DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS
Florida Atlantic University, on behalf of its Board of Trustees, announces that Professional Services in the discipline of Architecture/Engineer, will be required for the project listed below:

Project No. BT-698

Project and Location: Located on Florida Atlantic University's Boca Raton Campus on the north side of North University Dr. just west of the FAU Stadium; the project consists of the design of a 1,000 car parking garage with expansion capabilities for an additional 1,000 cars. The ground floor shall be designed with a high enough floor to floor height so as to accommodate future retail space within the ground floor footprint of the garage.

The total construction budget is approximately \$10,500,000, and is to be designed to a LEED silver certification level. The selected firm will provide site master planning, schematic design, design development, construction documents and construction administration for the referenced project. This project will be delivered via a construction manager at risk. Blanket professional liability insurance will be required for this project in the amount of \$1,000,000 and will be provided as a part of Basic Services.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed "Florida Atlantic University Professional Qualifications Supplement" (FAUPQS Revised August 2008). Applications on any other form may not be considered.

Selection of finalists for interview will be made on the basis of professional qualifications, including experience and ability; past experience; design ability; volume of work; and distance from project.

2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit 6 bound sets of the above requested data bound in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned. The plans and specifications for the State of Florida University projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Sole Point of Contact: The FAU Professional Qualifications Supplement, the Project Fact Sheet, and the approved Facilities Program are available online at: <http://wise.fau.edu/facilities/uavp/AE-CM-advertise-home.php> or by contacting: University's Sole Point of Contact for this project, Henry Kraft, Project Manager, Bldg. 69, Room 107 on the Boca Raton campus, (561)297-2869 or ekcraft2@fau.edu. From the date of issuance of this Notice until a final selection of a consultant is made or a notice of cancellation is posted, the consultant must not make available or discuss its proposal, or any part thereof, with any member of the Selection Committee, unless permitted by the Sole Point of Contact, in writing, for purposes of clarification only, as set forth herein. Any individual associated with a consultant who contacts members of the Selection Committee, regarding any aspect of this project, whether such contact be in person, telephone, or through electronic or written correspondence, may be determined to have violated the terms and conditions of this solicitation. If that determination is made, any proposal received from such an individual OR their company may be rejected as non-responsive and not subject to evaluation. If there are any changes or additions to the Sole Point of Contact information at any time in the process, participating consultants will be notified via an addendum to the Notice.

Questions regarding the Notice and/or process should be submitted via fax or email to the Sole Point of Contact. No oral communications shall be considered as a change to the Notice. FAU may respond to questions deemed by the University to be material in nature via a written addendum to the Notice. Interpretation of the wording of this document shall be the responsibility of the FAU and that interpretation shall be final.

All postings referred to in this Notice will be posted electronically on the FAU Facilities website: <http://wise.fau.edu/facilities/uavp/AE-CM-advertise-home.php>.

At all times it shall remain the responsibility of the consultants participating in this solicitation to check the postings at: Campus Operations Building, CO #69 directory and/or the Purchasing Department, in the Administration Building. No further notice will be given.

Six (6) bound sets of the required proposal data shall be submitted to the: Office of Facilities Planning, Florida Atlantic University, 777 Glades Road, Campus Operations Building #69, Room 107, Boca Raton, Florida 33431 by 5:00 p.m. (Local Time), Wednesday, February 22, 2012. Facsimile (FAX) submittals are not acceptable and will not be considered.

From the date of issuance of this Notice until a final selection of a Construction Manager is made or a notice of cancellation is posted, the Construction Manager must not make available or discuss its proposal, or any part thereof, with any member of the Selection

Committee, unless permitted by the Sole Point of Contact, in writing, for purposes of clarification only, as set forth herein. Any individual associated with a Construction Manager who contacts members of the Selection Committee, regarding any aspect of this project, whether such contact be in person, telephone, or through electronic or written correspondence, may be determined to have violated the terms and conditions of this solicitation. If that determination is made, any proposal received from such an individual OR their company may be rejected as non-responsive and not subject to evaluation. If there are any changes or additions to the Sole Point of Contact information at any time in the process, participating Construction Manager's will be notified via an addendum to the Notice.

Questions regarding the Notice and/or process should be submitted via fax or email to the Sole Point of Contact. No oral communications shall be considered as a change to the Notice. FAU may respond to questions deemed by the University to be material in nature via a written addendum to the Notice. Interpretation of the wording of this document shall be the responsibility of FAU and that interpretation shall be final.

All postings referred to in this Notice will be posted electronically on the FAU Facilities website: <http://wise.fau.edu/facilities/uavp/AE-CM-advertise-home.php>. At all times it shall remain the responsibility of the Construction Manager participating in this solicitation to check the website for postings of addenda, short lists, and award decisions. No further notice will be given.

The Selection Committee may reject all proposals and stop the selection process at anytime. The Construction Manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Firms desiring to provide Construction Management services for the project shall submit a letter of application and a completed "Florida Atlantic University Construction Manager Qualification Supplement" (FAUCMPQS Revised January 2004). Proposals must not exceed 40 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a Construction Management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected Construction Management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of

\$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Six (6) bound sets of the required proposal data shall be submitted and addressed to the: Office of Facilities Planning, Florida Atlantic University, 777 Glades Road, Campus Operations Building #69, Room 107, Boca Raton, Florida 33431 by 5:00 p.m., February 22, 2012. NOTICE TO ALL VENDORS: All bid solicitations are subject to change. It is the responsibility of the vendor to verify with the Department of Management Services, Vendor Bid System website for any future addendums, questions, revisions, etc., prior to the bid opening. Failure to do so will be the sole responsibility of the vendor. Addenda will be posted only on the Vendor Bid System website. Addenda will not be sent

directly to plan holders, except in limited circumstances and at the discretion of the Department. When the Department determines that circumstances warrant sending addenda directly to plan holders, a notice will be posted on the website notifying vendors that addenda have been sent. Addenda must be acknowledged and included in each vendor's bid package. Failure to include acknowledged addenda in the bid package is grounds for disqualification of the vendor's bid.

MINORITY BUSINESS REQUIREMENT: The Department of Environmental Protection supports diversity in its Procurement Program and requests that all sub-contracting opportunities afforded by this bid embrace diversity enthusiastically. The award of sub-contracts should reflect the full diversity of the citizens of the State of Florida. The Department will be glad to furnish a list of Minority Owned Firms that could be offered sub-contracting opportunities.

FDEP PREQUALIFICATION: When the total Bid including Alternates exceeds \$200,000, each Bidder whose field is governed by Chapter 399, 455, 489 or 633 Florida Statutes, for licensure or certification, must submit the following prequalification data of their eligibility to submit bids 240 hours (10 days) PRIOR TO the Bid Opening date, unless the Bidder has been previously qualified by the Department of Environmental Protection for the current biennium (July 1- June 30) of odd numbered years in accordance with subsection 60D-5.004(2), F.A.C., as evidenced by a letter from DEP to the Bidder, which letter shall be presented to DEP upon request. If the Department requires clarification or additional information, Bidder shall submit such information by 120 hours (5 days) prior to Bid Opening. Material submitted after those deadlines shall disqualify the Bidder.

ADA REQUIREMENTS: Any person with a qualified disability shall not be denied equal access and effective communication regarding any bid/proposal documents or the attendance at any related meeting or bid/proposal opening. If accommodations are needed because of disability, please contact: Michael Renard, Bureau of Design and Construction, (850)488-5372 at least five (5) workdays prior to openings. DEPARTMENT OF COMMUNITY AFFAIRS

DEO Final Order No.: DEO-11-0040

DEPARTMENT OF ECONOMIC OPPORTUNITY

In Re: CITY OF KEY COLONY BEACH LAND

DEVELOPMENT REGULATIONS

ADOPTED BY ORDINANCE NO. 424-2011

FINAL ORDER

The Department of Economic Opportunity (the
 "Department") hereby issues its Final Order, pursuant to
 Section 380.05(6), Florida Statutes, and Section 380.0552(9),
 Florida Statutes (2010), approving a land development
 regulation adopted by a local government within the Florida
 Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of
 critical state concern, and the City of Key Colony Beach
 ("City") is a local government within the Florida Keys
 Area.
2. On November 28, 2011, the Department received for
 review City of Key Colony Beach Ordinance No.
 424-2011 ("Ord. 424-2011") that was adopted by the City
 of Key Colony Beach Board of City Commissioners on
 November 22, 2011. The purpose of Ord. 424-2011 is to
 repeal existing Land Development Regulations Article
 VIII, Floodplain Management and establish new Land
 Development Regulations, Flood Plain Management;
 including a Habitat Conservation Plan and Endangered
 Species Assessment to guide future development in
 coordination with the U.S. Fish and Wildlife Service when
 development is proposed within habitat identified within
 Species Focus Area Maps and by real estate property
 numbers. Once a determination within the Species Focus
 Area Maps is made, the Floodplain Administrator will
 apply coordination techniques identified by the U.S. Fish
 and Wildlife Services.
3. Ord. 424-2011 is consistent with the City's 2010
 Comprehensive Plan and furthers Objective 1.2 Natural
 Resources of the Future Land Use Element.
