NOTICE OF RECEIPT OF PETITION FLEMING ISLAND PLANTATION COMMUNITY DEVELOPMENT DISTRICT

On April 29, 2008, the Florida Land and Water Adjudicatory Commission ("FLWAC" or "Commission") received a petition to amend the boundaries of the Fleming Island Plantation Community Development District (the "District"). The Commission will follow the requirements of Chapter 42-1, Florida Administrative Code (F.A.C.), as amended, and Chapter 190, Florida Statutes (F.S.), as amended, in ruling on this petition.

SUMMARY OF CONTENTS OF PETITION: The petition, filed by the Fleming Island Plantation Community Development District, requests the Commission amend the boundaries of the district. The District currently covers approximately 1,580 acres of land located in Clay County, Florida. The petition proposes to delete approximately 17 acres from the District. After contraction, the District will encompass a total of approximately 1,563 acres. A general location map is contained as Exhibit 1 to the petition depicting the existing District and the location of the parcels to be removed from the District. The Petitioner has obtained written consent to amend the boundary of the District from the owners of 100% of the real property located within the contraction parcels. The owners of land within the contraction parcels are the Clay County School Board, Centex Homes, and New Grace Church, Inc. The favorable action of the District Board of Supervisors constitutes consent for all other lands pursuant to Section 190.046(1)(e), F.S.

SUMMARY OF ESTIMATED REGULATORY COSTS: The statement of estimated regulatory costs (SERC) supports the petition to amend the boundaries of the District. The complete text of the SERC is contained as Exhibit 8 to the petition. The requirements for a SERC are found in Section 120.541(2), F.S. A SERC must contain (a) a good faith estimate of the number of individuals and entities likely to be required to comply with the rule, together with a description of the types of individuals likely to be affected by the rule; (b) a good faith estimate of the costs to the agency, and to any other state and local government entities, of implementing and enforcing the proposed rule, and any anticipated effect on state or local revenues; (c) a good faith estimate of the transactional costs likely to be incurred by individuals and entities, including local governmental entities, required to comply with the requirements of the rule; (d) an analysis of the impact on small businesses as defined by Section 288.703, F.S., and an analysis of the impact on small counties and small cities as defined by Section 120.52, F.S.; (e)

any additional information that the agency determines may be useful; and (f) any good faith written proposal submitted under section (a) and either a statement adopting the alternative or a statement rejecting the alternative in favor of the proposed rule. Addressing section (a), the District, the State of Florida and its residents, Clay County and its residents, current property owners of lands within the boundaries of the proposed District and future property owners are the principal entities that are likely to be required to comply with the rule. Under section (b), FLWAC and the State of Florida will incur administrative costs. Clay County may incur costs resulting from the initial review and on-going costs resulting from the on-going administration of the District. There is a \$15,000 filing fee paid to Clay County to offset any costs it may incur. Adoption of the proposed rule to amend the boundaries of the District will not have any negative impact on State and local revenues. Addressing section (c), the District may levy non-ad valorem special assessments on properties within its boundaries to finance infrastructure that the District funds and to defray the costs of operating and maintaining the infrastructure and associated community facilities. The District may issue notes, bonds, or other indebtedness to fund its improvement program. Prospective future land owners would be required to pay off such indebtedness over time in the form of non-ad valorem special assessments or other rates, fees or charges. The District may also impose an annual levy for the operation and maintenance of the District. Under section (d), approval of the petition to amend the boundaries of the District will have no impact or a positive impact on small businesses. The petition to amend the boundaries of the District will not have an impact on small counties as Clay County is not a small county as defined by section 120.52, F.S. Under section (e), no written proposal, statement adopting an alternative or statement of the reasons for rejecting an alternative has been submitted.

NOTICE OF PUBLIC HEARING

YOU ARE HEREBY NOTIFIED THAT on the 28th day of August, 2008, at 9:00 a.m. (or as soon thereafter as the same may be heard), a public hearing (the “Hearing”) will be held at the offices of Nabors, Giblin & Nickerson, P.A., 2502 Rocky Point Drive, Suite 1060, Tampa, Florida 33607, with respect to the issuance by the Florida Local Government Finance Commission (the “Issuer”) of its Florida Local Government Finance Commission Pooled Commercial Paper Notes, Series B (the “Notes”) on the proposed issuance by the Manatee County Port Authority (the “Port Authority”) Revenue Note, Draw No. A-3-2 in the principal amount of not exceeding \$10,000,000 and the loan of the proceeds thereof (the “Port Loan”) to the Authority. The Hearing will be conducted by Counsel to the Issuer.

The Port Authority now owns, operates and maintains a navigable port of entry known as the “Port Manatee” including storage, dockage and terminal facilities, an administrative building, warehouses, docks, jetties, quaywalls, slips, roadways and parkways and other facilities, by means of which general import and export, storage and passenger cruise line businesses are conducted (herein collectively, the “Port Facilities”). The Port Authority owns all improvements to the Port Facilities to be refinanced with the Notes.

The proceeds of the Notes in the amount of \$10,000,000 will be loaned to the Port Authority and applied to refinance an existing Loan of the Port Authority, the proceeds of which were used to finance a portion of the cost of any of the following capital improvements:

Intermodal Transit Warehouse. Construct an intermodal transit warehouse of approximately 145,000 square feet to be located east of Berth 9 and north of South Dock Street at Port Manatee.

Channel and Harbor Dredging. The Notes do not constitute a general indebtedness or obligation of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be generally payable from and secured by the loan repayments made by the Port Authority to the Issuer pursuant to the Port Loan. The Port Loan is payable from and secured by revenues of the Port Authority and will also be secured by a covenant of the County to budget and appropriate non-ad valorem revenues whenever the other sources are insufficient or unavailable.
