FINAL ORDER

The Department of Community Affairs (the “Department”) hereby issues its Final Order, pursuant to §§ 380.05(6), Fla. Stat., and § 380.0552(9), Florida Statutes (2007), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Monroe County is a local government within the Florida Keys Area.
2. On February 4, 2008, the Department received for review Monroe County Ordinance No. 003-2008 (“Ord. 003-2008”), adopted by Monroe County on January 16, 2008.

3. The purpose of the Ordinance is to amend Section 9.5-120.5 of the Monroe County Code to extend the moratorium on New Transient Units such as Hotel Rooms, Motel Rooms, and Campground, Recreational Vehicle, and Travel Trailer Spaces until December 31, 2008 or until new land development regulations are adopted to permit new transient units.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. § 380.05(6), Florida Statutes and § 380.0552(9), Florida Statutes (2007).
5. Monroe County is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Florida Statutes (2007) and Rule 28-29.002 (superseding Chapter 27F-8), Florida Administrative Code.
6. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Florida Statutes (2007). The regulations adopted by Ord. 003-2008 are land development regulations.
7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the “Principles”) as set forth in § 380.0552(7), Florida Statutes. See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff’d*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
8. Ord. 003-2008 promotes and furthers the following Principles:
  - (a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.
  - (b) To ensure the maximum well-being of the Florida Keys and its citizens through sound economic development.
  - (c) To limit the adverse impacts of development on the quality of water throughout the Florida Keys.
  - (d) To protect the public health, safety, and welfare of the citizens of the Florida Keys and maintain the Florida Keys as a unique Florida resource.
9. Ord. 003-2008 is consistent with the Principles for Guiding Development as a whole.
10. Ord. 003-2008 is consistent with the Monroe County Comprehensive Plan Policy 101.2.6, relating to the prohibition of new transient residential units; Goal 203, to protect and where possible enhance the health and integrity of living marine resources and marine habitat; Policy 301.2.2, to not permit new development that in

combination with all other development would significantly degrade the Level of Service below the adopted Level of Service Standards; Goal 601, to adopt programs and policies to facilitate access by all current and future residents to adequate and affordable housing; Objective 701.1, to ensure that adequate potable water and waste water treatment and distribution facilities are available to support the development at the adopted Level of Service Standards; and Policy 901.1.2, requiring the adoption of a Concurrency Management System to ensure that no permits will be issued for new development unless adequate sanitary wastewater treatment and disposal facilities necessary to support the development are available concurrent with the impacts of development.

WHEREFORE, IT IS ORDERED that Ord. 003-2008 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.
