhance their experience on the FAU Davie Campus. In addition, the new facility will be compatible with the existing east campus framework and reflect and strengthen the Davie Campus Master Plan and allow flexibility for future program growth and change.

This facility will be constructed using the construction management delivery process. For this project, the listing and naming of specialty LEED consultant and Lab consultant will be allowed on the FAUCMQS form without penalty.

This facility will be constructed using the construction management delivery process.

The Construction budget is approximately \$27,706,000.00.

SELECTION CRITERIA

Firms will be evaluated in the following areas: Experience and ability, past experience; bonding capacity; record-keeping; administrative ability; critical path scheduling expertise; cost estimating; cost control ability; quality contract capability’;

qualification of the firm’s personnel, staff and consultants; and the ability to phase a project such that key existing computer functions are kept operational throughout the project.

Experience and ability scores will be based on the following criteria:

1. Experience in projects of similar size and scope.
2. Experience in working with Universities.

SELECTION COMMITTEE

Tom Donaudy, University Architect VP for Facilities

Joyanne Stephens, Campus Vice President/Broward Campuses
Gary Perry, Dean & Professor-Charles E. Schmidt College of Science

Kevin Heinicka, Director, UF/IFAS FP&O

Vince Cucchiella, Associate Director, Facilities Planning/Broward Campuses

Reid Morgan, Director, Physical Plant/Davie

SELECTION SCHEDULE:

The anticipated schedule for selection, award, and negotiation is as follows:

Submittal Due: July 27, 2007

Shortlist Meeting: TBD

Final Interviews: TBD

Contract Negotiation: TBD

GENERAL INFORMATION

1. All applicants will be notified of the results of the short list in writing. Finalists will be informed of the interview date and time and will be provided with additional project information, if available.
2. The Selection Committee will make a recommendation to the President of the University. All finalists will be notified in writing of the President’s action. Upon approval by the President, negotiations will be conducted in accordance with Section 287.055, Florida Statutes.
3. A copy of the building program is available on our website at <http://www.fau.edu/facilities/uavp>.

FAU/UF Joint Use Facility

Davie Campus

NOTICE TO PROFESSIONAL CONSULTANTS

Florida Atlantic University, on behalf of its Board of Trustees, announces that Professional Services in the discipline of Architecture/Engineer, will be required for the project listed below:

Project No. BT-624

Project and Location: Located on Florida Atlantic University’s Davie Campus, the project consists of 75,000 square feet FAU/UF Joint Use Facility research laboratories, lab support, space and office space for the FAU College of Science. In addition, the facilities will comprise research and support space for UF/IFAS, office space for the FAU College of Art and

Letters, and a compliment of state-of-the-art classrooms. The overall design objective for this project is to develop a facility and campus, which provides an environment for the students to interact, socialize and conduct programs to enhance their experience on the FAU Davie Campus. In addition, the new facility will be compatible with the existing east campus framework and reflect and strengthen the Davie Campus Master Plan and allow flexibility for future program growth and change. The total Construction Budget is approximately \$27,706,000.00. The selected firm will provide schematic design, design development, construction documents and construction administration for the referenced project. Blanket professional liability insurance will be required for this project in the amount of \$1,000,000.00, and will be provided as a part of Basic Services.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed "Florida Atlantic University Professional Qualifications Supplement" (FAUPQS Revised January 2004). Applications on any other form may not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit 5 (five) sets of the above requested data bound in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned. The plans and specifications for the State of Florida University projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$10,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list. FAU's Professional Qualifications Supplement, Project Fact Sheet, and the approved Facilities Program are available online at <http://www.fau.edu/facilities/uavp> or by contacting: Carla C. Capeletti, Office of the University Architect and Vice President for Facilities, Florida Atlantic University, 777 Glades Road, Campus Operations Building #69, Room 101, Boca Raton, Florida 33431, (561)297-2663, Fax (561)297-0224, or e-mail ccapelet@fau.edu. For this project only, the listing and naming of specialty LEED consultant and Lab consultant will be allowed on the FAUPQS form without penalty.

Five (5) bound sets of the required proposal data shall be submitted to: Mr. Tom Donaudy, University Architect and Vice President for Facilities, at the above address, by 5:00 P.M. local time, on July 25, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

SELECTION SCHEDULE:

The anticipated schedule for selection, award, and negotiation is as follows:

Submittal Due: July 25, 2007
 Shortlist Meeting: August 14, 2007
 Final Interviews: TBD
 Contract Negotiation: TBD

GENERAL INFORMATION

1. All applicants will be notified of the results of the short listing in writing. Finalists will be informed of the interview date and time and will be provided with additional project information, if available.
2. The Selection Committee will make a recommendation to the President of the University. All finalists will be notified in writing of the President's action. Upon approval by the President, negotiations will be conducted in accordance with Section 287.055, Florida Statutes.
3. Professional liability insurance is required for this project in the amount of \$1,000,000.00.
4. A copy of the building program is available on our website at <http://www.fau.edu/facilities/uavp>.

NOTICE TO DESIGN BUILDERS

The University of Central Florida on behalf of its Board of Trustees announces that Professional Services in the discipline of Design/Build will be required for the project listed below:

Project No. UCF-530

Project and Location: Hazardous Waste Expansion, University of Central Florida, Main Campus, Orlando, Florida 32816-3020.

The project consists of the design and construction of a new facility that contains approximately 6,879 sq. ft. of office/labs/storage spaces. Square footage is subject to changed based on program verification.

The combined project cost will be approximately \$2,045,682 depending on approval of funding for planning, construction and furnishings/equipment. There will be one Design/Build contract for this project.

FORM OF PROPOSALS

It is the University's intention to have professionals in the discipline of design build to submit proposals for this project.

This facility will be the in the early planning phase in the fiscal year 2007-08. The selected Design Build firm will provide program verification, design, construction documents, and administration for the referenced project. Blanket professional liability for the design builder will be required for this project in the amount of \$500,000 and will be provided as a part of Basic Services.

Five (5) bound copies of the required proposal data shall be submitted to: Mrs. Gina Seabrook, Facilities Planning, 4000 Central Florida Blvd., Post Office Box 163020, Orlando, FL 32816-3020. Submittals must be received by 5:00 p.m. (Local

Time), on Monday, July 23, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered. Late submissions will not be accepted.

The committee members have elected not to meet with proposed firms.

INSTRUCTIONS FOR THE DESIGN BUILD FIRM

Design Build firms desiring to apply for consideration must include a letter of application and should have attached:

1. The most recent version of the Florida Board of Education "Professional Qualifications Supplement" (PQS) dated 7/03, completed by the applicant. Do not alter the PQS form.
2. A copy of the firms current Professional Registration Certificates from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.
3. The most recent version of the Florida Board of Education "Revised Construction Manager Qualifications Supplement" (CMQS) dated 02/02. Do not alter the CMQS form.

Applications that do not comply with all instructions may be disqualified. Application materials will not be returned.

Selection of finalist for interviews will be made on the basis of the Design Builder's qualifications, including experience and ability; past experience; bonding capacity; cost estimating; qualification of the firm's personnel, staff and consultants; include minority business enterprise participation. Finalists will be provided with a description of the final interview topics. The Selection Committee may reject all proposals and stop the selection process at any time.

The plans and specifications for Florida Board of Education projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.

Carefully review the Design Build contract and General Conditions Document. Submitting a proposal for this project constitutes complete agreement with and acceptance of the terms and conditions contained within these documents. These documents can be found on our website at www.fp.ucf.edu with the advertisement.

INSTRUCTIONS FOR DESIGN BUILDERS

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of

Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

DESIGN BUILD CONTRACT

The contract for Design Build will consist of two phases. Phase one will consist of the development of construction documents and the development of a Guaranteed Maximum Price (GMP) at 50% Construction Documents. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the Design Builder becomes the single point of responsibility for performance of the design and construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable GMP within the time provided in the agreement may result in the termination of the Design Builder's contract.

PROJECT FACT SHEET

Project Fact Sheet contains the selection criteria which is the primary basis for determining the shortlist. The Project Fact Sheet, Professional Qualifications Supplement forms, Construction Manager Qualifications Supplement forms, descriptive project information, and selection criteria may be obtained by contacting: Ms. Gina Seabrook, University of Central Florida, Phone (407)823-2166, Fax (407)823-5141, email: gseabroo@mail.ucf.edu, Web site: www.fp.ucf.edu.

NOTICE TO PROFESSIONAL CONSULTANTS

Florida Gulf Coast University Board of Trustees, announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project No. BR-1049
Project and Location: Addition to Student Union Building
Fort Myers, Florida

Description of Project:

Currently, the existing Student Union building is designed to include several food service facilities, a book store, a ballroom, several small meeting rooms and offices serving a variety of student services. As the student population has increased rapidly, the adequacy of such existing spaces has diminished, and the need to enlarge the building is imminent to keep with the growth of the student population. The addition to the

Student Union building will enhance the existing building by including a larger ballroom, a small theatre with tiered seating, additional conference room spaces, a student lounge area with small meeting rooms adjacent to the lounge, and additional office space for various student services.

In general, the addition to the Student Union will contain approximately 20,000 square feet and will be two stories in height to match the existing building. The design of the addition will be complimentary to the existing building.

The project will utilize the Construction Management Delivery method. The selected firm will provide design, construction documents, and administration services for the referenced project. The estimated cost of construction is approximately \$5,800,000 and the total project budget is \$7,900,000.

Instructions:

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached the following:

1. A completed Board of Regents "Professional Qualifications Supplement," dated September 1999. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit five (5) copies of the above requested data bound in the order listed above. Applications, which do not comply with the above instructions, may be disqualified. Application materials will not be returned. The plans and specifications for State University System projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontract, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplement forms, descriptive project information, and selection criteria may be obtained by contacting:

Mr. Jack Fenwick, Director of Facility Planning, 10501 FGCU Blvd., South, Fort Myers, Florida 33965-6565, Phone (239)590-1500, Fax (239)590-1505

Submittals must be received in the Facilities Planning Office, by 3:00 p.m. (Local Time), on July 16, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO PROFESSIONAL CONSULTANTS

Duval County Public Schools
 Request for Qualifications (RFQ) Professional Services
 Architect/Engineering Services

The Office of Facilities Design and Construction announces that Architect/Engineer services are required for a project entitled HVAC at Mandarin High School, No. 260 and First Coast High School, No. 265, DCSB Project No. M-87100 – Stage II, for Duval County Public Schools. The firm selected will be responsible for design, bid review and construction administration of this project having an estimated construction cost of approximately Four Million, Three Hundred Forty Thousand Dollars (\$4,340,000). The project scope shall consist of engineering and design for replacement of various identified HVAC components in the existing facilities, including air handlers, piping, ductwork and valves. Building envelope issues shall also be addressed.

Applications are to be sent to:

Duval County Public Schools
 Facilities Design and Construction

FLORIDA HOUSING FINANCE CORPORATION

Notice of Bid/Request for Proposal

The Florida Housing Finance Corporation invites all qualified entities wishing to act as Investment Manager for and on behalf of Florida Housing Finance Corporation to submit proposals for consideration. Proposals shall be accepted until 2:00 p.m. (Eastern Time), Friday, July 13, 2007, to the attention of Robin L. Grantham, Contracts Administrator, Florida Housing Finance Corporation, 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329. For questions or additional information, please contact Robin Grantham at (850)488-4197 or robin.grantham@floridahousing.org. To obtain a copy of the Request for Proposals, which outlines selection criteria and offeror's responsibilities, please submit your request to the attention of Robin L. Grantham, or you can download the Request for Proposals from the Florida Housing Finance Corporation web site at <http://www.floridahousing.org/Home/BusinessLegal/Solicitations/RequestForProposals.htm>.

Any modifications that occur to the Request for Proposals will be posted at the web site and may result in an extension of the deadline.

**FLORIDA DEVELOPMENTAL DISABILITIES
COUNCIL**

Request for Proposals (RFP)

Increasing Access to Post Secondary Experiences

The Florida Developmental Disabilities Council, Inc. (FDDC) announces the availability of a Request for Proposals (RFP). Interested parties should obtain a copy of RFP #2007-ED-6200 for specific information related to funding amounts. Copies of the RFP can be downloaded for the FDDC website (www.fddc.org) or copies may be requested by writing FDDC at 124 Marriott Drive, Suite 203, Tallahassee, FL 32301, or calling (850)488-4180, (800)580-7801 (Toll Free), 1(888)488-8633 (TDD). To register to receive electronic mail (email) notices of future RFPs, please visit our website (www.fddc.org) and click on the "RFPs" button near the top of the page, then click on the "sign up" button and follow the directions.

Students with disabilities have had limited success in Florida in graduating from high school and transitioning to post-secondary education, training or employment. Students with disabilities must have the opportunity to fully participate in university or community college curriculums, as well as the opportunity to live on campus so that they are educationally and socially better prepared for independent living and employment by living and learning in the same post-secondary educational environments as their peers without disabilities.

The project will encompass conducting a comprehensive research and analysis of current post-secondary opportunities for students with disabilities, particularly those who have earned or are working toward a special diploma. Following this research and analysis, a workgroup of stakeholders will be brought together to create an action plan for Florida. Research and analysis will be completed prior to workgroup meetings. A total of four meetings are anticipated, with supplemental conference calls, if needed. Twenty-five to thirty stakeholders will make up the workgroup, with meeting location(s) to be determined in collaboration with the Council. A final report will accompany the action plan, to be endorsed by the Council. Submission of written questions and letters of intent are encouraged of all prospective proposers. The deadline for submitting written questions and letters of intent for this RFP is Friday, July 6, 2007, by 4:00 p.m. (EDT). Letters of intent will only be accepted by fax, mail, or hand delivery. Letters of intent by email will not be accepted. All answers to written questions will be posted on the FDDC website during the week of July 23, 2007. The deadline for submitting proposals for this RFP to FDDC is Friday, August 24, 2007, by 2:00 p.m. (EDT).

Request for Proposals (RFP)

Increasing Access to Post Secondary Experiences

The Florida Developmental Disabilities Council, Inc. (FDDC) announces the availability of a Request for Proposals (RFP). Interested parties should obtain a copy of RFP #2007-EM-6300 for specific information related to funding amounts. Copies of the RFP can be downloaded for the FDDC website (www.fddc.org) or copies may be requested by writing FDDC at 124 Marriott Drive, Suite 203, Tallahassee, Florida 32301; or calling (850)488-4180; (800)580-7801 (Toll Free); 1(888)488-8633 (TDD). To register to receive electronic mail (email) notices of future RFPs, please visit our website (www.fddc.org) and click on the "RFPs" button near the top of the page, then click on the "sign up" button and follow the directions.

Unemployment is a persistent problem for individuals with disabilities. In addition to prejudice and discrimination against individuals with disabilities, many disincentives exist that present further barriers to employment. Individuals who receive certain government benefits are limited to the amount of income they can earn or risk loss of benefits. Often the amount earned is very small compared to the potential loss of benefits, such as medical care and medications, residential care and support.

Mr. William C. Farris is an individual with developmental disabilities who after becoming employed was terminated from the Home and Community Based Service (HCBS) Medicaid Waiver Program, as he earned more money than was allowable under government regulations. On November 8, 2006, the State of Florida First District Court of Appeal affirmed the termination of Mr. Farris' eligibility, leaving him unable to maintain his independence in the community and heralding the potential loss of services for other individuals similarly situated. The case is referred to as *Farris v Department of Children and Family Services (DCF)*.

A full review and analysis of the ramifications of the Farris case is needed to understand the potential impact of the ruling, to identify areas where disincentives for independence and self-sufficiency exist and explore how they can be eliminated. Further, information is needed by individuals with developmental disabilities and those who support them in understanding where disincentives exist and how to avoid the loss of benefits. To begin this process, the Employment Task Force is seeking a contractor to develop a "White Paper" to address these issues and make recommendations to the Council regarding the removal of work disincentives and in consumer education.

Submission of written questions and letters of intent are encouraged of all prospective proposers. The deadline for submitting written questions and letters of intent for this RFP is Friday, July 6, 2007, by 4:00 p.m. (EDT). Letters of intent will

only be accepted by fax, mail, or hand delivery. Letters of intent by email will not be accepted. All answers to written questions will be posted on the FDDC website during the week of July 23, 2007. The deadline for submitting proposals for this RFP to FDDC is Friday, August 20, 2007, by 2:00 p.m. (EDT).

PETER R. BROWN CONSTRUCTION

Notice of Request for Proposals
School District of Hillsborough County
Bevis Elementary School 12-Classroom Addition
Hillsborough County, Lithia, FL

Peter R. Brown Construction, Inc. (CGC-061419) is currently soliciting qualified subcontractors for the Bevis Elementary School 12-Classroom Addition in Lithia, FL.

The Scope of Work for this project is as follows:

The construction of a new 12,000 sq. ft. 12-classroom building on an existing elementary school campus and related site work. The building structure shall be concrete masonry exterior walls with a painted stucco finish and a metal joist and deck system. The interior of the building includes painted concrete masonry walls, acoustical ceilings, VCT along with standard School District of Hillsborough County finishes and accessories. The mechanical system consists of interior package units in each classroom and exhaust fans in each bathroom. Each classroom shall have a bathroom with standard School District of Hillsborough County fixtures and accessories. The electrical and low voltage system will tie into the school's existing systems. Systems include fire alarm, communications/data, clock, intercom and CATV.

Please Note: The Jessica Lunsford Act will be in effect for this project.

A pre-proposal meeting will be held at 10:00 a.m. (Local Time), Wednesday, June 27, 2007 (attendance is strongly encouraged) at the following location:

Bevis Elementary School
(Check-in at Front Office)
5720 Osprey Ridge Drive
Lithia, FL 33547

Deadline for receipt of All Proposal Packages has been set for 2:00 p.m., on July 12, 2007. Only proposals received on or before the time and date listed will be considered. All proposals received after 2:00 p.m., on the day specified above, will be returned unopened.

All interested subcontractors must be pre-qualified or have completed the pre-qualification process within the last year. Please contact the following person to obtain information or documents about the pre-qualification requirements for this project:

Jenny Sanchez, Estimating Assistant
Phone: (727)535-6407, Fax: (727)539-8485

The School District of Hillsborough County and Peter R. Brown Construction, Inc. are committed to provide equal opportunity and strongly encourage all interested M/WBE and SBE firms to submit proposals.

One set of plans and specifications will be supplied to all pre-qualified trade contractors at no cost. Trade contractors are responsible for the cost of shipping. Additional sets may be purchased directly from the copy center. Copy center information will be distributed with the Proposal Packages.

The School District of Hillsborough County and Peter R. Brown Construction, Inc. reserve the right to accept or reject any and all proposals in whole or part and to waive informalities and irregularities.

No verbal instruction or directives will be accepted regarding this project during the proposal period. All instructions or directives must be clarified through written Addenda or Supplements. All questions regarding the work should be directed to the Construction Manager, in writing by July 3, 2007. The Owner and Architect will not accept calls regarding this project.
