

Section XI Notices Regarding Bids, Proposals and Purchasing

DEPARTMENT OF EDUCATION

NOTICE TO ARCHITECT/ENGINEERS

BT-889 Parkview Housing Project

The Florida International University Board of Trustees announces that services in the discipline of Architecture/Engineering are required for the project identified below:

Project Name and Number: Parkview Housing Project, BT-889

Project Location: Modesto A. Maidique Campus (MMC),
Miami, Florida

Project Description: The Parkview Housing project will consist of two (2) construction phases each accommodating 620 beds of student housing at the Modesto A. Maidique Campus. The first phase is expected to be completed for fall term 2013 and the additional 620 beds in the second phase for fall term 2016. The expansion will be comprised of two new residential complexes. The first complex will house 600 undergraduate students. The second phase will include 600 beds dedicated to serving honors students, graduate students and other special interest groups (i.e. Greek Housing). Each complex will accommodate 20 live-in staff for a combined total of 1,240 new residents. The project will be initially be funded for the first phase only.

In addition to the second phase, other project components may be added to the project scope prior to completion of construction of Phase One (1) Complex (A) as funding becomes available. These other components include the use of ground floor space for academic support, retail, food service, recreation, and possibly parking.

Phase One (1) Complex (A) envisions 600 undergraduate residents housed in groups of forty (40) students organized into fifteen (15) "residential communities". Serving these residential communities will be community lounges, a multipurpose room, and other spaces to accommodate programs and activities. Phase One (1) Complex (A) will provide students with one type of living unit. The unit type "A" will be a four bedroom suite, with each bedroom designed for single occupancy, and two bathrooms in a shared common area with kitchen, housing a total of four students (total of 150 units with the housing complex).

Phase One (1) Complex (A) will also include four (4) apartments to house full-time professional staff members and graduate assistants and guests. The complex will be staffed by 15 Resident Assistants, two Graduate Assistants, and one Residence Life Coordinator. Each Resident Assistant will be housed in a single occupancy unit with private bathroom and kitchen. Graduate Assistants will be housed in one bedroom apartments, each with a kitchen and private bathroom. The

Residential Life Coordinator will be housed in a two bedroom apartment with a living room, kitchen, dining room, bathroom, and laundry closet.

Support services for the undergraduate element of this program will include staff offices, maintenance support space, residential life programming, and student recreation. This space will allow each "residential community" to have shared access to support services, recreation and programming spaces. Other support services will include an entrance lobby with public restrooms; mail processing room / mail boxes; laundry / vending machine room; several multipurpose rooms; a large recreation lounge; as well as maintenance workshop / storage. The site configuration of each complex will take into consideration a "Town" street philosophy envisioning a pedestrian street linking the housing complexes with covered walkways, outdoor seating areas, green spaces, retail, and other amenities. The urban planning and design concept will foster student interaction and social activity, while making student safety and security a priority. The intensity and density of the facilities must be sensitive to and not diminish the established quality of on-campus student life. The complex will have the character of a high quality residential facility, blending with the existing campus architecture and other student housing buildings in the area. Containment and reduction of noise from adjacent parking, the FIU Community Stadium and the street, as well as sound transmission between living units and bedrooms will be a high priority. A minimum building separation of one hundred feet and building height of ten stories should provide adequate green spaces between buildings to enhance student interaction and ensure access to outdoor areas for recreation.

The complex will serve as a hurricane evacuation center for the resident student population and must conform to building standards to allow for occupancy during a category five hurricane. Durability of finishes, building materials, and mechanical equipment will be a primary concern. Designated spaces will be supported by an emergency generator located within the building structure.

Safety and security of the resident population will also be a primary concern. The building(s) will be secured and monitored on a 24 hour / seven day a week basis. Access to residential areas will be limited to residents and guest only.

The Parkview Housing Project Phase Two (2) design envisions a separate Complex (B) to house an additional 620 students comprised of graduate, honors, and other special interest housing (i.e. Greek housing). The unit types in the second phase of construction are envisioned to be identical to those in Phase One (1) Complex (A) with modifications as needed to accommodate the specific needs of the special interest housing groups. The location of Complex (B) should be studied as part of the Phase One (1) planning process to maximize the use of space and ensure proper building placement.

The total building construction cost for Phase One (1) Complex (A) is approximately \$36,434,378 and the total project cost is approximately \$45,000,000. The University is committed to producing buildings that comply with sustainable energy conservation strategies and standards (minimum LEED Silver Certification).

Applicants are hereby notified that in the event the University is unable to secure full funding for either or both of the residential complexes, Phase One (1) Complex (A) or Phase Two (2) Complex B, the University intends to proceed only with design and construction of fully funded project phase(s), if any.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application. The letter of application should have attached:

1. A completed "Florida International University Professional Qualifications Supplement (FIUPQS)." The official FIUPQS forms must be downloaded from the FIU web site at <http://facilities.fiu.edu/projects/BT-889.htm>. Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate Governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit Seven (7) bound copies of the required proposal data and one CD copy in Adobe Acrobat PDF format of the requested qualifications to: Selection Committee, Florida International University, Real Estate Development and Planning, Campus Support Complex, 11555 S.W. 17th St., Room CSC142, Modesto A. Maidique Campus, Miami, Florida 33199. Applications that do not comply with the above instructions will not be considered. Application material will not be returned. The University reserves the right to suspend or discontinue the selection process at any time and to return or reject any or all submissions of qualifications without obligation to the respondent. The award of this contract is subject to availability of funds.

The plans and specifications prepared by the A/E are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

FIU HAS CREATED STANDARD CONTRACT FORMS AND STANDARD INSURANCE REQUIREMENTS APPLICABLE TO A/E'S FOR A/E AND OTHER LICENSED PROFESSIONAL SERVICES TO PROVIDE FOR AN EFFICIENT AND EFFECTIVE PROCESS. THESE FORMS ARE AVAILABLE FOR REVIEW AND CAN BE FOUND AT <http://facilities.fiu.edu/formsandstandards.htm>.

ALL APPLICANTS SHOULD REVIEW THE APPLICABLE FIU CONTRACT FORM AND STANDARD INSURANCE REQUIREMENTS CAREFULLY PRIOR TO MAKING A DECISION AS TO WHETHER OR NOT TO RESPOND TO THIS ADVERTISEMENT.

The Project Fact Sheet, which describes the selection process schedule for this Project and additional information regarding the Project scope, may be obtained from the web-site <http://facilities.fiu.edu/projects/BT-889.htm>. Requests for meetings by individual firms will not be granted. Once the firm acquires the required forms, questions may be directed to Real Estate Development and Planning at (305)348-4090 or via email to griffith@fiu.edu.

Submittals must be received between 8:30 a.m. and 12:30 p.m. or 1:30 p.m. and 4:00 p.m. local time, Friday, March 11, 2011. Submittals will not be accepted before or after the times and date stated above. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO PROFESSIONAL CONSULTANTS

Request for Qualifications

RFQ 11-15

A/E – Housing Maintenance Building

The University of North Florida – Board of Trustees, a public body corporate, announces that Professional Services in the discipline of Architecture and Engineering are required for the project termed the Housing Maintenance Building – University of North Florida located at – 1 UNF Drive, Jacksonville, FL.

The scope of work for this project is anticipated to include a building of approximately 11,760 SF, configured as a single two-story structure. The facility will include a maintenance shop, storage, office and training space for the department of Housing and Residence Life. The facility will be located on an existing parking lot that will be re-designated to add secure parking and a covered parking area to accommodate charging 15 golf carts. Applicants are requested NOT to nominate sub-consultants at this time. Selection of sub and specialty consultants will occur at a later date.

The tentative solicitation schedule for this RFQ:

Advertisement	Feb 11, 2011
Submissions due	March 14, 2011, 2:00 p.m.
Evaluation/Short listing	March 2011
Interviews (TBD)/Award	March/April 2011

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application with all of the appropriate documents from the RFQ 11-15 A/E – Housing Maintenance Building.

The letter of application should have attached:

1. The most recent version of the “Professional Qualifications Supplement,” completed by the applicant. Applications on any other form will not be considered.
2. A copy of the applicant’s current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.
3. Submit five (5) complete copies of the above requested data bound and in the order listed above. Applications which do not comply with the above instructions will be disqualified. Application materials will not be returned.

Minority Business participation is strongly recommended and supported by the University of North Florida.

Blanket professional liability insurance will be required for this project in the amount of \$2,000,000 and will be provided as part of the Basic Services (each, aggregate and per occurrence).

As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplemental forms, descriptive project information, required forms and the selection criteria may be obtained electronically online at the UNF Purchasing department website http://www.unf.edu/anf/purchasing/Bids_and_Notices.aspx or by emailing:

Submit one (1) original four (4) complete copies of submittals to the above referenced address. RFQ submittals must be received no later than 2:00 p.m. local time, on March 14, 2011. Facsimile (FAX) or email submittals are not acceptable and will not be considered.

ADVERTISEMENT FOR BIDS

The School Board of Pinellas County, Florida will receive sealed bids in the Purchasing Department of the School Board of Pinellas County, Florida, 301 – Fourth Street S.W., Largo, Florida 33770-3536 until 3:00 p.m. local time, on March 10, 2011 for the purpose of selecting a Contractor for supplying all labor, material, and ancillary services required for the scope listed below.

SEALED BID NO.: 11-968-170

BID TITLE: Lighting and HVAC Replacement

SCOPE OF PROJECT: This bid will select a “General Contractor”. The work shall consist of furnishing all materials, labor, tools, equipment and supervision required to replace the existing HVAC and lighting in Building #15. The project consists of removing and replacing the existing lay-in ceiling grid and tiles, lighting, electrical service feeders, panels, Chilled Water HVAC unit, duct work and adding new VAV boxes. All existing ceiling mounted devices for the fire alarm, security, CCTV, etc. will be supported and protected during construction and reinstalled in the new ceiling.

BID & PERFORMANCE SECURITY: Bid and Performance Security is required with this bid.

PRE-BID CONFERENCE: A pre-bid conference will be held at the Main Office of Clearwater High School located at 540 S. Hercules Avenue, Clearwater, FL 33764 on February 23, 2011 @ 11:00 a.m. (ET). (Sign-in at the front desk, and you will be escorted to the pre-bid room for the “official” sign-in). Attendance at this pre-bid conference is **MANDATORY** in order for all potential bidders to receive the benefit of answers to theirs and other’s technical questions first hand. If you are not the prime bidder but are attending on behalf of someone else, please make note of this when signing the attendance roster where indicated. We apologize for any inconvenience this may cause you, but it is imperative that all information be disseminated in a public forum with all potential bidders present to minimize confusion or misunderstandings. Additions or changes to the original bid documents resulting from this conference of a material nature, will be documented in the form of written addenda and distributed to all attendees. Please note that if you are late to this mandatory pre-bid conference you will not be eligible to sign the attendance roster and therefore may not submit a bid. You may still, however, attend the conference if you wish.

CANAVERAL PORT AUTHORITY

PROFESSIONAL SERVICES NOTICE-DESIGN SERVICES
 FOR A NORTHSIDE FIRE STATION AND OPERATIONS
 BUILDING (#RFQ-11-002)

The CANAVERAL PORT AUTHORITY (CPA) is requesting technical proposals and qualifications from consulting firms interested in providing architectural and engineering Design Services and technical support to staff at Port Canaveral – located in Brevard County, Florida. The project includes two buildings to be located within Port Canaveral northside operations area. The buildings are a three-bay fire station and a separate facility operations building. These services will be acquired in compliance with the Consultants Competitive Negotiations Act, Section 287.055, Florida Statutes. The A & E consulting firm will be required to display a recurring knowledge of both Florida State and Federal security

requirements for commercial seaports, maritime operations and design of fire stations. Consultant will make appropriate recommendations to the Port regarding the security requirements to meet the minimum state and federal regulations under Chapter 311, F.S. and 33 CFR part 105 respectively to maintain compliance in a cost-effective manner. Consultant will be required to assist the Port staff in formulating both federal and state project funding requests as well as to follow through with contract plans and specifications for implementing the projects. Consultant will be responsible for the design and integration of inter and internet communications for Access Control, Alarm and Perimeter Security Systems, and CCTV Monitoring Systems.

MINIMUM CRITERIA

As a minimum, the firms proposing shall have at least ten (10) years experience in work of a similar nature with airports/seaports and military installations. Consultant must provide references of at least 5 prior successful security and operations projects.

It is recommended that the firm have an office within reasonable proximity to the Canaveral Port Authority and/or demonstrate that they would be able to provide services in a timely manner.

PROPOSAL CONTENT

Each responding consulting firm shall provide six (6) copies and one (1) CD (containing complete proposal in pdf format) of their proposal, giving detailed information on the following:

1. Firm history, location, capabilities, etc. Include this information for all subconsultants.
2. GSA Standard Form 330 or equivalent
3. Five (5) examples of previous experience with providing similar services in the recent past. Include a brief description of the work and individuals to be contacted with telephone numbers.
4. A list of services which would not be performed in-house and a list of consultants, which would provide these services for the firm.
5. A schedule of current commitments and the degree of completion of each.
6. An organization chart and other information which will be useful in evaluating the proposal service.
7. Outline of methodology for implementation of the proposed scope of work.
8. Resumes of key individuals to be involved in the various aspects of the project and an explanation of each individual’s role in the project.
9. Evidence of coverage with at least one million dollars of professional liability insurance.
10. Provide evidence that firm is licensed to do business in the State of Florida with Florida certified design professionals.

SUBMITTAL SCHEDULE

Firms desiring to provide such professional services to the CPA must furnish six (6) copies and one (1) CD (containing complete proposal in pdf format) of their expression of interest to:

Canaveral Port Authority

Attn: Peggy Gooch, Sr. Administrative Assistant, Engineering
 P. O. Box 267
 445 Challenger Road
 Cape Canaveral, FL 32920.

All proposals shall be delivered to the Canaveral Port Authority no later than 3:00 p.m., on Tuesday, March 1, 2011. The selected firm will be required to perform all contract services under a standard CPA service contract, a sample of which may be requested by contacting Peggy Gooch, Senior Administrative Assistant, Engineering, Canaveral Port Authority by email pgooch@portcanaveral.com or via phone at (321)783-7831, ext. 218. All notices will be posted on our website – <http://www.portcanaveral.com/general/bids/php>.

PUBLIC MEETING

A committee established by the Chief Executive Officer will meet on March 8, 2011 at 2:00 p.m. in the Port Commission Meeting Room to review and recommend for Commission approval a ranking of qualified firms to the CPA Commission at their regularly scheduled meeting to be held at 2:00 p.m. on March 16, 2011, at which time selections will be established.

**Section XII
 Miscellaneous**

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

NOTICE IS HEREBY GIVEN THAT the First District Court of Appeal, Case No. 1D10-0254, has directed the Department of Agriculture and Consumer Services to respond to the petition for declaratory statement filed by Exxon Mobil Corporation [ExxonMobil Oil Corporation has been substituted as the Petitioner] dated October 9, 2009, Agency Clerk No. A65281, by answering the following questions: (1) whether Florida’s Price Gouging Law applies to commercial wholesale gasoline transactions such as those engaged in by ExxonMobil, and (2) whether ExxonMobil’s use of the Gulf Coast Regional Platts Index protects it from an enforcement action under the Price Gouging Law. The Court’s Mandate was filed January 13, 2011. ExxonMobil’s Petition seeks the agency’s opinion as to the applicability of provisions of Chapter 501, F.S., specifically Section 501.160 (“Price Gouging Law”), Section 501.164, The Florida Deceptive and Unfair Trade Practices Act (“Deceptive and Unfair Trade Practices Act”), Sections 501.201 through 501.213, F.S., to the circumstances confronting Exxon Mobil Corporation during a declared state of emergency.

A copy of the Petition for Declaratory Statement and the First District Court of Appeal’s disposition may be obtained by contacting: William N. Graham, Senior Attorney, Office of General Counsel, Mayo Building, Room 526, Tallahassee, Florida 32399-0800.

DEPARTMENT OF COMMUNITY AFFAIRS

**NOTICE OF INTENT TO FIND
 PUBLIC SCHOOLS INTERLOCAL AGREEMENT
 CONSISTENT WITH SECTION 163.31777(2), FLORIDA
 STATUTES**

DCA DOCKET NO. 41-01

The Department gives notice of its intent to find the first amendment to the Amended Public Schools Interlocal Agreement (“Agreement”) executed between the Manatee County School Board and each of the following local governments: Bradenton, Holmes Beach, Palmetto, Manatee County and Longboat Key, pursuant to Section 163.31777, F.S., to be consistent with the minimum requirements of Sections 163.31777(2), F.S.

The Agreement is available for public inspection Monday through Friday, except for legal holidays, during normal business hours, at the School Board of Manatee County, 215 Manatee Avenue West, Bradenton, Florida 34205.

Any affected person, as defined in Section 163.31777(3)(b), F.S., has a right to petition for an administrative hearing to challenge the proposed agency determination that the Agreement is consistent with the minimum requirements of Section 163.31777(2), F.S. The petition must be filed within twenty-one (21) days after publication of this notice in the Florida Administrative Weekly, and must include all of the information and contents described in Uniform Rule 28-106.201, F.A.C. The petition must be filed with the Agency Clerk, Department of Community Affairs, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100, and a copy mailed or delivered to Manatee County School Board, Bradenton, Holmes Beach, Palmetto, Manatee County and Longboat Key. Failure to timely file a petition shall constitute a waiver of any right to request an administrative proceeding as a petitioner under Sections 120.569 and 120.57, F.S. If a petition is filed, the purpose of the administrative hearing will be to present evidence and testimony and forward a recommended order to the Department. If no petition is filed, this Notice of Intent shall become final agency action.

If a petition is filed, other affected persons may petition for leave to intervene in the proceeding. A petition for intervention must be filed at least twenty (20) days before the final hearing and must include all of the information and contents described in Uniform Rule 28-106.205, F.A.C. A petition for leave to intervene shall be filed at the Division of Administrative Hearings, Department of Management
