DEPARTMENT OF EDUCATION

NOTICE TO DESIGN/BUILDER:

The University of Florida Board of Trustees and University Athletic Association announce that Design/Build services will be required for the project listed below:

Project: UAA-25: Stadium Concourse Renovation, Gainesville, Florida

The project focuses on the Stadium concourse. Included in the scope are the West, East and South Concourses on both the main and upper levels plus adjacent Restrooms and Concessions. But, the project will be in phases depending on funding availability. The design scope for this phase will include west stadium concourse, and it is aimed at improving the Stadium functionality and image for both game day and non-game day use. The primary goals are as follows:

1. Update finishes for a consistent and clean appearance.
2. Reduce visual clutter especially overhead mechanical and electrical utilities.
3. Improve crowd flow.
4. Improve the functionality of Concessions for users and vendors.
5. Create exciting spaces for game day as non-game day visitors.

The total project budget is projected at \$18M. The first phase, West Concourse renovation is budgeted at \$7M including site improvement, fees, survey existing conditions, testing, and contingencies. Should additional funding become available, the project scope would be increased for additional phases. Construction for this phase shall be "fast-tracked" to begin by January 2, 2011 and completed by August 1, 2011. Based on the project scope, the appropriate LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council will be utilized.

The contract for design/build services will consist of two parts. Part one services include design, construction administration, value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) proposal may be based on 60% Construction Documents pending the strength and experience of the D/B team, for which the design/builder will be paid a fixed fee.

If the GMP is accepted, part two, the construction phase, will be implemented. In part two of the contract, the design/builder becomes the single point of responsibility for completion of the construction documents, performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for part one of the contract, or

to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the design/builder's contract.

Blanket design professional liability insurance will be required from the architect, mechanical, electrical, plumbing, fire protection and structural engineering sub-consultants for this project and will be provided as a part of Basic Services. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Applicants will be evaluated on the basis of their past performance, experience, personnel, design and construction ability, references, bonding capacity, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant must be licensed to practice as a general contractor in the State of Florida and the applicant or its architectural, landscape architectural, and engineering consultants must possess current design licenses from the appropriate governing board and be properly registered to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide design/build services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the DBQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific "Design/Builder Qualifications Supplement" (DBQS) proposal. Applications on any other form will not be considered.
4. Resumes and other pertinent credentials for all proposed staff (applicant and consultants).
5. Proof of the applicant's corporate status in Florida (if applicable) and copies of current licenses for all construction, architectural, landscape architectural, and engineering entities (applicant and consultants) from the appropriate governing board.
6. Proof of bonding capacity and proof of all design entities' or consultants' (architecture and engineering) ability to be insured for the level of professional liability coverage demanded for this project.

As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected design/builder must warrant that it will neither utilize the services of, nor contract

with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal – including the project-specific DBQS forms, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Design and Construction Standards, standard University of Florida Owner-Design/Builder agreement, and other project and process information – can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning & Construction office by 3:00 p.m. (Local Time), Monday, November 29, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE FOR PROFESSIONAL SERVICES

The University of South Florida announces that Professional Services in the discipline of Architecture will be required for the project listed below:

PROJECT NUMBER: 537

PROJECT AND LOCATION: USF Sun Dome Arena and Convocation Center – Renovation Project, University of South Florida, Tampa Campus, Tampa, Florida.

PROJECT DESCRIPTION:

The USF Sun Dome Arena and Convocation Center – Renovation Project ("Sun Dome Project") includes modifications to the existing 250,000 gsf facility aimed at improving the overall building functionality. The modifications would extend the useful life of the Sun Dome for an additional 20 to 30 years and would include reconfiguration of the 10,000 seat bowl, adding a center hung scoreboard, adding concessions & restrooms at the Concourse Level, adding an east expansion building, modifying the southeast & southwest entries, and restoration of existing exterior concrete.

Building systems that require a major upgrade and replacement include the existing mechanical infrastructure, the existing electrical systems and retractable seating systems. The modified electrical system must accommodate the increasing electrical needs for NCAA Division I sound, broadcasting and lighting standards.

Building components that require improvements include correction of water penetration at the lower roof membranes, upgrade of entries to be appealing to Sun Dome patrons attending events, upgrades to entries to be code compliant, and repair of sections of concrete to protect steel reinforcements from the elements.

The renovation would provide a solution to the current state of the Sun Dome. Two new entries and club lounge as well as other exterior improvements will enhance the exterior appearance of the facility. Through permanent and interactive signage, the exterior of the new entries would allow for facility and event identification. The interior of the new entries would provide an opportunity for an impactful first impression.

Enhancing the patron experience and providing increased participation in events will be achieved by providing a fixed seating bowl from the main concourse that allows for the best sightlines with an intimate atmosphere and resolves accessibility and seating issues. A fixed bowl would also provide an interior concourse, concessions, restrooms, club rooms, and lounge boxes all increasing revenues. These improvements would allow the Sun Dome to secure more events which would benefit the campus life of the students and student athletes. The upgrades will allow the Sun Dome to be at par and competitive with other NCAA Division I and Big East collegiate basketball arenas.

The project time frame requires initial demolition in March 2011, and construction of the improvements to be completed for occupancy by the end of November 2011.

The construction budget is estimated to be approximately \$28,500,000. Project development, including professional services, is contingent upon availability of funds. If additional funding is realized, the University has the option to incorporate additional scope/funding under this contract. The construction delivery method is anticipated to be Construction Management.

The University is seeking to hire a consultant team with extensive experience in arena design and arena renovation – NCAA Division I collegiate basketball arenas.

The selected firm will provide planning, design, construction documents, construction administration and post-occupancy services for the project in coordination with the USF Tampa Campus 10 Year Master Plan update and USF standards for design and construction. All disciplines required for the design of the facility are to be provided for this project under the contract with the selected firm and the USF Financing Corporation, including architecture, engineering, interior design and any specialty consultants. Consultant services for design expertise unique to arena design and arena renovation may be provided by specialty design consultants. Firm submittals should include descriptions of experience and knowledge of Sustainable Design and LEED Certification. The design and construction administration services by the selected team shall facilitate the facility needs, and accomplishing those needs within the mandatory project schedule in order to meet

occupancy requirements for this project. The selected firm will be required to provide computer drawings according to the standards of the University of South Florida, including computer record drawings reflecting as-built conditions to facilitate the University's space management program. Blanket professional liability insurance will be required for this project in the amount of \$3,000,000, and will be provided as a part of Basic Services.

It is the University's responsibility to negotiate a fair, competitive, and reasonable compensation per Section 287.055, F.S. A fair, competitive and reasonable compensation shall be evaluated based upon the following information: (1) Compensation on similar projects; (2) other compensation reference data; and (3) after approval of the ranking, proposals requested from the short-listed firms based upon a scope of services document to be provided at the time of negotiations. Selection of finalists for interview will be made on the basis of professional qualifications of the proposed design team, including experience and ability to meet the project requirements and the goals and objectives of the University's Strategic Plan; past experience; design ability; volume of work; and distance from project. The distance factor for this project will provide a maximum of one point difference in scoring for location between in-state and out-of-state applicants.

As part of the University of South Florida's Strategic Plan, USF made a commitment to foster a diverse community distinguished by a shared purpose, collaboration, open and timely communication, mutual respect, trust, and inclusiveness. The University of South Florida is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises ("MBEs") in the provision of design and construction-related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services.

The plans and specifications for the University of South Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

INSTRUCTIONS:

Firms desiring to apply to provide professional services shall submit one (1) original submittal and five (5) bound copies consisting of the information as required in the "Submittal Requirements" of the Project Fact Sheet including a letter of interest, a completed "USF Professional Qualifications Supplement (PQS)" dated October 2010 for the USF Sun

Dome Arena and Convocation Center – Renovation Project and any required or additional information within the proposal limits. Applications on any other form will not be considered. Submittals are part of the public record. All applicants must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned.

The “USF Professional Qualifications Supplement dated October 2010” and Project Fact Sheet which includes project information and selection criteria, may be obtained by contacting: Kathy Bennett, University of South Florida, Facilities Planning and Construction, 4202 East Fowler Avenue, FPC110, Tampa, Florida 33620-7550, email: kbennett@admin.usf.edu, (813)974-3098, (813)974-2625 or Fax: (813)974-3542.

All interested firms are invited and encouraged to attend a Pre-Submittal Meeting to be held at 2:00 p.m. (Eastern Time), Tuesday, November 16, 2010, at the: University of South Florida, Tampa Campus, Sun Dome, (Entry 4, Southwest Corner of the Sun Dome) Green and Gold Room, 4202 East Fowler Avenue, Tampa, Florida 33620, to review the scope and requirements of this project. (Directions and parking information can be obtained at the Campus Information Center at the Fowler entrance, consult a campus map website at: <http://www.usf.edu/Locations/Maps-Directions/tampa.asp> and parking information at: http://usfweb2.usf.edu/parking_services/default.asp.

Requests for meetings by individual firms will not be granted. No verbal communication shall take place between the applicants and the employees of the University of South Florida except as provided at the Pre-Submittal Meeting, the Pre-Interview Meeting and the request for the PQS and Fact Sheet. Requests for any project information must be in writing to the above email address. The Selection Committee may reject all proposals and stop the selection process at any time. One (1) original and five (5) copies of the requested submittal data, bound in the order listed in the “Submittal Requirements” of the Project Fact Sheet shall be addressed to: Ray Gonzalez, RA, Facilities Planning and Construction, University of South Florida, 4202 East Fowler Avenue, FPC110, Tampa, Florida 33620-7550.

Applications that do not comply with the above instructions may be disqualified. Submittals are to be received in the University of South Florida, Facilities Planning and Construction Office, FPC110 by 2:00 p.m. (Eastern Time), Tuesday, November 30, 2010 Facsimile (FAX) or electronic submittals are not acceptable and will not be considered.

UNIVERSITY OF WEST FLORIDA
CALL FOR QUALIFICATIONS
PROFESSIONAL SERVICES

The University of West Florida Board of Trustees and the University of West Florida announce that it is accepting sealed qualifications submittals for professional services for minor projects on an as-needed basis:

Campus Engineering – Site and Civil – 10PQS-07JJ

Sealed submittals will be received until December 9, 2010, 10:00 a.m. (Central Time), at the Office of Procurement and Contracts, Bldg. 90, Room 134, The University of West Florida, 11000 University Parkway, Pensacola, FL 32514.

The solicitation documents and related information may be downloaded from the website: <http://uwf.edu/procurement>.

Respondents must comply with all requirements of the solicitation documents.

All inquiries must be submitted in writing to: Judy Jasmyn at email: jjasmyn@uwf.edu.

NOTICE TO DESIGN BUILDERS

The University of Central Florida announces that Design Build Services will be required for the project listed below:

Project No.: UCF-562, Project and Location: Academic Villages Parking Garage Main Campus, University of Central Florida 32816-3020

Project description: The project consists of the new construction of a new parking garage adjacent to Libra Drive on the main campus of the University of Central Florida, Orlando, Florida. The new garage must accommodate at least 1080 new parking spaces with associated ingress, egress and traffic signalization.

The selected Design Build (DB) team will provide design, construction documents, and construction services.

Conceptual and advanced schematic design phases shall take place at the University of Central Florida employing an interactive style format. The design team shall prepare graphic illustrations of design concepts for review and will participate in the presentation of those concepts.

The total project budget for this project is \$12,572,280, which includes planning and construction. This project is contingent upon bond financing and appropriate approvals.

The contract for design build services will consist of two phases. Phase One is for pre-construction services, for which the design builder will be paid a fixed fee. Phase One services include value engineering, constructability analyses, and development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 75% Construction Document phase. If the GMP is accepted, Phase Two, the construction phase, will be implemented. The Design Builder is the single point of responsibility for performance of the design and construction of the project and shall publicly bid trade contracts, encouraging the inclusion of Minority Business Enterprises. Failure to negotiate an acceptable fixed fee for

phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the design builder's contract.

Selection of finalists for interviews will be made on the basis of the design builder's qualifications, including experience and ability, past experience, bonding capacity, cost estimating, and qualification of the firm's personnel, staff and consultants. Finalists will be provided with a copy of the final interview requirements, a copy of the University of Central Florida Design and Construction Standards, and the University of Central Florida Design Build agreement. The Selection Committee may reject all proposals and stop the selection process at any time.

Carefully review the Design Build Contract and General Conditions documents. Submitting a proposal for this project constitutes complete agreement with and acceptance of the terms and conditions contained within these documents. These documents can be found on our website at www.fp.ucf.edu with the advertisement. Please note that the University of Central Florida will not compensate for lodging, food, or travel associated with this project.

Firms desiring to provide design build services for the project shall submit a letter of application and a completed University of Central Florida "Design Builder Qualifications Supplement." Proposals must not exceed 40 pages, including the Design Builder Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals, which do not comply with these requirements or do not include the requested data, will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a design build firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected design build firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.

The University of Central Florida Design Builder Qualifications Supplement forms and the Project Fact Sheet which contains the Selection Criteria may be obtained by contacting: Gina Seabrook at (407)823-2166, Fax: (407)823-5141, email: gseabroo@mail.ucf.edu or on our website: www.fp.ucf.edu.

Five (5) bound copies of the required proposal data shall be submitted to: Mrs. Gina Seabrook, Facilities Planning, 4000 Central Florida Blvd., Post Office Box 163020, Orlando, FL 32816-3020. Submittals must be received by 4:30 p.m. (Local

Time), December 10, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered. Late submissions will not be accepted.

NOTICE FOR CONSTRUCTION MANAGEMENT SERVICES – Request for Qualifications – RFQ 11-10

Construction Management Services – North Satellite Plant

The University of North Florida – Board of Trustees, a public body corporate, announces that Construction Management Services will be required for the project termed North Satellite Plant to be located at 1 UNF Drive, Jacksonville, FL 32224.

The scope of work for this project is anticipated to include a new modular satellite central energy plant (CEP) to provide chilled and heating hot water service to the facilities north of UNF Drive, including the new Student Wellness Center currently in design. The plant cooling capacity is estimated to be approximately 1,000 tons; and heating capacity is estimated to be approximately 8,000 MBH. Also included is site distribution piping between the new plant and the new Student Wellness Center. The plant will be located just south of Hodges Stadium.

The tentative solicitation schedule for this RFQ:

Submissions due	November 29, 2010, 2:00 p.m.
Evaluation/Short listing	December 2010
Interviews (TBD)/Award	January 2011
Substantial Completion	September 2011

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application with all of the appropriate documents from the RFQ 11-10 Construction Management Services – North Satellite Plant.

The letter of application should have attached:

1. The most recent version of the "UNF Construction Management Qualifications Supplement Form," completed by the applicant. Applications on any other form will not be considered.
2. A copy of the applicant's current Florida Contractor's License from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.
3. Submit six (6) complete copies of the above requested data bound and in the order listed above. Applications which do not comply with the above instructions will be disqualified. Application materials will not be returned.

Minority Business participation is strongly recommended and supported by the University of North Florida.

As required by Section 287.133, Florida Statutes, a construction manager may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services

of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Construction Management Qualifications Supplemental forms, additional information, required forms and the selection criteria may be obtained electronically online at the UNF Purchasing department website: http://www.unf.edu/anf/purchasing/Bids_and_Notices.aspx or by emailing:

Dianna White	AND	Angela Dyal
Dianna.white@unf.edu	University of North Florida	angela.dyal@unf.edu

FLORIDA HOUSING FINANCE CORPORATION

ITN 2010-15 Business Insurance

The Florida Housing Finance Corporation invites all qualified firms to submit proposals for business insurance to cover Commercial General Liabilities, Director and Officers Liability, Employment Practices and Fiduciary Liability.

The services are to be provided in accordance with the technical specifications and terms and conditions set forth in this Invitation to Negotiate (ITN) 2010-15. Proposals shall be accepted until 2:00 p.m. (Eastern Time), Monday, November 15, 2010, to the Attention: Sherry Green, Contracts Administrator, Florida Housing Finance Corporation, 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329. For questions or additional information, please contact: Sherry Green at (850)488-4197 or email: sherry.green@floridahousing.org. To obtain a copy of the Invitation to Negotiate, which outlines selection criteria and applicant's responsibilities, please submit your request to the Attention: Sherry Green, or you can download the Invitation to Negotiate from the Florida Housing Finance Corporation web site at: http://apps.floridahousing.org/StandAlone/FHFC_ECM/AppPage_LegalITNs.aspx. Any modifications that occur to the Invitation to Negotiate will be posted at the web site and may result in an extension of the deadline.

FISH AND WILDLIFE CONSERVATION COMMISSION

BIDS ARE REQUESTED FROM QUALIFIED CONTRACTORS BY THE FLORIDA FISH AND WILDLIFE CONSERVATION COMMISSION FOR THE CONSTRUCTION OF:

PROJECT NO: FWC 10/11-32

PROJECT NAME: CAMP BRANCH CREEK
HYDROLOGIC RESTORATION

PROJECT LOCATION: PUTNAM COUNTY, FLORIDA
FOR:

Work on this proposed project is comprised of filling the adjacent rim ditch, regrading of existing on site access trail and staging areas, planting with native vegetation, and stabilization of all project areas using erosion control BMP's.

QUALIFICATION:

Each bidder whose field is governed by Chapters 399, 455, 489 and 633, Florida Statutes for licensure or certification must submit qualification data of their eligibility to submit proposals with their bid.

PRE-BID CONFERENCE:

A non-mandatory pre-bid conference has been scheduled for 11:00 a.m. (EST), Wednesday, November 10, 2010, on site at Caravelle Ranch Wildlife Management Area (WMA) (approximately 10 miles south of Palatka on SR 19), Caravelle Ranch Road, Putnam County, Florida. Coordinates: N29° 30' 48", W81° 44' 02"

REQUIRED BONDS:

Bids shall be accompanied by a bid guarantee of not less than five (5) percent of the amount of the bid.

After award of contract, a 100% performance bond and a 100% labor and material payment bond will be required.

Sealed bids will be received, publicly opened and read aloud on:

DATE AND TIME: November 30, 2010, 3:00 p.m. (EST)

PLACE:

Purchasing Office, Room 364, Florida Fish and Wildlife Conservation Commission, 620 South Meridian Street, Tallahassee, Florida 32399-1600, (850)488-3427

PROPOSAL:

Bids must be submitted in full accordance with the requirements of the Drawings, Specifications, Bidding Conditions and Contractual Conditions.

BID PACKAGE:

Bid documents shall be obtained from the Commission, upon payment of \$100.00, non-refundable, for one set. The payment envelope **MUST** be plainly marked on the outside with the bid number. The bid package will be sent overnight upon receiving payment by the above-mentioned Purchasing Office. Provide contact information, phone and fax number, as well as complete return address. **DO NOT PROVIDE POST OFFICE BOX FOR RETURN ADDRESS.**

or by downloading at no cost from: http://myflorida.com/apps/vbs/vbs_www.search.criteria_form

GILBANE BUILDING COMPANY**BID ADDENDUM NO. 1**

This Bid Addendum modifies the University of North Florida (UNF) Student Wellness and Sports Education Center (SWSEC) Demolition, Site Work, Concrete & Structural Steel Bid Packages as follows.

Gilbane Building Company, Construction Manager, will receive subcontractor bids at the above address for:

BP-02A – Demolition

BP-03A – Concrete

BP-05A – Structural Steel

BP-31A – Sitework

on the University of North Florida Student Wellness and Sports Education Center project. All original copies of bids must be completed on Gilbane's proposal form, and delivered to the above address on or before November 19, 2010, 2:00 p.m.

The Wellness Center is a 2 story + track level, metal panel and glass exterior, steel structure approximately 70,000 SF in area. It will contain administrative office space, group fitness rooms, track, and exercise equipment area. The project is currently scheduled for completion in December 2011.

Drawings and specifications will be made available through Gilbane Building Company on October 29, 2010 at <ftp://transfer.gilbaneco.com>.

Username: unf

Password: ftpunf!

There will be a non-mandatory pre-bid meeting held at the address listed below on November 10, 2010, 1:00 p.m.

UNF Hall (Bldg. 53), Room 1420

4892 First Coast Technology Parkway

Jacksonville, FL 32224

Prospective Trade Contractors shall complete an online prequalification form at: www.ibidpro.com. A tutorial with step by step instructions on how to complete the online prequalification form is available on the ftp site. Contact: Brian Wilson at bwilson@gilbaneco.com for additional information.

SCHOOL BOARD OF PASCO COUNTY**INVITATION TO BID**

11-042-AF Purchase and Installation of Storage Sheds – “As Needed” / FEPC

On behalf of Florida Education Purchasing Consortium

NOTICE IS HEREBY GIVEN THAT sealed bids will be accepted, and publicly opened thereafter, at the office of the Purchasing Agent, 20430 Gator Lane, Land O' Lakes, FL 34638-2803 on or until November 30, 2010, 2:30 p.m. (EST). Bids will be accepted and publicly opened on November 30, 2010, if date/time stamped 2:30 p.m.; date/time stamps of 2:30:01 p.m. or later will be rejected and returned unopened. Late bids, regardless of reason, will be considered non-responsive.

PROJECT: BID NO. 11-042-AF, Purchase and Installation of Storage Sheds

The intent of this bid is to establish a three-year contract (renewable annually upon mutual consent of both parties) between the District School Board of Pasco County and a supplier for the Purchase and Installation of Storage Sheds on an “as needed” basis for various members of the Florida Education Purchasing Consortium, throughout the state of Florida. The award of this bid will be based on an “all or none” basis by group to the lowest and best, responsive and responsible, bidder meeting written specifications for the estimated quantities listed.

DOCUMENTS: Available through
<http://purchasing.pasco.k12.fl.us/>.
 INSURANCE: Standard Workman's Comprehensive,
 General Liability, etc.
 PLANS: None

The District School Board of Pasco County reserves the right to waive minor formalities in any bid and to accept any bid which they consider to be in the best public interest, and to reject any part of, or any and all bids. Award will be made to the lowest and best, responsive and responsible, bidder in the opinion and at the option of the Board. Their decision shall be final and conclusive.

l/s Heather Fiorentino
 Superintendent of Schools
 District School Board of Pasco County

PUTNAM COUNTY PUBLIC WORKS

REQUEST FOR QUALIFICATIONS RFQ NO: 11-02

The Putnam County Board of County Commissioners is requesting interested firms to provide Statements of Qualifications and Letters of Interest for the FLORIDA BLACK BEAR SCENIC BYWAY MASTER PLAN STUDY. The work shall consist of, but not be limited to, the preparation of a master plan written report for the Florida Black Bear Scenic Byway through Marion, Lake, Putnam and Volusia Counties a total of 126 miles.

The Putnam County Board of County Commissioners solicits responses from qualified and experienced Professional Engineering and Surveying, Design and Planning Consultants for the purpose of providing the County with an active list of available consulting firms for Selection to provide a Master Plan Study and Report. The selection process shall meet the requirements of the Consultants Competitive Negotiation Act "CCNA" Chapter 287, Florida Statutes, and in accordance with FDOT current standards.

A detailed Request for Qualifications Proposals information packet is available for download at: www1.putnam-fl.com/live/gscfb.asp or a copy may be obtained from the: Putnam County General Services Department, 223 Putnam County Boulevard, East Palatka, Florida, (386)329-0346, for a non-refundable cost of \$25.00 each (check or cash only, exact change).

Deadlines for receipt of RFQ responses has been set for 2:00 pm, Friday, December 3, 2010. Send one (1) original and five (5) copies of complete responses or deliver in person to: Putnam County General Services Department, 223 Putnam County Boulevard, East Palatka, Florida 32131. Only Statements of Qualifications received on or before the aforesaid time and date will be considered. Responders must indicate the RFQ number and description on the submittal package front cover.

There will be a mandatory pre-submittal conference held at 10:00 a.m., Friday, November 19, 2010, in the Putnam County Commission Meeting Room, 2509 Crill Avenue, Suite 100, Palatka, Florida 32177. Questions concerning this project may be directed to: Mr. Angelo A Speno, P.E. at (386)329-0346 or Fax: (386)329-0340.

Putnam County complies with all federal status relating to non-discrimination.

The local preference provisions of the County Purchasing Ordinance do not apply to this RFQ.

The Board of County Commissioners reserves the right to accept or reject any and all submittals of qualifications and to waive all informalities.

Section XII Miscellaneous

DEPARTMENT OF REVENUE

NOTICE OF ADOPTION OF COMMUNICATIONS SERVICES TAX ADDRESS/JURISDICTION DATABASE

Section 202.22(2), F.S., requires the Department of Revenue to create and maintain an electronic siting database that assigns customer service addresses to local taxing jurisdictions for purposes of the communications services tax. The update to the Address/Jurisdiction Database, as posted on October 1, 2010, becomes effective on January 1, 2011. The database can be accessed at <http://geotax.state.fl.us>. The next update to the database will be effective July 1, 2011, and is required to be posted 90 days in advance of the effective date. Local governments are required to submit changes and additions for inclusion in the July 1, 2011, update no later than March 3, 2011. Additional information concerning procedures for requesting changes and additions to the database is available from the: Department of Revenue Local Government Unit at 1(800)352-3671 or by email: local-govt-unit@dor.state.fl.us. Persons with hearing or speech impairments may call the TDD line at 1(800)367-8331 or (850)922-1115.

DEPARTMENT OF HIGHWAY SAFETY AND MOTOR VEHICLES

Notice of Publication for a New Point Franchise Motor Vehicle Dealer in a County of Less than 300,000 Population

Pursuant to Section 320.642, Florida Statutes, notice is given that JH Global Services, Inc., intends to allow the establishment of Allstar Golf Cars, LLC, as a dealership for the sale of low-speed vehicles manufactured by JH Global Services, Inc. (STAR) at 570 North Highway 441/27, Lady Lake (Lake County), Florida 32159, on or after November 21, 2010.
