PLACE: Department of Community Affairs, Randall Kelley Training Room, 3rd Floor, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100

GENERAL SUBJECT MATTER TO BE CONSIDERED: Because of the additional accountability requirements and enhanced scrutiny associated with American Recovery and Reinvestment Act (ARRA) funding and operations in general and the Weatherization Assistance Program (WAP) in particular, DCA must be prepared to replace service providers not meeting production goals or compliance requirements quickly. To that end, DCA intends to pre-qualify service providers to step in and administer this program.

Starting with the Leon County service area, DCA is seeking to pre-qualify a public or nonprofit entity to be designated as an eligible provider to administer the American Recovery and Reinvestment Act (ARRA) Weatherization Assistance Program (WAP) in Leon County. If at the time DCA is ready to contract for ARRA WAP services the current WAP service provider is not off of probationary status, DCA will contract with the service provider who is pre-qualified by this solicitation.

Entities interested in applying to be a designated provider of these services should be present at this public meeting in order to be informed of the qualifications and application requirements.

In accordance with the U.S. Department of Energy Regulations, 10 CFR Part 440, selection of an entity will be based on the entity's experience and performance in weatherization or housing renovation activities, and in assisting low-income persons in the designated service area, and its capacity to undertake a timely and effective weatherization program. In accordance with 10 CFR Part 440.15, preference will be given to any Community Action Agency or other public or nonprofit entity which has, or is currently administering, an effective DCA-funded Weatherization Assistance Program.

The following qualities will be reviewed: (1) the extent to which the past or current program achieved or is achieving weatherization goals in a timely fashion; (2) the quality of work performed by the entity; (3) the number, qualifications, and experience of staff members employed by the entity; (4) the ability of the entity to secure volunteers, train participants and public service employment workers; and (5) the capacity to maintain compliance with administrative and financial management requirements.

Upon pre-qualification and approval of an entity for the ARRA funding, that entity must be fully capable and willing to provide services to all eligible low-income citizens in the geographic service area.

The DCA will review the submitted applications and make a decision regarding each applicant's eligibility, capability, and capacity to provide American Recovery and Reinvestment Act Weatherization Assistance Program services to Leon County. Recommendations will then be prepared by the Department staff for the selected entity for subsequent consideration and approval or disapproval by the Department's Secretary.

THE FULL TEXT OF THE PROPOSED RULE IS:

69O-163.0075 Term and Evidence of Insurance.

~~The term of insurance and evidence of insurance shall not exceed ten years subject to the following limitations:~~

(1) Credit life insurance shall not exceed ten years from the date of issue and provide coverage for at least 5 years or the term of the loan if the loan is for less than 5 years;

(2) ~~Credit disability insurance shall provide for monthly payments which are the lesser of 60 monthly payments or the number of monthly payments for the full term of the loan.~~

Rulemaking Specific Authority 624.308(1), 627.678 FS. Law Implemented 624.307(1), 627.681, 627.6785(3), 627.681(3) FS. History--New 2-11-03, Formerly 4-163.0075.

69O-163.009 Determination of Reasonableness of Benefits in Relation to Premium Charge.

(1) Section 627.682, Florida Statutes, requires that benefits provided by credit insurance policies must be reasonable in relation to the premium charged. This

requirement is satisfied if the premium rate charged develops or may be reasonably expected to develop a loss ratio of claims incurred to premiums earned of not less than:

- (a) 55% for credit life insurance, and
- (b) 50% for credit disability insurance.

(2) Use of rates not greater than those contained in Rules 69O-163.010 and 69O-163.011, F.A.C., (“prima facie rates”) shall be deemed premium rates reasonably expected to develop the required loss ratio. An insurer may only file and use rates with such forms which are greater than prima facie rates upon a satisfactory filing with the Office showing to the Director that the use of such rates will not result on a statewide basis for that insurer of a ratio of claims incurred to premiums earned of less than the required loss ratio.

(3) If an actual rate is greater than the prima facie rates, the actual rate may not exceed the prima facie rates plus the difference between:

- (a) Claims which may be reasonably expected, and
- (b) The product of the required loss ratio and the prima facie rate set forth for the coverage being provided.

(4) When some rates are based on subsection (1) above and others on the prima facie rate, the expected loss ratios of statewide business must meet the minimum loss ratio standard in subsection (1) above.

(5) Nonstandard Coverage. If any insurer files for approval of any form providing coverage more restrictive than that described in Rules 69O-163.010 and 69O-163.011, F.A.C., the insurer shall make a filing to demonstrate to the satisfaction of the Office Director that the premium rates to be charged for such restricted coverage comply with subsection (1) above or, are less than or equal to rates which are actuarially equivalent to the prima facie rates.

Rulemaking Specific Authority 624.308(1), 627.678 FS. Law Implemented 624.307(1), 627.678, 627.682 FS. History—New 5-9-82, Formerly 4-7.09, Amended 6-11-91, Formerly 4-7.009, Amended 3-15-94, 2-11-03, Formerly 4-163.009.

69O-163.011 Credit Disability Insurance Rates.

(1) Credit disability insurance premium rates for the insured portion of an indebtedness repayable in equal monthly installments, where the insured portion of the indebtedness decreases uniformly by the amount of the monthly installment paid, shall not be greater than in paragraphs (a) and (b). Paragraphs (c), (d) and (e) refer to premium rates for other types of coverages either alone or in combination with the type of coverages applicable to paragraphs (a) and (b).

(a) If premiums are payable on a single-premium basis for the duration of the coverage:

No. of months in which indebtedness is repayable	TABLE I

*Maximum benefit is 60 monthly payments.

(b) If premiums are paid on the basis of a premium rate per month per thousand of outstanding insured indebtedness, these premiums shall be computed according to the formula: $OPn = (20XSPn) / (n + 1)$ using a rate no less than the 24 month rate in Table I above. A company may submit a different formula for approval which produces rates actuarially equivalent to the single premium rates in Table I:

Where

- SPn = Single Premium Rate per \$100 of initial insured indebtedness repayable in equal monthly installments (Table I). The Single Premium Rate shall not be less than the 19-24 month rate for the appropriate coverage.
- OPn = Monthly Outstanding Balance Premium Rate per \$1,000.
- n = Original repayment period, in months.

(c) Coverage which provides a constant maximum indemnity for a given period of time shall use rates no greater than those rates which are actuarially equivalent to the rates in paragraph (a) or (b).

(d) If the coverages provided are other than those described in this subsection (1), rates for such coverages shall be actuarially equivalent to the rates provided in paragraph (a), (b) or (c).

(e) Joint coverage rates shall be no greater than 175% of the specific rate for that type of coverage.

(f) The monthly outstanding balance rate for credit disability insurance may be either a term specified rate or may be a single composite term rate applicable to all insured loans.

(2) The premium rates in subsection (1) shall apply to policies providing credit disability insurance to be issued with or without evidence of insurability, to be offered to all eligible debtors, and containing:

(a)1. No provision excluding or denying a claim for disability resulting from pre-existing conditions, except for those conditions for which the insured debtor received medical advice, diagnosis, or treatment within six months preceding the effective date of the debtor's coverage, and which caused loss within the 6 months following the effective date of coverage;

2. Disability commencing after 6 months following the effective date of coverage resulting from the condition shall be covered.

3. Coverage with no pre-existing provision limitation shall result in an additional premium of 10% of the amounts shown in subsection (1), above.

(b) No other provision which excludes or restricts liability in the event of disability caused in a specific manner, except that it may contain provisions excluding or restricting coverage for intentionally self-inflicted injuries and normal pregnancy.

(c) No provision which requires that the debtor be employed more than thirty (30) hours per week in order to be eligible for insurance coverage.

(d) No age restrictions, or only age restrictions making ineligible for coverage debtors 66 or over at the time the indebtedness is incurred.

(e) However, coverage shall be provided, at a minimum, until the earlier of the maturity date of the loan or the loan anniversary at age 66. Where loans are in the form of revolving credit arrangements, an insurer may terminate coverage when the debtor attains the age 66.

(f) A daily benefit equal in amount to one-thirtieth of the monthly benefit payable under the policy for the indebtedness.

(g)1. A definition of "disability" which provides that during the first 12 months of disability the insured shall be unable to perform the duties of his occupation at the time the disability occurred, and thereafter the duties of any occupation for which the insured is reasonably fitted by education, training or experience.

2. This paragraph shall not apply to lump sum disability coverage.

THE FULL TEXT OF THE PROPOSED RULE IS:

69O-164.040 Determining Reserve Liabilities for Preneed Life Insurance.

(1) Authority.

This rule is adopted by the commission pursuant to Sections 625.121(5)(a)3. and 627.476(9), F.S.

(2) Scope.

This rule applies to preneed life insurance policies and certificates as defined in Section Four (4) of this rule, and similar policies and certificates.

(3) Purpose.

The purpose of this rule is to recognize the inadequacy of the 2001 Commissioners Standard Ordinary Life Valuation Mortality Table for use in determining the minimum standard of valuation and the minimum standard nonforfeiture value, and to require the continued use of the 1980 Commissioners

Standard Ordinary Life Valuation Mortality Table for use in determining the minimum standard of valuation and the minimum standard nonforfeiture value.

(4) Definitions.

(a) The term "2001 CSO Mortality Table" means the 2001 Commissioners Standard Ordinary Life Valuation Mortality Table, consisting of separate rates of mortality for male and female lives, developed by the American Academy of Actuaries CSO Task Force from the Valuation Basic Mortality Table developed by the Society of Actuaries Individual Life Insurance Valuation Mortality Task Force, and adopted by the NAIC in December 2002. The 2001 CSO Mortality Table is included in the Proceedings of the NAIC (2nd Quarter 2002). Unless the context indicates otherwise, the "2001 CSO Mortality Table" includes both the ultimate form of that table and the select and ultimate form of that table and includes both the smoker and nonsmoker mortality tables and the composite mortality tables. It also includes both the age-nearest-birthday and age-last-birthday bases of the mortality tables.

(b) The term "Ultimate 1980 CSO" means the Commissioners' 1980 Standard Ordinary Life Valuation Mortality Tables (1980 CSO) without ten-year (10-year) selection factors, incorporated into the 1980 amendments to the NAIC Standard Valuation Law approved in December 1983.

(c) For the purposes of this rule, preneed insurance is any life insurance policy or certificate that is issued in combination with, in support of, with an assignment to, or as a guarantee for a prearrangement agreement for goods and services to be provided at the time of and immediately following the death of the insured. Goods and services may include, but are not limited to embalming, cremation, body preparation, viewing or visitation, coffin or urn, memorial stone, and transportation of the deceased. The status of the policy or contract as preneed insurance is determined at the time of issue in accordance with the policy form filing.

(5) Minimum Valuation Mortality Standards.

For preneed insurance contracts, as defined in paragraph (4)(c), and similar policies and contracts, the minimum mortality standard for determining reserve liabilities and non-forfeiture values for both male and female insureds shall be the Ultimate 1980 CSO.

(6) Minimum Valuation Interest Rate Standards.

(a) The interest rates used in determining the minimum standard for valuation of preneed life insurance shall be the calendar year statutory valuation interest rates as defined in Section 625.121(6), F.S.

(b) The interest rates used in determining the minimum standard for nonforfeiture values for preneed life insurance shall be the calendar year statutory nonforfeiture interest rates as defined in Section 627.476(9)(i), F.S.

(7) Minimum Valuation Method Standards.

(a) The method used in determining the minimum standard for valuation of preneed life insurance shall be the method as defined in Section 625.121(5), F.S.

(b) The method used in determining the minimum standard for nonforfeiture values for preneed life insurance shall be the method as defined in Section 627.476(9), F.S.

(8) Transition Rules

(a) For preneed insurance policies issued on or after the effective date of this rule and before January 1, 2012, the 2001 CSO may be used as the minimum standard for reserves and minimum standard for non-forfeiture benefits for both male and female insureds.

(b) If an insurer elects to use the 2001 CSO as a minimum standard for any policy issued on or after the effective date of this rule and before January 1, 2012, the insurer shall provide, as a part of the actuarial opinion memorandum submitted in support of the company's asset adequacy testing, an annual written notification to the domiciliary commissioner. The notification shall include:

1. A complete list of all preneed policy forms that use the 2001 CSO as a minimum standard;

2. A certification signed by the appointed actuary stating that the reserve methodology employed by the company in determining reserves for the preneed policies issued after the effective date and using the 2001 CSO as a minimum standard, develops adequate reserves (For the purposes of this certification, the preneed insurance policies using the 2001 CSO as a minimum standard cannot be aggregated with any other policies.); and

3. Supporting information regarding the adequacy of reserves for preneed insurance policies issued after the effective date of this rule and using the 2001 CSO as a minimum standard for reserves.

(c) Preneed insurance policies issued on or after January 1, 2012, must use the Ultimate 1980 CSO in the calculation of minimum nonforfeiture values and minimum reserves.

(9) Effective Date.

This rule is applicable to preneed life policies and certificates as defined in (2) issued on or after January 1, 2009.

Rulemaking Authority 624.308(1), 625.121(5)(a)3., 627.476(9) FS. Law Implemented 625.121(5)(a)3., 627.476(9) FS.
