**Section II
Proposed Rules**

DEPARTMENT OF REVENUE

Sales and Use Tax

RULE NOS.:	RULE TITLES:
12A-1.018	Trade and Cash Discounts
12A-1.074	Trade-Ins

PURPOSE AND EFFECT: Rule 12A-1.074, F.A.C. (Trade-Ins), provides that, for a trade-in credit to be allowed against the sales price of an item, any used article to be taken in trade must be taken “at the time of sale.” In Department of Revenue v. Gamestop, Inc. (Case No. 1D10-2899, November 18, 2010), the appellate court affirmed that the phrase “at the time of sale” effectively negates Section 212.09, F.S., and is an invalid exercise of delegated legislative authority. The purpose of the proposed amendments to this rule is to remove the phrase “at the time of sale.”

The subject of the provisions of Rule 12A-1.018, F.A.C. (Trade and Cash Discounts), is discounts, not trade-ins. The purpose of the proposed amendments to this rule is to remove the unnecessary reference to the term “trade-ins,” consistent with the court’s ruling in Department of Revenue v. Gamestop, Inc. SUMMARY: The proposed amendments to Rule 12A-1.018, F.A.C. (Trade and Cash Discounts), remove the unnecessary reference to “trade-ins” from the rule.

The proposed amendments to Rule 12A-1.074, F.A.C. (Trade-Ins), remove provisions which require that, for a trade-in credit to be allowed against the sales price of an item, the item taken in trade must be taken “at the time of sale.”

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. An SERC has not been prepared by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.:	RULE TITLE:
12A-1.061	Rentals, Leases, and Licenses to Use Transient Accommodations

PURPOSE AND EFFECT: The purpose of the proposed amendments to Rule 12A-1.061, F.A.C. (Rentals, Leases, and Licenses to Use Transient Accommodations), is to include the provisions regarding timeshares provided in Chapter 2009-133, L.O.F. When in effect, this rule will provide for the taxability of the purchase of a timeshare interest, the rental of a timeshare accommodation, the occupancy pursuant to the purchase of a regulated short-term product, and the fees charged by timeshare exchange programs.

SUMMARY: The proposed amendments to Rule 12A-1.061, F.A.C. An SERC has not been prepared by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

A timeshare owner who joins an exchange program pays a membership fee to be a part of the exchange program. An owner also pays an exchange fee to request an exchange of a timeshare under the program. The requesting owner may also pay an upgrade fee if the exchange program determines that the requesting owner's timeshare is of a lesser value than the timeshare being requested.

2.a. Consideration paid for the use or occupancy of an accommodation in a timeshare property by a timeshare owner to an exchange program is not subject to tax.

Mr. Smith decides to vacation in Miami, and he submits an exchange request to the exchange program. As part of his exchange request, Mr. Smith specifically requests a four-bedroom timeshare unit. Mr. Smith pays a \$99 exchange fee and a \$250 upgrade fee to the exchange program for the four-bedroom unit. No tax is due on the membership fee, the exchange fee, or the upgrade fee paid by Mr. Smith.

DEPARTMENT OF REVENUE

Corporate, Estate and Intangible Tax

RULE NO.: RULE TITLE:

12C-1.013 Adjusted Federal Income Defined

PURPOSE AND EFFECT: Rule 12C-1.013, F.A.C. (Adjusted Federal Income Defined), currently reflects the provisions of Section 220.13(1)(a)1., F.S., which requires an addition to federal taxable income equal to the amount of any tax upon or measured by income for Florida corporate income tax purposes. Subsection (5) of the rule provides that value-added

taxes are not required to be added back to federal income for purposes of computing the Florida corporate income tax. The Michigan single business tax is included as an example of a value-added tax. On January 1, 2008, Michigan replaced its single business tax with a business tax based on income. The purpose of the proposed amendments to Rule 12C-1.013, F.S., is to remove provisions regarding the now obsolete Michigan single business tax.

SUMMARY: The proposed amendments to Rule 12C-1.013, F.A.C., remove the obsolete Michigan single business tax that is currently included as an example of a value-added tax that is not considered a tax upon or measured by income for purposes of Section 220.13(1)(a)1., F.S.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. An SERC has not been prepared by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

12C-1.013 Adjusted Federal Income Defined.

(1) through (4) No change.

(5)(a) An addition is required by Section 220.13(1)(a)1., F.S., to federal taxable income equal to the amount of any tax upon or measured by income, paid or accrued as a liability to any state of the United States or to the District of Columbia,

which is deductible from gross income in the computation of taxable income for the taxable year. There is no addition required for tax paid to a political subdivision of a state (for example, a city or county) or to the Commonwealth of Puerto Rico, or any territory or possession of the United States, or any foreign country.

(b) The intent of the Legislature when this provision was enacted was to prevent an erosion of the Florida tax base by the amount of the federal tax benefit obtained by paying state income taxes. Therefore, the taxpayer will only be required to add back the amount actually deducted, not an amount that could have been deducted. For example, a taxpayer pays corporate income taxes in 20 states. In computing the deduction allowable for federal purposes, the taxpayer forgets the income tax paid to Georgia. In computing the Florida corporate income tax, the taxpayer only adds back the tax deducted for the 19 states. There is no addback for the Georgia income tax that was not deducted for federal purposes, but was deductible under the Internal Revenue Code. If this error is later discovered, the Department will not require an addback of the amount of the Georgia tax.

(c) For purposes of this subsection, value added taxes, ~~such as the Michigan single business tax,~~ will not be construed to be a tax upon or measured by income.

(6) through (21) No change.

---	---

PURPOSE AND EFFECT: The purpose of these rule amendments is to allow the state of Florida to assume management of stone crab in adjacent federal waters as the Gulf of Mexico Fishery Management Council is in the process of repealing its federal Fishery Management Plan. The South Atlantic Fishery Management Council has no plan for stone crab in Atlantic federal waters. Current state regulations would be extended into federal waters.

SUMMARY: Rules 68B-13.001, F.A.C., (Applicability of rules to state and federal waters) would be a newly created section that would state that the regulations in this rule apply in all state waters, and that in the absence of any stone crab regulations in federal waters, the regulations would also apply in adjacent federal Exclusive Economic Zone (EEZ) waters. 68B-13.010 (Stone Crab Trap Limitation Program) and 68B-13.011 (Prohibitions), F.A.C., would both be amended to remove references to federal forms that will no longer be necessary.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. An SERC has not been prepared by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NOS.:	RULE TITLES:
68B-35.002	Definitions
68B-35.003	Size Limits; Prohibition of Sale; Landing in Whole Condition
68B-35.0035	Bag Limits
68B-35.004	Gear Specifications and Prohibited Gear
68B-35.005	Pompano Endorsement Regulations
68B-35.006	Closed Season

PURPOSE AND EFFECT: The purpose of these rule amendments is to extend Florida's current regulations with some changes for permit, Florida Pompano, and African pompano into federal waters, where they are currently unregulated. The rule amendments would also separate the management strategies for permit and pompano resulting in new size and bag limits for each species. The rule amendments would reduce the commercial permit fishery. In addition,

Florida would be split into two management areas for permit, with more restrictive regulations in the southern management zone, including a closed season.

SUMMARY: Rule 68B-35.002 (Definitions), F.A.C., would be amended by adding definitions for "Harvest for commercial purposes," "Person," "Recreational harvester," "Snagging" or "Snatch hooking," "Spearing," and "Special Permit Zone" (SPZ).

68B-35.003 (Size Limits; Prohibition of Sale; Landing in Whole Condition), F.A.C., would be amended to extend current size regulations for commercial harvesters of permit and Florida pompano and for recreational and commercial harvesters of African pompano into adjacent federal waters. It would also prohibit the possession of any permit or Florida pompano with a fork length greater than 20 inches on commercial vessels in all waters. The proposed final rule would establish a minimum size of 22 inches for recreationally harvested permit inside the SPZ, and a slot size of 11-22 inches for recreationally harvested permit in all waters outside the SPZ. The proposed final rule would replace the recreational slot of 11-20 inches for Florida pompano with a minimum size limit of 11 inches. Bag limit language would be moved to another section of the rule.

Rule 68B-35.0035 (Bag Limits), F.A.C., would be a new section which would include the bag limits for permit, Florida pompano, and African pompano. The proposed final rule would maintain a recreational bag limit of six Florida pompano per person for all waters. This bag limit would no longer include permit. The proposed final rule would extend the current commercial bag limit of 250 Florida pompano to federal waters. It would also establish a recreational bag limit of one permit per person, with a vessel maximum of two permit, inside the SPZ, as well as prohibit captain and crew of for-hire vessels from keeping permit. Outside the SPZ, the recreational bag limit for permit would be two per person, including one allowed over 22 inches, and a vessel limit of two permit over 22 inches. Inside the SPZ, commercial harvest of permit would be prohibited; however, an exception would exist to allow Pompano Endorsement holders fishing in the Pompano Endorsement Zone (PEZ) under the regulations of their Pompano Endorsement to harvest 100 permit as incidental bycatch where the SPZ and the PEZ overlap. Outside the SPZ, the proposed rule would prohibit all directed commercial harvest of permit in all waters, but establish an incidental bycatch allowance of 100 permit for commercial harvesters legally targeting other species with gill nets in federal waters only. The proposed final rule would also extend the two fish bag limit for African pompano for all harvesters into federal waters.

Rule 68B-35.004 (Gear Specifications and Prohibited Gear), F.A.C., would extend the current allowable recreational and commercial gears for Florida pompano into federal waters. The allowable gear for recreational permit harvest in all state

waters would continue to be hook and line only. The allowable gears for recreational permit harvesting in all federal waters would be hook and line and spearing. For the commercial incidental bycatch of permit in federal waters, the allowable gear would be gill and entangling nets. For African pompano, hook and line would continue to be the only allowable gear in state waters, but spearing would also be allowed for recreational and commercial harvest in federal waters. The pompano endorsement zone boundaries and gear language would be moved to another section of the rule.

Rule 68B-35.005 (Pompano Endorsement Regulations), F.A.C., would add Florida pompano endorsement gear language and zone boundaries to this part of the rule, clarify the language on zone boundaries and landing requirements, and rename this section of the rule. The pompano commercial bag limit language in this section would be moved into a newly created section of the rule.

Rule 68B-35.006 (Closed Season), F.A.C., would establish a closed season for permit harvest inside the SPZ during the months of May, June and July.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. An SERC has been prepared by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
