**DEPARTMENT OF COMMUNITY AFFAIRS**

DCA Final Order No.: DCA08-OR-110A  
STATE OF FLORIDA

DEPARTMENT OF COMMUNITY AFFAIRS

In Re: MONROE COUNTY LAND DEVELOPMENT REGULATIONS ADOPTED BY MONROE COUNTY ORDINANCE NO. 002-2008

**AMENDED FINAL ORDER**

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Florida Statutes, and § 380.0552(9), Florida Statutes (2007), rejecting a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

**FINDINGS OF FACT**

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Monroe County is a local government within the Florida Keys Area.

2. On February 13, 2008 the Department received for review Monroe County Ordinance No. 002-2008 ("Ord. 002-2008"), adopted by Monroe County on January 16, 2008.
3. The purpose of the Ordinance is to adopt amendments to the text of the Monroe County Code to provide incentives to owners of mobile home parks to maintain the property as affordable housing.

**CONCLUSIONS OF LAW**

4. The Department is required to approve or reject land development regulations that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. § 380.05(6), Florida Statutes, and § 380.0552(9), Florida Statutes (2007).
5. Monroe County is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Florida Statutes (2007) and Rule 28-29.002 (superseding Chapter 27F-8), Florida Administrative Code.
6. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Florida Statutes (2007). The regulations adopted by Ord. 002-2008 are land development regulations.
7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in § 380.0552(7), Florida Statutes See Rathkamp v. Department of Community Affairs, 21 F.A.L.R. 1902 (Dec. 4, 1998), aff'd, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
8. Ord. 002-2008 allows for the transfer of market rate Rate of Growth Ordinance (ROGO) exempt allocations off-site to receiving properties in exchange for maintaining an equal or greater number of deed restricted affordable dwelling units within Monroe County with the sender site either donated or sold to Monroe County, or appropriately deed-restricted. Monroe County would assign affordable housing ROGO allocations from the ROGO pool to the mobile home park in exchange for the underlying land or appropriate long-term deed-restriction.
9. Ord. 002-2008 fails to properly address the transfer of ROGO exempt units and does not limit the receiver sites to Tier III or IIIA properties identified in Section 9.5-120.3, Land Development Regulations, to ensure that no clearing of habitat is required. Ord. 002-2008 fails limit the receiver sites of the ROGO exempt units to areas not located within a Velocity Zone. Ord 002-2008 is inconsistent with the following Principles:

(a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.

(b) To protect shoreline and marine resources, including mangroves, coral reef formations, seagrass beds, wetlands, fish and wildlife, and their habitat.

(c) To protect upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife and their habitat.

(i) To limit the adverse impacts of public investments on the environmental resources of the Florida Keys, protect the public health, safety, and welfare of the citizens of the Florida Keys and maintain the Florida Keys as a unique Florida resource.

10. Ord. 002-2008 is inconsistent with the following provisions of the 2010 Monroe County Comprehensive Plan:

Policy 101.5.8

Policy 101.5.8 states Monroe County may develop a program, called Transfer of ROGO Exemption (TRE), that would allow for the transfer off-site of dwelling units, hotel rooms, campground/recreational vehicle spaces and/or mobile homes to another site in the same ROGO sub-area, provided that they are lawfully existing and can be accounted for in the County's hurricane evacuation model. In addition, the receiver site shall be located within a Tier III area outside a designated Special Protection Area and for a receiver site on Big Pine Key and No Name Key; the sending site shall also be located on one of those two islands.

Policy 101.14.1

Monroe County shall discourage developments proposed within the Coastal High Hazard Area (CHHA).

Objective 102.8

Monroe County shall take actions to discourage private development in areas designated as units of the Coastal Barrier Resources System.

Policy 102.8.1

Monroe County shall discourage developments which are proposed in units of Coastal Barrier Resources System (CBRS)

11. Ord. 002-2008 is inconsistent with Policy 205.2.2 because it fails to restrict transfer of development to Tier III in order to discourage the clearing of habitat.

Policy 205.2.2

Monroe County shall discourage developments in Tier I and within tropical hardwood hammock or pinelands of one acre or more in area to protect areas of native upland vegetation.

12. Ord. 002-2008 is inconsistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern and Monroe County's Comprehensive Plan.

WHEREFORE, IT IS ORDERED that Ordinance No. 002-2008 is found to be inconsistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is found to be inconsistent with the Monroe County Comprehensive Plan, and is hereby REJECTED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

DONE AND ORDERED in Tallahassee, Florida.
