

passing scores, however, the firearms instructor who supervised the shoots was not fully CJSTC certified at the time of the shoots. This request covered the requalifications of these 9 officers for the 2008 and 2010 requalification deadlines. The CJSTC published notice of this Petition in the Florida Administrative Weekly Vol. 36, No. 49, December 10, 2010.

On December 16, 2010, at a publicly noticed business agenda meeting held via teleconference, the Commission found that the Petitioner's situation is unique. The Petitioner demonstrated that the strict application of the Commission's rules in this case would violate the principles of fairness resulting in the need to for the Petitioner to requalify 9 officers who would be separated automatically by the CJSTC from 2008 to the time the officers requalified yet again, even though the officers had completed the requirements of the rule by shooting the correct course of fire and achieving a passing score both in 2008 and 2010. This separation of otherwise fully qualified officers would be mandated by the rule simply because the instructor supervising the shoots was not fully CJSTC certified at the time of the shoots. The Commission found that the purposes of the underlying statute, to ensure that officers are properly trained, will be met by granting this waiver request. The Commission granted the Petitioner a permanent waiver of the rule for the 9 officers for the 2008 and 2010 firearms requalification reporting cycles.

A copy of the Order may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32327, or by telephoning (850)410-7676.

WATER MANAGEMENT DISTRICTS

NOTICE IS HEREBY GIVEN that on December 13, 2010, the Suwannee River Water Management District has issued an order.

This Order (10-0014) grants variance under Section 120.542, F.S., to Arthur Lee Hane, 15659 N. W. 49th Lane, Cheifland, Florida 32626, for the rebuilt of a home destroyed by fire in the same footprint as previous home, located in Township 12 South, Range 13 East, Section 32, Levy County, for Arthur Hane District Floodway Project (ERP10-0218). The petition for variance was received by SRWMD on October 21, 2010. Notice of receipt of petition requesting variance was published in F.A.W., Vol. 36, No. 44, November 5, 2010. No public comment has been received. This Order provides a variance from SRWMD criteria for subsection 40B-4.3030(9), F.A.C., as to the zero rise certification requirement and paragraph 40B-4.3030(12)(b), F.A.C., as to the 75-foot setback requirements. SRWMD granted the petition because the petitioner has demonstrated that the purpose of the statute underlying the rule will be met and that a substantial hardship would be created if the petitioners were required to comply with this rule.

A copy of the Order may be obtained by contacting: Robin Lamm, Business Resource Specialist, Suwannee River Water Management District, 9225 CR 49, Live Oak, FL 32060, (386)362-1001 or 1(800)226-1066 in Florida only.
