**NOTICE TO ARCHITECTS**

Architect – USF Continuing Service Provider

Florida Administrative Weekly Vol. 33, No. 14, April 6, 2007

**NOTICE TO PROFESSIONAL CONSULTANTS**

The University of South Florida announces that continuing professional services are required for the following discipline:

Architecture (Up to 2) (Sarasota-Manatee Campus with ability to include other campuses as required).

**PROJECT DESCRIPTION:**

Projects included in the scope of this Agreement will be specific projects for renovations, alterations, new construction and additions that have a basic construction budget estimated to be \$1,000,000 or less, or studies for which the fee for professional services is \$100,000 or less. Continuing Service contracts for these projects provide that the consultant will be available on an as-needed basis for an initial contract period of one (1) year with an Owner’s option to renew for one (1) additional year at a time up to a total of two (2) additional years. This selection is based upon Architectural services only. Engineering services (mechanical, electrical, structural and civil) required for specific projects shall be provided as part of basic services through the selected Architect(s) based upon project need. Use of USF continuing service engineers by the selected Architect(s) shall be encouraged. The consultant(s) receiving the award may not have an exclusive contract to perform services for these projects. The University may have additional continuing service professionals under contract during the same time period. Blanket professional liability insurance shall be required for the contract. Services required to be provided under the Continuing Services Contracts include the development of record drawings by the Continuing Service Consultant for projects designed by that consultant to reflect as-built conditions to facilitate the University’s space management program.

**INSTRUCTIONS:**

Firms desiring to provide professional services shall submit one (1) original submittal and five (5) bound copies consisting of the information as required in the “SUBMITTAL

REQUIREMENTS” of the Project Fact Sheet including a letter of interest, a completed “USF Professional Qualifications Supplement” dated March, 2007, and any required or additional information within the proposal limits. Submittals must not exceed 40 pages, including the Professional Qualifications Supplement, letter of interest, attachments and additional information. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested information may not be considered. Submittals are part of the public record and no submittal material will be returned. Applications submitted in any other format may not be considered. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida. The plans and specifications for University of South Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

**PROJECT SELECTION CRITERIA:**

Selection of finalists for interview will be made on the basis of professional qualifications, including, experience and ability, to meet the project requirements and goals and objectives of the University’s Strategic Plan, design ability, past performance, workload, volume of USF work (regardless of the contract entity at the University or funding source), and location. As part of the University of South Florida’s Strategic Plan, USF made a commitment to foster a diverse community distinguished by a shared purpose, collaboration, open and timely communication, mutual respect, trust, and inclusiveness. The University of South Florida is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises (“MBEs”) in the provision of design and construction-related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services. MBE participation information by the Architect for this contract shall be provided by the Architect in response to a request from the University’s Supplier Diversity Manager’s office. The “USF Professional Qualifications Supplement dated March 2007” and Project Fact Sheet which includes project information may be obtained by contacting: Beverly Pinder, Contracts Administrator, University of South Florida, Facilities Planning and Management, 8350 North Tamiami Trail, B128E, Sarasota, Florida 34243-2049, (941)359-4518, Fax (941)359-4494,

e-mail: [bpinder@sar.usf.edu](mailto:bpinder@sar.usf.edu). All interested firms are invited and encouraged to attend a Pre-Submittal Meeting to be held at 9:00 a.m. (Eastern Time), on Wednesday, April 1, 2009, at the: University of South Florida, Sarasota-Manatee Campus, Facilities Planning and Management, Selby Auditorium, 8350 North Tamiami Trail, Sarasota, Florida 34243-2049, to review the scope and requirements of this project. Requests for meetings by individual firms will not be granted. It shall be noted that no verbal communication shall take place between the applicants and the employees of the University of South Florida except as provided at the Pre-Submittal Meeting, the Pre-Interview Meeting and the request for the PQS and Project Fact Sheet. Requests for any project information must be in writing to the above e-mail address. The Selection Committee reserves the right to waive any irregularities and may reject all proposals and stop the selection process at any time. One (1) original and five (5) bound copies of the above requested proposal data, bound in the order listed, shall be addressed to: Richard Lyttle, Director, University of South Florida, Facilities Planning and Management, 8350 North Tamiami Trail, B128E, Sarasota, Florida 34243-2049. Applications that do not comply with the above instructions may be disqualified. Submittals must be received at the above campus address Room B128, by 2:00 p.m. (Eastern Time), Wednesday, April 15, 2009. Facsimile (FAX) or electronic submittals are not acceptable and will not be considered. The Selection Committee reserves the right to waive any irregularities and may reject all proposals and stop the selection process at any time.

#### NOTICE TO CONSTRUCTION MANAGERS

Florida Administrative Weekly Vol. 32, No. 20, May 19, 2006  
NOTICE TO CONSTRUCTION MANAGERS

The University of South Florida announces that continuing construction management services are required for the following discipline: Construction Manager (Up to 2) (Sarasota-Manatee Campus with the ability to include other campuses as required). Projects included in the scope of this agreement will be specific projects for new construction, renovations, alterations, and/or additions that have a basic construction budget estimated to be \$1,000,000 or less, or studies for which the fee for services is \$100,000 or less. Continuing Service contracts for these projects provide that the construction manager will be available on an as-needed basis for an initial period of one (1) year with an Owner's option to renew for one (1) additional year at a time up to a total of two (2) additional years. The construction managers receiving the award will not have an exclusive contract to perform services for these projects. The University may have additional continuing service construction managers under contract during the same time period. Performance and Payment Bonds shall be provided for individual projects exceeding \$100,000 and liability and worker's compensation insurance shall be required for the contract. Builder's Risk insurance may be

required for specific projects based upon need. Continuing Service projects include projects that are awarded based upon competitive proposals from Continuing Service construction managers under contract and may include projects that are negotiated individually with a specific construction manager. Services required to be provided under the Continuing Services Contracts include the recording of as-built conditions by the Continuing Service Construction Manager for projects constructed by that Construction Manager for use in developing record drawings to facilitate the University's space management program. Firms desiring to provide construction management services shall submit one original submittal and five (5) bound copies consisting of a letter of interest, a completed "USF Construction Manager Qualifications Supplement" dated May 2006 and any required additional information within the proposal limits as described in the CMQS Instructions addressing the criteria contained therein in the order listed in a clear and concise manner. Proposals must not exceed 40 pages, including the Construction Manager Qualifications Supplement and letter of application. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data may not be considered. No submittal material will be returned. Submittals become part of the public record. Selection of finalists for interview shall be made on the basis of experience, qualifications and ability to provide service. As part of the University of South Florida's strategic plan, USF made a commitment to foster a diverse community distinguished by a shared purpose, collaboration, open and timely communication, mutual respect, trust, and inclusiveness. The University of South Florida is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises ("MBEs") in the provision of design and construction-related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services. All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list. **NATIONAL JOINT POWERS ALLIANCE®**

**Invitation for Bid**

**Indefinite Quantity Construction Contract**

The National Joint Powers Alliance® (NJPA) issues this Invitation For Bid (IFB) to provide Indefinite Quantity Construction Contracting (IQCC) services to NJPA, and current and qualified NJPA government, education, and non-profit Members in the individual areas of FL01-050709, NW Florida, FL02-050709 NE Florida, FL03-050709 C Florida, FL04-050709 Sun Coast Florida, FL05-050709 SW Florida, and FL06-050709 SE Florida. It is the intention of NJPA to award multiple contracts for construction services for primarily site civil & underground construction in each of these 6 areas. Each contract has an estimate annual value of \$3,000,000 and the term of the contract is four years.

IQCC is a construction contracting procurement system that provides facility owners' access to competitively bid "on-call" general contractors to provide immediate construction services over an extended period of time.

Intending bidders are required to attend the mandatory pre-bid seminar listed immediately below for the purpose of discussing the IQCC procurement system, the contract documents, and bid forms.
