NOTICE TO PROFESSIONAL ENVIRONMENTAL CONSULTANTS

Florida A&M University (FAMU), announces that continuing professional services for certain projects are required in the following discipline: Environmental Consultant

Projects included in the scope of this agreement will be specific projects for renovations, alterations, and additions that have a basic construction budget estimated to be \$1,000,000 or less, or studies for which the fee for professional services is \$100,000 or less. Campus Service contracts for Continuing Contract projects provide that the consultant will be available on an as-needed basis for the upcoming fiscal year, July 1 - June 30. The consultant receiving the award will not have an exclusive contract to perform services for these projects. The University may have additional campus service professionals under contract during the same time period.

Firms desiring to provide professional services shall apply by letter specifying the discipline for which they are applying. Proximity of location will be a prime factor in the selection of the firm.

Attach to each letter of application:

- 1. A completed "Professional Qualifications Supplement" (PQS); form is to be obtained from the FAMU Facilities Planning and Construction Office. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit Eight (8) ring, comb or spiral (no hard, solid or tack) bound copies of the requested data in the order listed above. Applications which do not comply with the above instructions will not be considered. Application material will not be returned.

The plans and specifications for A/E projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.

Professional Qualification Supplements and selection criteria may be obtained by contacting: Sam Houston, Planning Director, Facilities Planning and Construction Office, e-mail: samuel.houston@famuedu.edu, Phone: (850)599-8001, or by Faxing a request to (850)561-2289.

Submittals must be received in the office of Facilities Planning and Construction, Florida A&M University, Plant Operations Facility, Building A, Suite 100, 2400 Wahnish Way, Tallahassee, FL 32307, Attn: Samuel J. Houston, Planning Director, by 12:00 p.m. (Noon) local time, on November 16, 2007. Facsimile (FAX) or E-Mail submittals are not acceptable and will not be considered.

Request for Statement of Interest
Emergency Repair and Maintenance of

Class 1 Railroad For the New River Bridge Rail Corridor

The South Florida Regional Transportation Authority (SFRTA), an agency of the State of Florida, operates Tri-Rail, a seventy-two (72) mile commuter railroad with eighteen (18) stations in Miami-Dade, Broward, and Palm Beach Counties. SFRTA is seeking contractor responses to determine the current market availability of railroad track repair and maintenance contractors for the New River Bridge Rail Corridor (approximately 3 route miles located between Mile Posts 1013.3 and 1015.8). All repair and maintenance work will be performed on an as needed basis for SFRTA.

This segment of track consists of a double main line newly constructed in 2006 of 136# continuously welded rail on concrete ties with Pandrol Safelok fasteners on trap rock ballast. At the south end there is a transition from 136# rail to 115# rail on timber ties fastened with cut spikes. In the northerly 1.5 mile portion, the track is constructed on a concrete deck bridge over the New River with grades up to 3% on each approach. The southerly portion is mostly on level grade. There are no turnouts or switches within the track limits. There is one set of Portec standard glued insulated joints in each track at approximately milepost 1014.5.

Potential Contractors must have the ability to repair and maintain all aspects of railroad track for Class 1 Railroads. Due to the emergency nature of the work, Contractors must have the ability to mobilize within one hour of notification by SFRTA. Contractors must also be familiar with all applicable Federal Railroad Administration (FRA) and CSXT standards in relation to the work required. All track will be repaired and

maintained to Class 4 of the FRA Track Safety Standards. Contractors must also be able to meet the necessary insurance requirements.

THIS REQUEST FOR STATEMENT OF INTEREST IS NOT A FORMAL SOLICITATION.

Statements of Interest must be received by close of business Friday, October 26, 2007. Please address to:

Robert Becker, Contracts Specialist
South Florida Regional Transportation Authority
800 N. W. 33rd Street
Pompano Beach, FL 33064

Should there be any questions regarding this Request for Statement of Interest, please contact the undersigned at (954)788-7911.
