**DEPARTMENT OF COMMUNITY AFFAIRS**

In Re: CITY OF MARATHON LAND  
DEVELOPMENT REGULATIONS  
ADOPTED BY ORDINANCE NO. 2008-26

**FINAL ORDER**

The Department of Community Affairs (the “Department”) hereby issues its Final Order, pursuant to Section 380.05(6), Florida Statutes, and Section 380.0552(9),

Florida Statutes (2007), rejecting a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

**FINDINGS OF FACT**

1. The Florida Keys Area is a statutorily designated area of critical state concern, and the City of Marathon is a local government within the Florida Keys Area.
2. On October 30, 2008, the Department received for review City of Marathon Ordinance No. 2008-26 that was adopted by the City of Marathon Board of City Commissioners on September 23, 2008 (“Ord. 2008-26”). The purpose of Ord. 2008-26 is to amend Chapter 106 and Chapter 110 of the Land Development Regulations allowing for the distinction between riparian mangrove fringes and isolated mangrove communities on infill, landlocked lots; to allow the placement of fill into isolated mangrove communities and for shoreline development to preserve, to the maximum extent possible, riparian mangrove fringes.
3. Ord. 2008-26 is inconsistent with the City’s 2010 Comprehensive Plan: Policy 4-1.3.1 Protect, Conserve and Enhance Coastal Resources, Wetlands, Water Resources, Living Marine Resources, Wildlife Habitats and Other Natural Resources and the Environmental Health of Florida Bay, the Atlantic Ocean and All Surface and Ground Waters; Policy 4-1.2.11 Limit Development Impacts on Wetlands; Policy 4-1.2.10 Regulate Development in Wetlands through KEYWEP; Policy 4-1.3.4 Restrict Development in Wetlands; Policy 4-1.4.6 Shoreline Vegetation Trimming or Removal; and Policy 4-1.5.3 Provide for Open Space.
4. Ord. 2008-26 is inconsistent with the City’s Land Development Regulations: Table 106.16.1 Open Space Requirements by Habitat Type; Section 106.27 Jurisdiction and Delineation; and Section 106.29 General Approval Criteria.

**CONCLUSIONS OF LAW**

5. The Department is required to approve or reject land development regulations that are enacted, amended or rescinded by any local government in the Florida Keys Area of Critical State Concern. Section 380.05(6), Florida Statutes, and Section 380.0552(9), Florida Statutes (2007).
6. The City of Marathon is a local government within the Florida Keys Area of Critical State Concern. Section 380.0552, Florida Statutes (2007) and Rule 31-31.002 (superseding Chapter 27F-8), Florida Administrative Code.
7. “Land development regulations” include local zoning, subdivision, building and other regulations controlling the development of land. Section 380.031(8), Florida Statutes (2007). The regulations adopted by Ord. 2008-26 are land development regulations.

8. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in Section 380.0552(7), Florida Statutes. See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff'd*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
9. Ord. 2008-26 is inconsistent with the following Principles:
  - (a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.
  - (b) To protect upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation, (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and their habitat.
  - (c) To limit adverse impacts of development on the quality of water throughout the Florida Keys.
  - (e) To limit the adverse impacts of development on the quality of water throughout the Florida Keys.
10. Ord. 2008-26 is neutral with respect to the remaining Principles. Ord. 2008-26 is inconsistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that Ord. 2008-26 is found to be inconsistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby REJECTED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

DONE AND ORDERED in Tallahassee, Florida.

**NOTICE OF CORRECTION**

Notice is hereby given that the following correction has been made to the notice of workshop in Vol. 34, No. 51, December 19, 2008, issue of the Florida Administrative Weekly. The workshop noticed January 13, 2008 and it should have been January 13, 2009 at the same place given in the December 19, 2008 notice.

The Department of Environmental Protection gives notice of its intent to grant an exemption from the Class G-II ground water standards for color, iron, and aluminum pursuant to Rule 62-520.500, F.A.C., as part of the Class V underground injection control construction Permit Number 0198641-009-UC for the South Florida Water Management District (SFWMD), 3301 Gun Club Road, West Palm Beach, Florida 33406. The exemption is for the aquifer storage and recovery (ASR) project injecting treated surface water from the L-63N Canal into Class G-II ground water. The ASR facility is located three miles southeast of the City of Okeechobee, southwest of State Road 710 at the L-63N Canal (Taylor Creek) in Okeechobee County. The exemption is granted for the duration of SFWMD's underground injection control construction permit number 0198641-009-UC for ASR-1 and subsequent renewals of said permit, and is made a part of the permit. The applicant, in conjunction with the Permit Number 0198641-009-UC, must petition for any future exemptions for any additional ASR wells or an operation permit for any ASR project at the facility.

A person whose substantial interests are affected by the Department's proposed exemption decision may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, Florida Statutes. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Blvd., M.S. 35, Tallahassee, Florida 32399-3000, within 21 days of publication of this notice. The petitioner must mail a copy of the petition to the applicant: SFWMD, Mr. Chip Merriam, Deputy Executive Director, 3301 Gun Club Road, West Palm Beach, Florida 33406, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, Florida Statutes, or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by

another party) will only be at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

- (a) The name, address, and telephone number of each petitioner; the name, address, and telephone number of the petitioner's representative, if any; the Department case or identification number and the county in which the subject matter or activity is located;
- (b) A statement of when and how each petitioner received notice of the Department action;
- (c) A statement of how each petitioner's substantial interests are affected by the Department action;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A statement of facts that the petitioner contends warrant reversal or modification of the Department action;
- (f) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle the petitioner to relief; and
- (g) Demand for relief (sought by the petitioner, stating precisely the action that the petitioner wants the Department to take).

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department on the petitions have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available for this proceeding.

The application is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at: Department of Environmental Protection, 2600 Blair Stone Road, Room 212E, Tallahassee, Florida 32399-2400, telephone Joe Haberfeld at (850)245-8655.

On December 22, 2008, Ana M. Viamonte Ros, M.D., M.P.H., State Surgeon General, issued an Amended Order of Emergency Restriction Order with regard to the license of Douglas John Machiela, O.D. license number 2245. This Emergency Restriction Order was predicated upon the State Surgeon General's findings of an immediate and serious danger to the public health, safety and welfare pursuant to Sections 456.073(8) and 120.60(6), Florida Statutes. The State Surgeon General determined that this summary procedure was fair under the circumstances, in that there was no other method available to adequately protect the public.
