Notices for the Department of Environmental Protection between December 28, 2001 and June 30, 2006, go to <http://www.dep.state.fl.us/> under the link or button titled "Official Notices."

The Department of Environmental Protection (Department) gives notice of its intent to issue a variance (File No. 0155875-022-EV-VE) to Mosaic Fertilizer, L.L.C. (Mosaic), Post Office Box 2000, Mulberry, Florida 33860-1100, under Section 403.201(1)(a), Florida Statutes, (F.S.), from the provisions of Rule 62-302.530, Florida Administrative Code, (F.A.C.), which provides minimum standards for dissolved oxygen levels in surface waters. This variance will apply to dissolved oxygen levels in the hypolimnion (the deepest layer) in the 24.5-acre man-made lake proposed in Environmental Resource Permit No. 0155875-019, Manatee County, Section 15, Township 33 South, Range 21 East, South Fork Little Manatee River Watershed, based on the expectations for both natural and man-made deep water bodies as recognized in Section 373.414(6)(a), F.S.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received by the clerk) in the: Office of General Counsel of the Department, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000. Mediation is not available.

Under subsection 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with: Office of General Counsel of the Department, 3900 Commonwealth Boulevard,

Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect.

If a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Intervention will be permitted only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

In accordance with Section 403.201(3), F.S., petitions for an administrative hearing by the applicant must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) the name and address of each agency affected and each agency's file or identification number, if known; (b) the name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) a statement of when and how the petitioner received notice of the agency decision; (d) a statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) a concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or

modification of the agency's proposed action; (f) a statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and (g) a statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C. Under Sections 120.569(2)(c) and (d), F.S., a petition for administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This intent to issue a variance constitutes an order of the Department. Subject to the provisions of Section 120.68(7)(a), F.S., which may require a remand for an administrative hearing, the applicant has the right to seek judicial review of the order under Section 120.68, Florida Statutes, by the filing of a notice of appeal under rule 9.110 of the Florida Rules of Appellate Procedure with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the order is filed with the Clerk of the Department.

FINANCIAL SERVICES COMMISSION

Notice of Emergency Orders

Issued Pursuant to Section 252.63, Florida Statutes

The Commissioner of Insurance has issued two Emergency Orders, Case No.: 97286-08-EO and Case No.: 97309-08-EO on August 19, 2008. The Orders apply to all Health Insurers and Health Maintenance Organizations. The provisions of the Orders apply statewide in accordance with Governor Charlie Crist’s Executive Order 08-170.

Order 97286-08-EO requires the referenced entities to comply with Section 252.358, Florida Statutes, which requires early prescription refills until September 18, 2008.

Order 97309-08-EO extends the open enrollment period required by Section 627.6699, Florida Statutes (Employee Health Care Access Act), by fifteen (15) days. The open enrollment period will be from August 1, 2008 until September 15, 2008.

The Orders are narrowly tailored to address those persons and entities which were adversely affected by Tropical Storm Fay. Further, these Orders are of limited duration, and directly address the emergency conditions declared by the Governor. The Orders will facilitate the recovery from the emergency by allowing those adversely affected to have adequate supplies of prescription medications and insureds have adequate time to obtain health insurance in accordance with the Employee Health Care Access Act.

The Orders read as follows:

IN THE MATTER OF:

Emergency – Natural Disaster

Extension of Open Enrollment for Employee Health Care Access Act

CASE NO.: 97309-08-EO

Tropical Storm/Hurricane Fay

EMERGENCY ORDER

TO: All Health Insurers and Health Maintenance Organizations

THIS CAUSE having come before the Commissioner of the Office of Insurance Regulation as a result of the state of emergency created by Tropical Storm/Hurricane Fay, and being fully informed in the premises,

NOW THEREFORE, the Commissioner hereby FINDS as follows:

JURISDICTION AND FINDINGS OF FACT

1. The Office of Insurance Regulation (the “Office”) has the duty, pursuant to Section 624.307(2), Florida Statutes, to enforce the provisions of the Insurance Code (Chapters 624-632, 634,635, 636, 641, 642, 648 and 651, F.A.C., henceforth, the “Code”). The Office shall have the powers and authority expressly conferred upon it by, or reasonably implied from, the provisions of the Code, pursuant to Section 624.307(2), Florida Statutes.
2. Section 120.569(2)(n), Florida Statutes, provides that “if an agency head finds that an immediate danger to the public health, safety or welfare requires an immediate final order, it shall recite with particularity the facts underlying such finding in the final order...”

3. This Emergency Order is being issued pursuant to Sections 120.569(2)(n), 252.46 and 252.63, Florida Statutes, because the facts as stated herein demonstrate that there is an immediate threat to the public health, safety and welfare, as a result of the direct effects of the statewide impact of Tropical Storm/Hurricane Fay. Further, this Emergency Order is being issued pursuant to Section 7 of Governor Charlie Crist’s Executive Order Number 08-170, declaring a state of emergency in Florida on August 16, 2008. Executive Order Number 08-170 is attached as Exhibit 1.
4. Tropical Storm/Hurricane Fay is threatening the state, and resulting in large scale evacuations.
5. Section 627.6699, Florida Statutes provides for an open enrollment period from August 1st through August 31st each year. Due to the state of emergency, potential enrollees may not be able to timely enroll during this open enrollment period. Accordingly, in order to protect the enrollment rights of potential enrollees, the open enrollment period applicable to the Employee Health Care Access Act is extended for a period of fifteen (15) days.
6. The issuance of this Emergency Order and the procedural safeguards set forth herein are fair under the circumstances due to the potential grave harm described above. As indicated in the Notice of Rights herein, Respondents are afforded an opportunity for a review of this Order. Procedures set forth therein will afford the Respondents an opportunity to challenge these actions.

WHEREFORE, pursuant to the Florida Insurance Code and other applicable statutes, including, Sections 120.569(2)(n), 252.46(2) and 252.63 Florida Statutes, and Governor Charlie Crist’s Executive Order Number 08-170, the Office finds that as a result of the direct effects of the statewide impact of Tropical Storm/Hurricane Fay, an immediate danger to the public health, safety and welfare exists so as to require the issuance of this Emergency Order.

Accordingly, IT IS HEREBY ORDERED:

(1) The open enrollment period applicable to the Employee Health Care Access Act as set forth in Section 627.6699, Florida Statutes, will be from August 1, 2008 through September 15, 2008. The effective date for coverage

for those enrolling in the extension period, September 1, 2008 to September 15, 2008, will be no later than November 1, 2008.

(2) The provisions of this Emergency Order shall be liberally construed to effectuate the intent and purposes expressed therein and to afford maximum consumer protection.

DONE and ORDERED this 19th day of August, 2008.

Review proceedings must be instituted by filing a petition or notice of appeal with the General Counsel, acting as the Agency Clerk, 612 Larson Building, 200 East Gaines Street, Tallahassee, Florida 32399-0333, and a copy of the same with the appropriate district court of appeal, within thirty (30) days of rendition of this Order.

IN THE MATTER OF:

Emergency – Natural Disaster
 Early Prescription Refills
 CASE NO.: 97286- 08-EO
 Tropical Storm/Hurricane Fay

 EMERGENCY ORDER

TO: All Health Insurers, HMOs, and other entities regulated by the Office of Insurance Regulation that may cover prescription medications.

THIS CAUSE having come before the Commissioner of the Office of Insurance Regulation as a result of the state of emergency created by Tropical Storm/Hurricane Fay, and being fully informed in the premises,

NOW THEREFORE, the Commissioner hereby FINDS as follows:

JURISDICTION AND FINDINGS OF FACT

1. The Office of Insurance Regulation (the "Office") has the duty, pursuant to Section 624.307(2), Florida Statutes, to enforce the provisions of the Insurance Code (Chapters 624-632, 634,635, 636, 641, 642, 648 and 651, F.A.C., henceforth, the "Code"). The Office shall have the powers and authority expressly conferred upon it by, or reasonably implied from, the provisions of the Code, pursuant to Section 624.307(2), Florida Statutes.
2. Section 120.569(2)(n), Florida Statutes, provides that "if an agency head finds that an immediate danger to the public health, safety or welfare requires an immediate final order, it shall recite with particularity the facts underlying such finding in the final order..."
3. This Emergency Order is being issued pursuant to Sections 120.569(2)(n), 252.46 and 252.63, Florida Statutes, because the facts as stated herein demonstrate that there is an immediate threat to the public health, safety and welfare, as a result of the direct effects of the statewide impact of Tropical Storm/Hurricane Fay. Further, this Emergency Order is being issued pursuant to Section 7 of Governor Charlie Crist's Executive Order Number 08-170, declaring a state of emergency in Florida on August 16, 2008. Executive Order Number 08-170 is attached as Exhibit 1.
4. Tropical Storm/Hurricane Fay is threatening the state, and resulting in large scale evacuations.
5. In the ordinary course of business of health insurers and health maintenance organizations, contracts that include coverage for prescription medication have restrictions on such coverage so that covered medication is provided in thirty day batches, refillable every 30 days. Because of the storm damage, mass evacuations and the inability of many of the insureds to stay in their homes, these restrictions result in many storm victims being without the medications necessary for their health or their very lives. This Order provides temporary emergency relief to the insureds so that they are not left without their necessary medications during the remainder of this crisis.
6. The issuance of this Emergency Order and the procedural safeguards set forth herein are fair under the circumstances due to the potential grave harm described above. As indicated in the Notice of Rights herein, Respondents are afforded an opportunity for a review of this Order. Procedures set forth therein will afford the Respondents an opportunity to challenge these actions.

7. Section 252.358, Florida Statutes provides, in part, that: "All health insurers, managed care organizations, and other entities that are licensed by the Office of Insurance Regulation and provide prescription medication coverage as part of a policy or contract shall waive time restrictions on prescription medication refills, which include suspension of electronic "refill too soon" edits to pharmacies, to enable insureds or subscribers to refill prescriptions in advance, if there are authorized refills remaining, and shall authorize payment to pharmacies for at least a 30-day supply of any prescription medication, regardless of the date upon which the prescription had most recently been filled by a pharmacist..." The issuance of Executive Order 08-170 activates the provisions of Section 252.358, Florida Statutes.

WHEREFORE, pursuant to the Florida Insurance Code and other applicable statutes, including, Sections 120.569(2)(n), 252.46(2) and 252.63 Florida Statutes, and Governor Charlie Crist's Executive Order Number 08-170, the Office finds that as a result of the direct effects of the statewide impact of Tropical Storm/Hurricane Fay, an immediate danger to the public health, safety and welfare exists so as to require the issuance of this Emergency Order.

Accordingly, IT IS HEREBY ORDERED:

(1) All health insurers, HMO's and other licensees that provide prescription medication coverage as a part of any policy or contract shall, through September 18, 2008, waive restrictions on prescription medication refills to enable insureds to fill prescriptions in advance, and shall authorize payment to pharmacies for at least a thirty day supply of any prescription medication, regardless of the date upon which the prescription had most recently been filled.

(2) The provisions of this Emergency Order shall be liberally construed to effectuate the intent and purposes expressed therein and to afford maximum consumer protection.
