STATE OF FLORIDA
DEPARTMENT OF COMMUNITY AFFAIRS
In re: CITY OF MARATHON LAND
DEVELOPMENT REGULATIONS
ADOPTED BY ORDINANCE NO. 2007-14

FINAL ORDER

The Department of Community Affairs (the “Department”) hereby issues its Final Order, pursuant to § 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006), partially approving and partially rejecting a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

- 1. The Florida Keys Area is a statutorily designated area of critical state concern, and the City of Marathon is a local government within the Florida Keys Area.
2. On August 24, 2007, the Department received for review City of Marathon (“City”) Ordinance No. 2007-14 (“Ord. 2007-14”).
3. The purpose of Ord. 2007-14 is to amend and restate the City’s previously existing Land Development Regulations (“LDR”) applicable to the Interim Comprehensive Plan with revised LDRs specific to the City’s adopted and approved Comprehensive Plan as required by § 163.3202, Fla. Stat. (2006). Ord. 2007-14 amends and restates Chapters 103, 104, 106, and 107 of the LDRs of the City of Marathon City Code, and provides for the repeal of all code provisions and ordinances inconsistent with Ord. 2007-14.
4. In Final Order No. DCA07-087, the Department found the previously proposed LDRs, with the exception of Sections 104.01, 106.27 and 106.38, consistent with the Principles for Guiding Development as set forth in § 380.0552(7), Fla. Stat. Ord. 2007-14 is in response to the Department’s Final Order No. DCA 07-087, and intended to address other issues that have arisen in the interim period. Ord. 2007-14 amends and restates Chapter 103 – Zoning Districts; Chapter 104 – Specific Use Regulations; Chapter 106 – Natural and Historic Resources Protection; and Chapter 107 – General Development Standards; of the City’s LDRs. With the exception of the specifically identified portions of Table 103.15.2 and Section 104.01, the remaining Chapters are consistent with the City’s Comprehensive Plan.
5. Table 103.15.2 is amended to include density for affordable housing within the Residential Low (RL) zoning designation and is inconsistent with the City of Marathon Comprehensive Plan Table 1-1, Future Land Use Densities and Intensities, allocating zero units per acre for affordable housing for the Residential Low Future Land Use Category.

6. Section 104.01 Level of Review for Use applicable to (1) a Group Home, and (2) Hotels or Motels is inconsistent with the City’s Comprehensive Plan, Objective 1-3.5 Manage Growth Rate within the City, Policy 1-3.5.4 Residential Building Permit Allocation System, and Section 110 of the LDRs providing a definition of a dwelling unit. Data and analysis accompanying the above referenced Section 104.01 Level of Review for Use provisions, Group Home and Hotels or Motels was found insufficient.

CONCLUSIONS OF LAW

7. The Department is required to approve or reject land development regulations that are enacted, amended or rescinded by any local government in the Florida Keys Area of Critical State Concern. § 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006).
8. The City of Marathon is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Fla. Stat. (2006) and Rule 28-29.002 (superseding Chapter 27F-8), Fla. Admin. Code.
9. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2006). The regulations adopted by Ord. 2007-14 are land development regulations.
10. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the “Principles”) as set forth in § 380.0552(7), Fla. Stat. See Rathkamp v. Department of Community Affairs, 21 F.A.L.R. 1902 (Dec. 4, 1998), aff’d, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
11. Those portions of Ord. 2007-14 identified as Table 103.15.2 and Section 104.01 Levels of Review of Uses: Group Homes, Hotels or Motels, are inconsistent the following Principle:
 - (a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.
 - (e) To limit the adverse impacts of development on the quality of water throughout the Florida Keys.
12. Ord. 2007-14 with the exception of specifically identified portions of Table 103.15.2 and Section 104.1 Levels of Review of Uses: Group Homes, Hotels or Motels is consistent with the City’s Comprehensive Plan and consistent with the following Principles:
 - (b) To protect shoreline and marine resources, including mangroves, coral reef formations, seagrass beds, wetlands, fish and wildlife, and their habitat.

(c) To protect upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife and their habitat.

(k) To provide adequate alternatives for the protection of public safety and welfare in the event of a natural disaster or manmade disaster and for a post disaster reconstruction plan.

(l) To protect the public health, safety, and welfare of the citizens of the Florida Keys and maintain the Florida Keys as a unique Florida Resource.

13. With the exception of Table 103.15.2 and Section 104.01, Levels of Review of Uses: Group Homes, Hotels or Motels, Ord. 2007-14 is not inconsistent with the remaining Principles and is consistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that, with the exception of specifically identified portions of Table 103.15.2 and Section 104.01, Levels of Review of Uses: Group Homes, Hotels or Motels, Ord. 2007-14 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED. Specifically identified Table 103.15.2 and Section 104.01 are found to be inconsistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and are hereby REJECTED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

In re: MONROE COUNTY LAND
DEVELOPMENT REGULATIONS
ADOPTED BY MONROE COUNTY
ORDINANCE NO. 035-2007

FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Monroe County is a local government within the Florida Keys Area.
2. On August 29, 2007, the Department received for review Monroe County Ordinance No. 035-2007 ("Ord. 035-2007"), adopted by Monroe County on July 18, 2007.
3. This Ordinance does repeal the current Sections 9.5-174 through 9.5-174 of the Monroe County Code. Ord. 035-2007 does add provisions 9.5-171 through 9.5-179 to the Monroe County Code. The purpose of this Ordinance is to provide additional guidance to applicants and County staff for processing Beneficial Use Determination applications and to provide a non-judicial procedure by which a property owner may seek relief from the literal application of applicable Plan and LDR provisions including but not limited to setbacks, buffer yards and clustering when such application is alleged to have the effect of denying all economically reasonable use of the property.
4. Ordinance 035-2007 is consistent with the 2010 Monroe County Comprehensive Plan.

CONCLUSIONS OF LAW

5. The Department is required to approve or reject land development regulations that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. § 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006).

6. Monroe County is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Fla. Stat. (2006) and Rule 28-29.002 (superseding Chapter 27F-8), Fla. Admin. Code.
7. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2006). The regulations adopted by Ord. 035-2007 are land development regulations.
8. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in § 380.0552(7), Fla. Stat. See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff'd*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
9. Ord. 035-2007 promotes and furthers the following Principles:
 - (a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.
 - (d) To ensure the maximum well-being of the Florida Keys and its citizens through sound economic development.
 - (l) To protect the public health, safety, and welfare of the citizens of the Florida Keys and maintain the Florida Keys as a unique Florida Resource.
10. Ord. 035-2007 is consistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that Ord. 035-2007 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

The Florida Agency for Health Care Administration (the Agency), Bureau of Medicaid Program Analysis, provides the following public notice regarding reimbursement for nursing home facilities participating in the Florida Medicaid Program. **PURPOSE:** To comply with federal public notice requirements in Section 1902(a)(13)(A) of the Social Security Act in changing reimbursement for nursing home facilities, the Agency is publishing the final rates, the methodologies underlying the establishment of such rates, and justifications for the final rates. The Agency has amended its Title XIX Long-Term Care Reimbursement Plan (The Plan) to incorporate changes to the reimbursement methodology.

FINAL RATES: The purpose of the amendment was to incorporate changes to the Florida Title XIX Long-Term Care Reimbursement Plan payment methodology effective January 1, 2007.

1. The certified nursing assistant staffing ratio has been modified in accordance with Section 400.23(3), Florida Statutes, and the 2006-07 General Appropriations Act, House Bill 5001, Specific Appropriation 243, effective January 1, 2007.
2. Effective April 25, 2007, in compliance with the Department of Administrative Hearings (DOAH) Case No. 06-3489RX, the low occupancy adjustment is no longer applicable.

METHODOLOGIES: The methodology underlying the establishment of the final rates for Medicaid nursing facilities are rates resulting from the revised methodology used to calculate per diem rates in the Title XIX Long-Term Care Reimbursement Plan. **JUSTIFICATION:** The justification for the final rate change is Section 400.23(3), Florida Statutes, and the 2006-07 General Appropriations Act, House Bill 5001, Specific Appropriation 243 and DOAH Case No. 06-3489RX.

The Agency has implemented the above changes effective January 1, 2007. Providers, beneficiaries and their representatives, and other concerned state residents may provide written comment on the final rates, methodologies and justification underlying the establishment of such changes. Written comments may be mailed to: Edwin Stephens, Agency for Health Care Administration, 2727 Mahan Drive, Building 3, Mail Stop 21, Tallahassee, Florida 32308 or emailed to stephene@ahca.myflorida.com.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Notices for the Department of Environmental Protection between December 28, 2001 and June 30, 2006, go to <http://www.dep.state.fl.us/> under the link or button titled "Official Notices."

The Department of Environmental Protection gives notice of its intent to grant a water quality criteria exemption for the aesthetically based secondary drinking water standard for color (standard 15 color units, exemption limit 50 color units), and for the Florida primary drinking water standard for sodium (standard 160 mg/L, exemption limit 300 mg/L) to the Manatee County Public Works Department, Mr. Daniel T. Gray, Utilities Operation Director. The water quality criteria exemption is for the reclaimed water aquifer storage and recovery (ASR) project at the Manatee County Southwest

Regional Wastewater Treatment Plant (WWTP). The exemption is granted for the duration of the Manatee County Southwest Regional WWTP reclaimed water ASR-1 Class V well construction permit, and subsequent construction permits issued by the Department to allow operational testing of this ASR well. Future exemptions must be petitioned for by the applicant in conjunction with a construction permit for any other ASR well or operation permit for any ASR project at this site. The ASR facility is located at the Manatee County Southwest Regional WWTP, 5101 65th Street, West, Bradenton (Manatee County), Florida.

A person whose substantial interests are affected by the Department's proposed exemption decision may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57 of the Florida Statutes. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, within 21 days of the date of this notice. The petitioner must mail a copy of the petition to the applicant Mr. Daniel T. Gray, Utility Operations Director, 4410 66th Street West, Bradenton, Florida 34210, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, of the Florida Statutes, or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will only be at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205 of the Florida Administrative Code.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

- (a) The name, address, and telephone number of each petitioner; the name, address, and telephone number of the petitioner's representative, if any; the Department case or identification number and the county in which the subject matter or activity is located;
- (b) A statement of when and how each petitioner received notice of the Department action;
- (c) A statement of how each petitioner's substantial interests are affected by the Department action;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A statement of facts that the petitioner contends warrant reversal or modification of the Department action;

(f) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle the petitioner to relief; and

(g) Demand for relief (sought by the petitioner, stating precisely the action that the petitioner wants the Department to take).

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department on the petitions have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available for this proceeding.

The application is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, Bob Martinez Center, 2600 Blair Stone Road, Room 212E, Tallahassee, Florida 32399-2400.

The Department of Environmental Protection gives notice of its intent to grant a variance under Section 403.201, F.S., from the provisions of Rule [e.g., 62-4.244(5)(c)], F.A.C., to Indian River County Board of Commissioners, 1840 25th Street, Vero Beach, Florida, 32960, (File No. 0166929-011-EV) to allow to allow a 1,000 meter mixing zone down current from the dredge site and 150 meters offshore of the beach disposal site during dredging and disposal operations associated with the beach restoration project. The requested mixing zone variance is to be authorized for activities occurring within Indian River County Sectors I and II and the offshore borrow area. The Department's file on this matter is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, 5050 W. Tennessee St., Bldg. B, Tallahassee, FL 32304, telephone: (850)414-7798, Stephanie Gudeman.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57 of the Florida Statutes. The petition must contain the information set forth below and must be filed (received) by the clerk) in the

Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000.

Mediation under Section 120.573, F.S. is not available.

Because the administrative hearing process is designed to redetermine final agency action on the application, the filing of a petition for an administrative hearing may result in a modification of the agency action or even a denial of the application. If a sufficient petition for an administrative hearing or request for an extension of time to file a petition is timely filed, this agency action automatically becomes only proposed agency action on the application, subject to the result of the administrative review process. Accordingly, the applicant is advised not to commence construction or other activities in accordance with this variance until the deadlines noted below for filing a petition for an administrative hearing, or request for an extension of time has expired.

Under subsections 28-106.111(3) and 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect.

In the event that a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Any intervention will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

In accordance with subsection 28-106.111(2) and paragraph 62-110.106(3)(a), F.A.C., petitions for an administrative hearing by the applicant must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first.

Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; and (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action; including an explanation of how the alleged facts relate to the specific rules or statutes; and (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C. Under Sections 120.569(2)(c) and (d), F.S., a petition for administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This action is final and effective on the date filed with the Clerk of the Department unless a petition is filed in accordance with the above. Upon the timely filing of a petition this order will not be effective until further order of the Department.

This variance constitutes an order of the Department. The applicant has the right to seek judicial review of the order under Section 120.68, Florida Statutes, by the filing of a notice of appeal under Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida, 32399-3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the final order is filed with the Clerk of the Department.
