

Section XI

Notices Regarding Bids, Proposals and Purchasing

DEPARTMENT OF EDUCATION

NOTICE TO CONSTRUCTION MANAGERS:

The University of Florida Board of Trustees announces that CM-At-Risk services will be required for the project listed below:

Project: UF-212, (Newell Hall & Annex Renovation/Rehabilitation)

The project consists of the renovation and rehabilitation of Newell Hall and Annex to create a Student Learning Commons. Newell Hall was built in 1910 as the Florida Experiment Station and is the third oldest building on campus. Newell Hall and the Annex total approximately 34,200 GSF. Newell Hall is one of the oldest UF buildings recorded in the U.S. National Register of Historic Places. The renovation will include individual and group study spaces as well as a variety of seating areas for informal student study. The Annex will become a graduate study area. Wireless Internet access will be available throughout the building. The project will transform this historic, but energy inefficient, building and give it a new purpose.

The estimated construction budget is approximately \$9M, including site improvements and landscaping. The project will be delivered using the Construction Manager At Risk method and construction shall be "fast-tracked" to start by August 2010 and end no later than April 2011. GOLD LEED BD+C (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory. PLATINUM IS PREFERRED.

The contract for construction management services will consist of two phases, pre-construction and construction. Pre-construction services will begin at the Conceptual Schematic Design stage and will include production of cost studies and estimates; value engineering; analysis of the design documents for constructability, coordination, detailing, materials, and systems; development and maintenance of the construction schedule; production of detailed jobsite management plans; development of strategies for the procurement of trade contracts; and development of a Guaranteed Maximum Price (GMP) proposal based on 100% Construction Documents. If the GMP proposal is accepted and executed, the construction phase will be implemented. In this phase, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or failure to arrive at an acceptable GMP budget within the time provided in the agreement, may result in the termination of the construction manager's contract.

Applicants will be evaluated on the basis of their past performance, experience, personnel, references, bonding capacity, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant must be licensed to practice as a general contractor in the State of Florida and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide construction management services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the CMQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific "CM Qualifications Supplement" (CMQS) proposal. Applications on any other form will not be considered.
4. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff.
5. Proof of the applicant's corporate status in Florida (if applicable) and a copy of the applicant's current contracting license from the appropriate governing board.
6. Proof of applicant's bonding capacity.

If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction manager must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal – including the project-specific CMQS forms, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Design and Construction Standards, standard University of Florida Agreement for CM Services, and other project and process information – can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning & Construction office by 3:00 p.m. (Local Time), Thursday, March 18, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered.

Internet: www.facilities.ufl.edu

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the disciplines of engineering and architecture for Total Building Commissioning will be required for the project listed below:

Project: UF-305, PK Yonge Developmental Research School (Gainesville, FL)

The facility will include demolition of existing building 514, and design and construction of a new 2 story 36,000 GSF elementary school. The scope of services shall include design phase peer review, completion and maintenance of the Owner's Project Requirements (OPR) document, development of the Commissioning Plan and Commissioning Specifications, and construction phase pre-functional, functional, and performance testing for mechanical, electrical, building automation, and building envelope systems. The consultant shall also support project efforts to achieve higher-than-normal energy efficiency and attain (Gold) LEED certification.

Blanket professional liability insurance will be required for this project in the amount of \$1,000,000.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet for Commissioning Consultants, and other background information. The proposal shall be limited to 20 single-sided pages OR 10 double-sided, consecutively-numbered pages and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services.
2. A completed, project-specific Commissioning proposal form with signed certification. Applications on any other form will not be considered.
3. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).
4. Proof of the applicant's corporate status in Florida (if applicable) and copies of current licenses for applicant consultants from the appropriate governing board.
5. Proof of the applicant's ability to be insured for the level of professional liability coverage demanded for this project.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected applicant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

The Commissioning Services Proposal Form, Project Fact Sheet, UF Design Services Guide, UF Design and Construction Standards, FP&C non-technical specifications, standard University of Florida Owner-Commissioning Consultant agreement, and other project and process information can be found on the Facilities Planning and Construction website. Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning & Construction office by 3:00 p.m. (Local Time), Wednesday, March 24, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO CONSTRUCTION MANAGERS:

The University of Florida Board of Trustees announces that CM-At-Risk services will be required for the project listed below:

Project: UF-353, International Parkinson's Disease & Movement Disorders Center

As often as is deemed feasible, the University of Florida will identify certain construction-related projects that lend themselves to increased participation among small businesses. These projects may be reserved for competition among 1) Small Businesses as defined herein or 2) for joint venture entities comprised of a Small Business as defined herein and a "non-small" business in which the business-defined split is one that is reasonable and beneficial for the Small Business partner and said Small Business partner comprises a minimum 25% share of the joint venture. Project UF-353 has been classified as a project that meets these criteria. In order to qualify for the Construction Management Consultant selection process, the

Small Business OR the Small Business portion of the joint venture is defined as “an independently owned and operated business concern that employs 200 or fewer permanent full-time employees and that, together with its affiliates, has a net worth of not more than \$5 million or any firm based in this state which has a Small Business Administration 8(a) certification”. Statements of intent to comply with these criteria and description of the proposed joint venture relationship and its benefit to the Small Business partner (if applicable) shall be included in the initial response to the Project Advertisement and proof of compliance will be required within 30 days of issuance of Notice of Selection.

The project consists of the remodeling and renovation of approximately 11,500 GSF on the 4th floor of the Orthopedics and Sports Medicine Institute (U.F. Building #1178) to house the University of Florida International Parkinson’s Disease and Movement Disorders Center. This, for the first time, will consolidate the patient care and research activities that make up the UFIPDMDC. In addition, the location of the facility will provide ease of access for patients and a comfortable environment, from parking to exam room. The Orthopedics and Sports Medicine Institute was constructed in 2004 and remains a state-of-the-art out-patient care facility.

The total project budget is \$3,375,000 including design fees, total project commissioning, furnishings & equipment, and contingencies. Construction shall be “fast-tracked” from a start date of June 15, 2010. Gold LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council as a Commercial Interiors project is mandatory.

The contract for construction management services will consist of two phases, limited pre-construction and construction. Pre-construction services will begin at the Advanced Schematic Design phase and may include production of cost studies and estimates, value engineering, analysis of the design documents for constructability, coordination, detailing, materials, and systems, development and maintenance of the construction schedule, production of detailed jobsite management plans, development of strategies for the procurement of trade contracts, and development of a Guaranteed Maximum Price (GMP) proposal based on 100% Construction Documents. If the GMP proposal is accepted and executed, the construction phase will be implemented. In this phase, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or failure to arrive at an acceptable GMP budget within the time provided in the agreement, may result in the termination of the construction manager’s contract.

Applicants will be evaluated on the basis of their past performance, experience, personnel, references, bonding capacity, workload, and responses to questions posed both in

the shortlist and interview phases as outlined in the Project Fact Sheet and CMQS Instructions. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant or both proposed JV partners must be licensed to practice as general contractors in the State of Florida. Proof of JV contractor’s license will be required within 30 days of issuance of Notice of Selection.

Applicants desiring to provide construction management services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the CMQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant’s understanding of the scope of services, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific “CM Qualifications Supplement” (CMQS) proposal. Applications on any other form will not be considered.
4. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff.
5. Proof of the applicant’s corporate status in Florida (if applicable) and a copy of the applicant’s current contracting license from the appropriate governing board. If the applicant is a joint venture, proof of individual status and license are required in the application; joint venture status and license will be required within 30 days of Notice of Selection.
6. Proof of applicants’ bonding capacity.

If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction manager must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal – including the project-specific CMQS forms, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Design and Construction Standards, standard University of Florida Agreement for CM Services, and other project and process information – can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning & Construction office by 3:00 p.m. (Local Time), Friday, March 19, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered.

Internet: www.facilities.ufl.edu

NOTICE TO CONSTRUCTION MANAGERS:

The University of Florida Board of Trustees announces that CM-At-Risk services will be required for the project listed below:

Project: UF-357, Clinical Translational Research Building for the Institute on Aging (UF Campus)

This new facility will be designed to host the field operations and coordination of large phase 3 behavioral and pharmacological multicenter trials in the area of aging and disability. It will serve as the home for a number of active research training programs on aging, with a primary focus on assessing the long-term effects of proposed interventions, which specifically include moderate physical exercise and health education. This facility is currently programmed at 39,500 GSF and will house primarily clinical, support, and office spaces.

The estimated construction budget is approximately \$12,500,000.00 including site improvements, underground utilities, and impact fees. The project will be delivered using the Construction Manager-at-risk method. Platinum LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory.

The contract for construction management services will consist of two phases, pre-construction and construction. Pre-construction services will begin at the Conceptual Schematic Design stage and will include production of cost studies and estimates; value engineering; analysis of the design documents for constructability, coordination, detailing, materials, and systems; development and maintenance of the construction schedule; production of detailed jobsite management plans; development of strategies for the procurement of trade contracts; and development of a Guaranteed Maximum Price (GMP) proposal based on 100% Construction Documents. If the GMP proposal is accepted and executed, the construction phase will be implemented. In this phase, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or failure to arrive at an acceptable GMP budget within the time provided in the agreement, may result in the termination of the construction manager's contract.

Applicants will be evaluated on the basis of their past performance, experience, personnel, references, bonding capacity, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant must be licensed to practice as a general contractor in the State of Florida and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide construction management services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the CMQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific "CM Qualifications Supplement" (CMQS) proposal. Applications on any other form will not be considered.
4. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff.
5. Proof of the applicant's corporate status in Florida (if applicable) and a copy of the applicant's current contracting license from the appropriate governing board.
6. Proof of applicant's bonding capacity.

If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction manager must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

NOTICE TO CONSTRUCTION MANAGERS:

The University of Florida Board of Trustees announces that CM-At-Risk services will be required for the project listed below:

Project: UF-361, IFAS/Extension & Professional Development Center (Main Campus)

As often as is deemed feasible, the University of Florida will identify certain construction-related projects that lend themselves to increased participation among small businesses. These projects may be reserved for competition among 1) Small Businesses as defined herein or 2) for joint venture entities comprised of a Small Business as defined herein and a "non-small" business in which the business-defined split is one that is reasonable and beneficial for the Small Business partner and said Small Business partner comprises a minimum 25% share of the joint venture. Project UF-353 (361) has been classified as a project that meets these criteria. In order to qualify for the Construction Management Consultant selection process, the Small Business OR the Small Business portion of the joint venture is defined as "an independently owned and operated business concern that employs 200 or fewer permanent full-time employees and that, together with its affiliates, has a net worth of not more than \$5 million or any firm based in this state which has a Small Business Administration 8(a) certification". Statements of intent to comply with these criteria and description of the proposed joint venture relationship and its benefit to the Small Business partner (if applicable) shall be included in the initial response to the Project Advertisement and proof of compliance will be required within 30 days of issuance of Notice of Selection.

The project consists of the construction of a new two story approximately 14,000 GSF conference/office building. This facility will serve the needs for larger quality conferences and meetings, education programs and agricultural community functions. The building will be a multi-purpose facility providing for three individual conference/ meeting rooms, but allowing for the area to be opened for use as one large auditorium or lecture facility. All areas will provide for state-of-the art equipment for distance learning technology. This facility will serve as conference space for statewide centers to come together and share their research.

The total project budget is \$4,512,000.00, including site improvements, underground utilities, fees, surveys and tests, total building commissioning, furnishings & equipment, and contingencies. Construction shall begin by September 15, 2010. (Gold) LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory.

The contract for construction management services will consist of two phases, pre-construction and construction. Pre-construction services will begin at the Conceptual Schematic Design stage and will include production of cost studies and estimates; value engineering; analysis of the design documents for constructability, coordination, detailing, materials, and systems; development and maintenance of the construction schedule; production of detailed jobsite management plans; development of strategies for the procurement of trade contracts; and development of a Guaranteed Maximum Price (GMP) proposal based on 60/100% Construction Documents. If the GMP proposal is accepted and executed, the construction phase will be implemented. In this phase, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or failure to arrive at an acceptable GMP budget within the time provided in the agreement, may result in the termination of the construction manager's contract.

Small Business or JV applicants will be evaluated on the basis of their past performance, experience, personnel, references, bonding capacity, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant or both JV partners must be licensed to practice as general contractors in the State of Florida. Proof of JV license will be required within 30 days of issuance of Notice of Selection.

Applicants desiring to provide construction management services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the CMQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific "CM Qualifications Supplement" (CMQS) proposal. Applications on any other form will not be considered.
4. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff.

5. Proof of the applicant's corporate status in Florida (if applicable) and a copy of the applicant's current contracting license from the appropriate governing board. If the applicant is a joint venture, proof of individual status and license are required in the application; joint venture status and license will be required within 30 days of Notice of Selection.
6. Proof of applicant's bonding capacity.

If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction manager must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal – including the project-specific CMQS forms, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Design and Construction Standards, standard University of Florida Agreement for CM Services, and other project and process information – can be found on the Facilities Planning and Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning and Construction office by 3:00 p.m. (Local Time), Tuesday, March 23, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered.

CALL FOR BIDS

The University of West Florida Board of Trustees is soliciting sealed bids for the following:

Potable Water Well # 4

A Mandatory Pre-Bid Conference will be held on March 4, 2010, 2:00 p.m., Central Time in Bldg. 92, Room 110, The University of West Florida, 11000 University Parkway, Pensacola, FL 32514

All bidders are required to attend the pre-bid conference. Potential subcontractors are invited to attend to become familiar with the project specifications and to become acquainted with contractors who may bid the project.

Sealed bids will be received until March 25, 2010, 2:00 p.m. (Central Time), Procurement and Contracts, Bldg. 90, Room 134, The University of West Florida, 11000 University Parkway, Pensacola, FL 32514.

Bid number 09ITB-19JJ must be marked on outside of bid package. Bids must be submitted in full and in accordance with the requirements of all terms and conditions of the Invitation to Bid.

View this solicitation and related information on the Procurement and Contracts' website: <http://uwf.edu/procurement>. All plans and specifications may be downloaded from this site. All questions should be directed to: Judy Jasmyn at jjasmyn@uwf.edu.

PUBLIC ANNOUNCEMENT FOR EMERGENCY MANAGEMENT CONSULTANT SERVICES

The University of Central Florida announces that emergency management consultant services are required for the project listed below.

PROJECT NUMBER: EMHE-EM-10-0001

PROJECT NAME: UCF Emergency Management Consultant Services

PROJECT LOCATION: The University of Central Florida, P.O. Box 163500, Emergency Management, Orlando, FL 32816-3500

SERVICES TO BE PROVIDED: The University of Central Florida requests qualifications from

Emergency Management training and exercise firms to provide Training and Exercise Management for all-hazards emergency response exercises on campus.

BUDGET: Approximately \$50,000

PROJECT MANAGER: Jeff Morgan

PHONE NUMBER: (407)823-6301

RESPONSE DUE DATE: Monday, March 22, 2010, no later than 3:00 p.m.

INSTRUCTIONS FOR SUBMITTAL: Firms interested in being considered for this project should access: <http://www.fp.ucf.edu/advertisements/advertisements.html>

Submittals must be received no later than 3:00 p.m. (Local Time), March 22, 2010, and should be mailed or delivered to: University of Central Florida, Environmental Health and Safety, P. O. Box 163500, ATTN: Jeff Morgan, Emergency Management Coordinator, Orlando, FL 32816-3500.

Facsimile (FAX) or electronic submittals are not acceptable and will not be considered.

Short notice (less than 72 hours notice) presentations regarding the firm's proposal may be requested by UCF.

The selected firm will be given official notice of selection results by phone to the POC listed on the firms RFP submittal.

Invitation To Bid
For a Roofing Contractor

Sealed bids will be received by Duval County Public Schools, Division of Facilities, Room 535, 1701 Prudential Drive, Jacksonville, FL 32207, until the time and date(s) recorded below and immediately thereafter publicly opened and recorded in the Duval County Public Schools, School Board Building, 5th Floor, Room 513D, 1701 Prudential Drive, Jacksonville, Florida.

BIDS ARE DUE ON OR BEFORE March 23, 2010

AND WILL BE ACCEPTED UNTIL 2:00 p.m.

OFFICIAL PROJECT TITLE: Districtwide Roof Replacement at Fletcher Middle School No. 63, DCPS PROJECT NO. M-84470, Stage III

SCOPE OF WORK: Project scope is to remove all old deteriorated roofing and install new Modified Bitumen roof system on Buildings 3 and 4. The estimated construction cost "Budgeted Not to Exceed" is \$381,000.

All contractors that are interested in bidding are required to attend a mandatory pre-bid conference to be held on March 10, 2010, 9:00 a.m., 129 King Street, Room 37, Jacksonville, Florida 32204. Failure to attend the pre-bid conference shall result in disqualification of that firm's proposal. Attendees will be required to sign an attendance register.

The project funding is subject to availability of funds as authorized by the Owner. The District reserves the right to reject any and all bids.

All bidders and subcontractors shall be licensed Contractors and registered corporations as required by the laws of the State of Florida.

Contract documents for bidding may be obtained for a refundable fee of \$50.00 at the office of:

Ronald Scalisi Architects, P.A., 1309 St. Johns Bluff Road North, Suite A-5, Jacksonville, Florida 32225

DCSB Point of Contact: Dale Hughes, (904)858-6308

Contract documents for bidding may be examined at:

F. W. Dodge McGraw Hill Plan Room Construction Bulletin
Construction Market Data, Inc. National Association of
Minority Contractors

MBE Participation Goal: 10% Participation

All Contractors submitting bids must be prequalified with Duval County Public Schools at the time of the bid opening. No bids will be accepted from Contractors who are not prequalified with Duval County Public Schools.

Prequalification forms and information may be obtained by contacting: Richard Beaudoin, 1701 Prudential Dr., Jacksonville, FL 32207, (904)390-2358, Fax: (904)390-2265, Email: beaudoinr@duvalschools.org.

The Bid Award Recommendation will be posted on the First Floor Bulletin Board at the Duval County School Board Building, 1701 Prudential Drive, Jacksonville, Florida 32207-8182.

ATTENTION: All advertisements must contain wording similar to the following if the project is Multi-Year Funded:

The Total Project Budget is \$x,xxx,xxx, however, DCPS has received appropriations totaling only \$x,xxx,xxx. Additional appropriation in the amount of \$x,xxx,xxx is expected next year.

Invitation To Bid
For a Roofing Contractor

Sealed bids will be received by Duval County Public Schools, Division of Facilities, Room 535, 1701 Prudential Drive, Jacksonville, FL 32207, until the time and date(s) recorded below and immediately thereafter publicly opened and recorded in the Duval County Public Schools, School Board Building, 5th Floor, Room 513D, 1701 Prudential Drive, Jacksonville, Florida

BIDS ARE DUE ON OR BEFORE March 23, 2010

AND WILL BE ACCEPTED UNTIL 2:00 p.m.

OFFICIAL PROJECT TITLE: Districtwide Roof Replacement at Mandarin Middle School No. 259, DCPS PROJECT NO. M-83830, Stage I

SCOPE OF WORK: Project scope is to remove all old deteriorated roofing and install new Modified Bitumen and standing seam metal roof systems on Building 1. The estimated construction cost "Budgeted Not to Exceed" is \$1,445,000

All contractors that are interested in bidding are required to attend a mandatory pre-bid conference to be held on March 10, 2010, 10:00 a.m., 129 King Street, Room 37, Jacksonville, Florida 32204. Failure to attend the pre-bid conference shall result in disqualification of that firm's proposal. Attendees will be required to sign an attendance register.

The project funding is subject to availability of funds as authorized by the Owner. The District reserves the right to reject any and all bids.

All bidders and subcontractors shall be licensed Contractors and registered corporations as required by the laws of the State of Florida.

Contract documents for bidding may be obtained for a refundable fee of \$75.00 at the office of:

Akel, Logan & Shafer, P.A., 704 Rosselle Street, Jacksonville, Florida 32204

DCSB Point of Contact: Dale Hughes, (904)858-6308

Contract documents for bidding may be examined at:

F.W. Dodge McGraw Hill Plan Room Construction Bulletin
Construction Market Data, Inc. National Association of
Minority Contractors

MBE Participation Goal: 10% Participation

All Contractors submitting bids must be prequalified with Duval County Public Schools at the time of the bid opening. No bids will be accepted from Contractors who are not prequalified with Duval County Public Schools.

Prequalification forms and information may be obtained by contacting: Richard Beaudoin, 1701 Prudential Dr., Jacksonville, FL 32207, (904)390-2358 Fax: (904)390-2265, Email: beaudoinr@duvalschools.org.

The Bid Award Recommendation will be posted on the First Floor Bulletin Board at the Duval County School Board Building, 1701 Prudential Drive, Jacksonville, Florida 32207-8182.

ATTENTION: All advertisements must contain wording similar to the following if the project is Multi-Year Funded:

The Total Project Budget is \$x,xxx,xxx, however, DCPS has received appropriations totaling only \$x,xxx,xxx. Additional appropriation in the amount of \$x,xxx,xxx is expected next year.

FLORIDA HOUSING FINANCE CORPORATION

RFP 2010-01 Catalyst Program Services

The Florida Housing Finance Corporation invites all qualified Offerors to submit proposals for consideration in accordance with the terms and conditions set forth in this Request for Proposals (RFP) 2010-01. The Florida Legislature established the Affordable Housing Catalyst Program (Catalyst) to provide training and technical assistance for community development activities related to affordable housing. This training and technical assistance assists with administration and implementation of the State Housing Initiatives Partnership (SHIP) Program, the Home Investment Partnerships (HOME) Program and other affordable housing programs. The awarding of a contract for these services will be contingent upon funding availability.

Proposals shall be accepted until 2:00 p.m. (Eastern Time), Friday, March 19, 2010, to the Attention: Sherry Green, Contracts Administrator, Florida Housing Finance Corporation, 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329. For questions or additional information, please contact: Sherry Green at (850)488-4197 or sherry.green@floridahousing.org. To obtain a copy of the Request for Proposals, which outlines selection criteria and

applicant's responsibilities, please submit your request to the attention of Sherry Green, or you can download the Request for Proposals from the Florida Housing Finance Corporation website: http://apps.floridahousing.org/StandAlone/FHFC_EC M/AppPage_LegalRFPs.aspx.

Any modifications that occur to the Request for Proposals will be posted at the web site and may result in an extension of the deadline.

CANAVERAL PORT AUTHORITY

Revised Scope Only to Notice

Published 2/12/2010: Issue Vol. 36/06

The Canaveral Port Authority (CPA) is requesting technical proposals and qualifications from consulting firms interested in providing planning and engineering Design Services for Northside Land Improvements for Port Canaveral and to provide technical support to staff at Port Canaveral – located in Brevard County, Florida. These services will be acquired in compliance with the Consultants Competitive Negotiations Act, Section 287.055, Florida Statutes. The A & E consulting firm will be required to display a recurring knowledge of cargo, container yards, and bulk handling facilities and marine terminal design. The Consultant will be asked to provide master planning of the entire North Cargo Area in addition to planning, design, and permitting of roads, stormwater, utilities, fire protection, and lighting for a 56-acre + parcel. The intended use of this parcel is a combination of General Cargo, Bulk Cargo and an expansion to an existing container facility. The project is to be phased and constructed as development progresses. In addition, the Consultant will be required to prepare a Cargo Market Assessment of the current and potential cargo business for the project area as it relates to the entire Port.

MINIMUM CRITERIA

As a minimum, the firms proposing shall have at least ten (10) years experience in work of a similar nature with airports/seaports and military installations. Consultant must provide references of at least 5 prior successful projects of a similar nature.

It is recommended that the firm have an office within reasonable proximity to the Canaveral Port Authority and/or demonstrate that they would be able to provide services in a timely manner.

PROPOSAL CONTENT

Each responding consulting firm shall provide six (6) copies and one (1) CD (containing complete proposal in pdf format) of their proposal, giving detailed information on the following:

1. Firm history, location, capabilities, etc.
2. GSA Standard Form 330 or equivalent

3. Five (5) examples of previous experience with providing similar services in the recent past. Include a brief description of the work and individuals to be contacted with telephone numbers.
4. A list of services which would not be performed in-house and a list of consultants, which would provide these services for the firm.
5. A schedule of current commitments and the degree of completion of each.
6. An organization chart and other information which will be useful in evaluating the proposal service.
7. Outline of methodology for implementation of the proposed scope of work.
8. Resumes of key individuals to be involved in the various aspects of the project and an explanation of each individual's role in the project.
9. Evidence of coverage with at least one million dollars of professional liability insurance.
10. Provide evidence that firm is licensed to do business in the State of Florida.

SUBMITTAL SCHEDULE

Firms desiring to provide such professional services to the CPA must furnish six (6) copies and one (1) CD (containing complete proposal in pdf format) of their expression of interest to:

Canaveral Port Authority
Attn.: Peggy Gooch, Sr. Administrative Assistant, Engineering
P. O. Box 267
445 Challenger Road
Cape Canaveral, FL 32920

All proposals shall be delivered to the Canaveral Port Authority no later than 3:00 p.m., Tuesday, March 2, 2010. The selected firm will be required to perform all contract services under a standard CPA service contract, a sample of which may be requested by contacting Peggy Gooch, Senior Administrative Assistant, Engineering, Canaveral Port Authority by email pgooch@portcanaveral.com or via phone at (321)783-7831, ext. 218. All notices will be posted on our website – <http://www.portcanaveral.com/general/bids/php>.

SELECTION PROCESS

A committee established by the Chief Executive Officer will meet to review and recommend for approval a ranking of qualified firms to the CPA Commission at their regularly scheduled meeting to be held at 2:00 p.m., March 17, 2010, at which time selections will be established.

PETER R. BROWN CONSTRUCTION, INC.

8751 Ulmerton Road
Largo, FL 33771

Deadline for receipt of RFP #1 Proposal Packages (Listed Above) has been set for 2:00 p.m., March 18, 2010. Only proposals received on or before the time and date listed will be considered. All proposals received after 2:00 p.m., of the day specified above, will be returned unopened.

All interested subcontractors must be pre-qualified or have completed the pre-qualification process within the last year. Subcontractors must submit pre-qualification prior to February 19, 2010 (RFP #1) in order to be considered for this project. Pre-qualification information and forms can be obtained through the Peter R. Brown Construction, Inc. website (www.peterbrownconstruction.com) or by contacting: Peter R. Brown Construction, Inc. Clearwater Estimating Department at (727)535-6407.

Florida Department of Health and Peter R. Brown Construction, Inc. are committed to provide equal opportunity and strongly encourage all interested M/WBE and SBE firms to submit proposals.

Drawings will be made available on February 26, 2010. Drawings will be available via the Peter R. Brown Construction ftp site only. Each pre-qualified subcontractor will be provided the ftp site log-in and contact information for the approved reprographer where documents will be available for purchase. Subcontractors are responsible for all printing and shipping costs.

Florida Department of Health and Peter R. Brown Construction, Inc. reserve the right to accept or reject any and all proposals in whole or part and to waive informalities and irregularities.

No verbal instruction or directives will be accepted regarding this project during the proposal period. All instructions or directives must be clarified through written Addenda or Supplements. All questions regarding the work should be directed to the Construction Manager, in writing by March 12, 2010, 5:00 p.m. The Owner and Architect will not accept calls regarding this project.

All future updates regarding this project will only be posted on the Peter R. Brown Construction, Inc. website (www.peterbrownconstruction.com).

SARASOTA MEMORIAL HOSPITAL

REQUEST FOR STATEMENTS OF QUALIFICATIONS FOR PROFESSIONAL ENGINEERING SERVICES

The Sarasota County Public Hospital Board, in Sarasota, Florida, hereby invites statements of qualifications from engineering consulting firms, under the provisions of Section 287.055, F.S., for Threshold Inspection and Materials Testing for Sarasota Memorial Hospital's Replacement Bed Tower per plans dated December 22, 2009 and Vertical Expansion Project per plans dated September 15, 2009.

Replacement Bed Tower is (9) stories, 280,000 square feet. Vertical Expansion is (2) stories, 50,000 square feet with a pedestrian bridge to parking garage.

Interested firms shall submit five bound submittals of at least the following documentation:

1. A copy of Florida professional licenses and corporate registration certificates.
2. Proof of general and professional liability insurance coverage.
3. A statement of qualifications, capabilities, adequacy of personnel, past record, and experience.
4. Statement as to whether the firm is a certified Small/or Minority Business Enterprise as defined by the Florida Small Business Assistance Act of 1985.
5. Resumes of key personnel that would be used on these projects.
6. A list of AHCA reviewed and/or inspected projects.
7. Location of firm's main office.

All Interested firms are further informed as follows:

Pricing and compensation – related information shall NOT be included in the submittal.

Interested persons should contact: Ron Schofield at (941)917-1899 with any project related questions.

Electronic project related information packets are available for pick up, at 1515 South Osprey Ave., Building A, Sarasota, Florida, March 1, 2010 between 8:00 a.m. and 4:00 p.m., upon proof of professional licensure.

No attempts shall be made to contact administrators, board members or any SMH staff other than the contact name listed, under the potential penalty of disqualification from the process. Submittals shall be delivered in an opaque package bearing the outer label of "Replacement Bed Tower/Vertical Expansion Engineering Services Submittal," no later than 3:00 p.m., Monday, March 15, 2010 at:

Sarasota Memorial Hospital
Architecture/Construction Office
1515 South Osprey Avenue, Building A
Sarasota, Florida 34239-3555
Attention: Mr. Ron Schofield

No information packs delivered via email.

No submittals accepted via email.

Submittals received after the stated date and time will not be considered and will be available for pick up.

Ranking of firms for later contract negotiations will occur on March 24, 2010, 9:00 a.m., Waldemere Medical Plaza, Magnolia Room, 2nd Floor, 1921 Waldemere Street, Sarasota, FL 34239. Interested parties are invited to attend.
