**ANNOUNCEMENT 2009-2010  
FLORIDA AQUACULTURE REVIEW COUNCIL  
REQUEST FOR STATEMENTS OF INTEREST**

The Florida Aquaculture Review Council (ARC) hereby announces a request for statements of interest to perform aquaculture projects. Statements of interest will be reviewed by the ARC and selected investigators invited to submit full proposals. The source of funding for projects will be a State of Florida Legislative appropriation. No dollar amount is currently set aside for aquaculture projects. Funding for projects selected by the ARC is not guaranteed.

Statements of interest must fulfill a need that is identified in the Florida Aquaculture Plan with a strong interest in the area of aquaculture education.

Appropriate forms for the Statement of Interest are available by contacting: Kim Norgren, Division of Aquaculture, 1203 Governors Square Boulevard, Tallahassee, Florida 32301, (850)488-4033, or e-mail [norgrek@doacs.state.fl.us](mailto:norgrek@doacs.state.fl.us). The deadline for submitting completed Statement of Interest forms is 5:00 p.m., February 29, 2008.

**DEPARTMENT OF EDUCATION**

**REQUEST FOR QUALIFICATIONS (Construction)**

The University of Florida Board of Trustees announces that General Contractor services will be required for the project listed below:

**PROJECT: UF-155, Martin H. Levin Advocacy Center (Gainesville, Florida)**

**SCOPE OF WORK:** This project entails the construction of a new 20,000 gross square foot courtroom facility at the Levin College of Law. The scope of work includes sitework, site utilities work, and all elements of vertical construction and fixed furnishings. Building envelope and mechanical + electrical systems will be independently commissioned, and Silver LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory. The estimated cost of construction is between \$4,000,000 and \$5,000,000.

Generally, the work is expected to commence in April 2008 and be completed by February 2009. Once pre-qualified, bidders will be given instructions for obtaining copies of the Conformed Bid Documents and allowed approximately 30 days to develop firm fixed prices for the base bid and additive alternate scopes of work. A pre-bid meeting with the architect/engineer will likely be held during this bidding period to clarify technical questions and allow bidders a chance to familiarize themselves with the site.

Work on an active campus, coupled with a limited area for parking and materials staging, will present logistical challenges to the contractor. Applicants unfamiliar with work at the University of Florida (UF) are strongly urged to familiarize themselves with the UF Design and Construction Standards,

the UF General Terms and Conditions, template UF contracts, and other materials available on the Facilities Planning & Construction (FP&C) website at [www.facilities.ufl.edu](http://www.facilities.ufl.edu). At the time of application, the applicant must be licensed to practice as a general contractor in the State of Florida and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

**PROPOSAL:** The method of delivery is design-bid-build (also known as "hard bid"), with an enhanced pre-qualification process due to the nature of the work. The following criteria shall be used to pre-qualify potential bidders:

1. Past Performance
2. Qualifications and Experience
3. Financial Standing (including bonding capacity)
4. Workload
5. Safety Record

Interested applicants shall retrieve the detailed Pre-Qualification Instructions and all relevant proposal forms from the FP&C website listed above. The pre-qualification proposal shall consist of a completed Statement of Qualifications form, a copy of the applicant's contracting license, proof of the applicant's corporate status in Florida (if applicable), proof of applicant's bonding capacity, resumes, and other information as outlined in the Pre-Qualification Instructions. Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned, and the University may reject all proposals and stop the selection process at any time.

**PRE-PROPOSAL MEETING:** A mandatory Pre-Proposal Meeting will be held at 10:00 a.m., on Tuesday, February 12, 2008, in Room 101 of Elmore Hall (Building 465, Division of Purchasing), Radio Road, on the UF campus. The purpose will be to generally explain the pre-qualification process, the technical scope of work, and other project parameters such as site constraints and schedule. A site visit/tour will not be included at this time, but applicants will be provided an opportunity to review the not-for-construction 100% Construction Documents (plans and specifications) in order to familiarize themselves with the scope of work.

**PRE-SUBMISSION INQUIRIES:** Submit inquiries, questions, or comments via e-mail to the University's Project Manager identified in the Statement of Qualifications instructions. All requests for information or clarification must be submitted by 5:00 p.m. (Local Time), on Wednesday, February 20, 2008. Responses to questions or comments will be posted to the UF FP&C web site. No hard copy reply will be issued.

**SUBMISSION OF QUALIFICATIONS:** Proposals – one original plus five copies, plus one electronic copy on CD-ROM – shall be submitted no later than 2:00 p.m. (Local Time), on Monday, February 25, 2008, to the UF Division of Purchasing, Elmore Hall – Building 465, Radio Road, Gainesville, FL, (352)392-1331. Late, electronic, or facsimile (FAX) submittals are not acceptable and will not be considered.

**PUBLIC ENTITY CRIMES:** As required by Section 287.133, Florida Statutes, a contractor may not submit a bid for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. Each applicant shall warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$10,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The University of Florida is an equal opportunity institution and, as such, encourages the use of Minority Business Enterprises (MBEs) in the provision of construction related services. MBEs should have a fair and equal opportunity to compete for dollars spent by the University of Florida to procure construction-related services. Competition ensures that prices are competitive and a broad vendor base is available. MBE-related information should be sent to the Division of Small Business and Vendor Diversity Relations, P. O. Box 115250, Elmore Hall, Room 106, Gainesville, Florida 32611.

**Notice of Bid/Request for Proposal**

**NOTICE TO PROFESSIONAL CONSULTANTS**

Florida State University, State of Florida, announces that professional services in the discipline of architecture will be required for the project listed below.

Project No. FS-206

Project and Location: Florida State University School  
Additions  
Florida State University School  
Tallahassee, Florida

The project consists of the design and construction of three new classroom buildings, containing four classrooms in each building and totaling approximately 20,058 gsf. The buildings will be strategically located on the existing FSU School campus, which is located at 3000 School House Road, Tallahassee, FL 32311. The construction management project delivery system will be utilized for this project. The selected firm will provide design, construction documents, and administration for the referenced project, which has a total project budget of approximately \$5,000,000, of which approximately \$3,989,000 will be used for construction. Funding for this project will be phased, with an initial project amount for Phase I of \$5,000,000. The design team will be selected to perform professional services on Phase I of the project, and upon the satisfactory performance of services for Phase I, and at the discretion of the owner, their agreement may be amended to include the performance of services for subsequent phases of the project. Blanket professional liability insurance will be required for this project in the amount of \$500,000, and will be provided as a part of Basic Services.

**INSTRUCTIONS:**

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed Florida State University "Professional Qualifications Supplement," August 8, 2003. Applications on any other form, on versions dated prior to 8/08/03 will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered in the State of Florida to practice the required profession at the time of application. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit six copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions will not be considered. Application material will not be returned.

The plans and specifications for Florida State University projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualification Supplements, descriptive project information, and selection criteria may be obtained through our website, [www.fpc.fsu.edu](http://www.fpc.fsu.edu), or by contacting: Lynetta Mills, Facilities Design and Construction, 109 Mendenhall Maintenance, Building A, Florida State University, Tallahassee, Florida 32306-4152, (850)644-2843 telephone, (850)644-8351 facsimile.

For further information on the project, contact Marvin Beard, Senior Project Manager, at the address and phone listed above. Submittals must be received at the above location, by 2:00 p.m. (Local Time), on Tuesday, February 26, 2008. Facsimile (FAX) submittals are not acceptable and will not be considered.
