NOTICE OF FILING OF APPLICATION FOR POWER PLANT CERTIFICATION

On February 1, 2010, the Siting Coordination Office received an application for certification of a power plant pursuant to the Florida Electrical Power Plant Siting Act, Section 403.501 et seq., Florida Statutes (F.S.), concerning FPL's DeSoto Next Generation Solar Energy Center in DeSoto County, Florida, Power Plant Siting Application No.: PA10-56, OGC Case No.: 10-0797. The application would allow FPL to construct and operate a 300-megawatt (MW) solar generation facility that is being developed in three phases: Phase I (in operation) is designed to generate 25 MW of electricity, Phase II is being designed to generate approximately 49 MW of electricity, and Phase III is being designed to generate approximately 226 MW of electricity. A copy of the application for certification is available for review in the office of: Michael P. Halpin, P.E., Siting Coordination Office, Department of Environmental Protection, 3900 Commonwealth Blvd., M.S. #48, Tallahassee, Florida 32399-3000, (850)245-2002. Pursuant to Section 403.507, F.S., and Chapter 62-17, Florida Administrative Code, statutory parties to the site certification proceeding should review the application and submit their reports and recommendations. In the future, a proposed certification hearing date will be announced. Pursuant to Section 403.508(3), F.S., parties to the proceeding shall include the applicant: Public Service Commission, the Department of Community Affairs, the Fish and Wildlife Conservation

Commission, the Water Management District, the Department of Environmental Protection, the Regional Planning Council, the local government, and the Department of Transportation. Any party listed in Section 403.508(3)(a), F.S., other than the Department of Environmental Protection or the applicant may waive its right to participate in these proceedings if such party fails to file a notice of its intent to be a party on or before the 90th day prior to the certification hearing. In addition, notwithstanding the provisions of Chapter 120, F.S., upon the filing with the administrative law judge of a notice of intent to be a party no later than 75 days after the application is filed, the following shall also be parties to the proceeding: any agency not listed in Section 403.508(3)(a), F.S. as to matters within its jurisdiction; any domestic nonprofit corporation or association formed, in whole or in part, to promote conservation or natural beauty; to protect the environment, personal health, or other biological values; to preserve historical sites; to promote consumer interests; to represent labor, commercial, or industrial groups; or to promote comprehensive planning or orderly development of the area in which the proposed electrical power plant is to be located. Other parties may include any person, including those persons listed herein who have failed to timely file a notice of intent to be a party, whose substantial interests are affected and being determined by the proceeding and who timely file a motion to intervene pursuant to Chapter 120, F.S., and applicable rules. Intervention pursuant to this paragraph may be granted at the discretion of the designated administrative law judge and upon such conditions as he or she may prescribe any time prior to 30 days before the commencement of the certification hearing. Motions to intervene must be filed (received) with the Administrative Law Judge assigned to the case by the Division of Administrative Hearings, The Desoto Building, 1230 Apalachee Parkway, Tallahassee, Florida 32399-1550, prior to 30 days before the date of the certification hearing. Any agency, including those whose properties or works are being affected pursuant to Section 403.509(4), F.S., shall be made a party upon the request of the department or the applicant. Pursuant to Section 403.508(6), F.S., if all parties to the

proceeding stipulate that there are no disputed issues of fact or law to be raised at the certification hearing, the certification hearing may be cancelled.
