DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the disciplines of engineering and architecture for Total Building Commissioning will be required for the project listed below:

Project: UF-365, Corry Village Commons Replacement (Gainesville, FL)

The project includes the deconstruction of two small buildings, the construction of a new 9,000 square foot, multi-purpose Commons facility, and associated sitework and landscaping at the Corry Village Graduate and Family housing complex. The scope of services shall include design phase peer review; completion and maintenance of the Owner’s Project Requirements (OPR) document; development of the Commissioning Plan, Commissioning Specifications, and Systems Manual; and construction phase pre-functional, functional, and performance testing for mechanical, electrical, building automation, and building envelope systems. The consultant shall also support project efforts to achieve higher-than-normal energy efficiency and attain LEED certification at the Gold level or higher.

Blanket professional liability insurance will be required for this project in the amount of \$1,000,000.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet for Commissioning Consultants, and other background information. The proposal shall be limited to 20 single-sided pages OR 10 double-sided, consecutively-numbered pages and shall include:

1. A Letter of Application that concisely illustrates the applicant’s understanding of the scope of services.
2. A completed, project-specific Commissioning proposal form with signed certification. Applications on any other form will not be considered.
3. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).
4. Proof of the applicant’s corporate status in Florida (if applicable) and copies of current licenses for the applicant and its consultants from the appropriate governing board.

5. Proof of the applicant's ability to be insured for the level of professional liability coverage demanded for this project.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected applicant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

The Commissioning Services Proposal Form and Instructions, Project Fact Sheet, UF Design Services Guide, UF Design & Construction Standards, FP&C non-technical specifications, standard University of Florida Owner-Commissioning Consultant agreement, and other project and process information can be found on the Facilities Planning & Construction website. Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning & Construction office by 3:00 p.m. (Local Time), Thursday, January 13, 2011. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO CONSTRUCTION MANAGERS:

The University of Florida Board of Trustees announces that CM-At-Risk services will be required for the project listed below:

Project: UF-372, McCarty 3rd Floor Renovations (Main Campus)

The project consists of the renovation of McCarty A 3rd Floor for laboratory, laboratory support, offices, and office support functions. It is approximately 14,300 square feet of space in need of a full HVAC and code compliance upgrade.

The total project budget is approximately \$3,400,000.00, including fees, surveys & tests, building commissioning, furnishings & equipment, and contingencies. Construction shall be “fast-tracked” to begin by 9/15/2011. LEED CI (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory.

The contract for construction management services will consist of two phases, pre-construction and construction. Pre-construction services will begin at the Conceptual Schematic Design stage and will include production of cost studies and estimates; value engineering; analysis of the design documents for constructability, coordination, detailing, materials, and systems; development and maintenance of the construction schedule; production of detailed jobsite management plans; development of strategies for the procurement of trade contracts; and development of a Guaranteed Maximum Price (GMP) proposal based on 60%

Construction Documents. If the GMP proposal is accepted and executed, the construction phase will be implemented. In this phase, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or failure to arrive at an acceptable GMP budget within the time provided in the agreement, may result in the termination of the construction manager’s contract.

Applicants will be evaluated on the basis of their past performance, experience, personnel, references, bonding capacity, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant must be licensed to practice as a general contractor in the State of Florida and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide construction management services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the CMQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant’s understanding of the scope of services, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific “CM Qualifications Supplement” (CMQS) proposal. Applications on any other form will not be considered.
4. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff.
5. Proof of the applicant’s corporate status in Florida (if applicable) and a copy of the applicant’s current contracting license from the appropriate governing board.
6. Proof of applicant’s bonding capacity.

If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. NOTICE TO CONSTRUCTION MANAGERS

Florida A & M University (FAMU) announces that construction management services will be required for: Project No.: FM-321, FAMU/FSU College of Engineering, Phase III (PH-3), Tallahassee, Florida

This project consists of the constructing of approximately a 78,100 gsf facility. The project scope includes teaching labs, class rooms, offices, auditorium, reference and reading facility and food court. The estimated construction budget is \$28,560,000.

The contract for construction management services will consist of two phases. Phase one is pre-construction services, for which the construction manager will be paid a fixed fee (which shall not exceed one percent of estimated construction cost). Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 75% Construction Document phase. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager's contract.

Selection of finalists for interviews will be made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping /administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; qualification of the firm's personnel, staff and consultants; and ability to meet the minority business enterprise participation

requirements. Finalists will be provided with a copy of the building program, the latest documentation prepared by the project architect/engineer and a description of the final interview requirements. The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Firms desiring to provide construction management services for the project shall submit a letter of application and a completed FAMU "Construction Manager Qualifications Supplement." Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals which do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$25,000 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The FAMU Construction Manager Qualifications Supplement forms and the Project Fact Sheet may be obtained by contacting: Samuel Houston, Director, Facilities Planning and Construction by e-mail: samuel.houston@famuedu.edu and/or PH: (850)599-8001, Fax: (850)561-2289.

Eight (8) ring, comb or coil/spiral (no hard, solid or tack) bound copies of the required proposal data shall be submitted to: Samuel J. Houston, Director, Facilities Planning and Construction, Florida A & M University, Plant Operations Facility, Building A, Suite 100, 2400 Wahnish Way, Tallahassee, FL 32307.

Submittals must be received in the Facilities Planning and Construction Office by 2:00 p.m. (Local Time), January 26, 2011. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO PROFESSIONAL ROOFING CONTRACTORS

The University of Central Florida, on behalf of the Board of Trustees, announces that continuing Professional services for minor projects are required for the following service: Roofing Contractor.

The Roofing Contractor will provide roofing repair services for educational (University) facilities, roofing replacement services for complete or partial roof replacement projects, and will work with University contracted Roofing Consultants, Architects, and University Facilities & Safety employees to conduct roof construction, replacement, and repair projects to ensure quality roofing systems are installed on University roofs.

Roofing systems included in the scope of this agreement will be single ply membrane, modified bitumen, asphalt shingle, architectural metal, tile and applied polymer built-up roofing systems that are listed in the University's Facilities Construction & Renovation Standards. Campus Service contracts for these projects provide that the Contractors will be available on an as-needed basis for the upcoming year. Upon completion of satisfactory performance, the contract may be renewed yearly for three (3) additional years. The Contractors receiving the award may not have an exclusive contract to perform services for these projects. The University may have additional Campus Service professionals under contract during the same time period.

Carefully review the Design Build Contract and General Conditions documents. Submitting a proposal for this project constitutes complete agreement with and acceptance of the terms and conditions contained within these documents. These documents can be found with the advertisement on our website at: www.fp.ucf.edu. Please note that the University of Central Florida will not compensate for lodging, food, or travel associated with this project.

INSTRUCTIONS:

Contractors desiring to provide professional roofing services shall apply by letter and a completed University of Central Florida "Construction Managers Qualifications Supplement" specifying the roofing systems that they are currently qualified and certified by the manufacture to apply. Proposals must not exceed 40 pages.

Attach to each letter of application:

A written Letter of Certification from the Roofing Material Manufacturer for application of the roofing membrane products listed in Notice to Roofing Contractors.

A list of completed jobs over the last three (3) years with contract value, contact name and telephone number.

A copy of the applicant's current Professional Contractor's license from the State of Florida. An applicant must be properly licensed to practice at the time of submission of this application. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit five (5) copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions will not be considered. Application materials will not be returned.

The plans and specifications for the Florida Board of Education projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a contractor may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past thirty six (36) months. The selected contractor must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or contractor in excess of \$15,000.00 in connection with this project for a period of thirty six (36) months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplement (PQS) forms, descriptive project information, and selection criteria may be obtained by contacting: Gina Seabrook, Office of Facilities Planning at (407)823-2166, Fax: (407)823-5141, email: gseabroo@mail.ucf.edu or on our website: www.fp.ucf.edu.

Five (5) bound copies of the required proposal data shall be submitted to: Mrs. Gina Seabrook, Facilities Planning, 4000 Central Florida Blvd., Post Office Box 163020, Orlando, FL 32816-3020. Submittals must be received by 4:30 p.m. (Local Time), January 18, 2011. Facsimile (FAX) submittals are not acceptable and will not be considered. Late submissions or additional documentation will not be accepted.
