

The Declaratory Statement concludes that the subject property is subject to the Boiler Code because it is located on the hospital campus, and serves the hospital. The definitions of “public assembly locations” and “other locations open to the general public,” make clear that areas surrounding the hospital where the public is allowed or invited to gather are included.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Lesley Mendelson, Assistant General Counsel, 200 East Gaines Street, Tallahassee, Florida 32399-0340, phone (850)413-3604, or (850)413-4238; fax number (850)922-1235 or (850)488-0697 (please advise if you would like it mailed or faxed to you and please include your phone number on your request in case any question arises), or by e-mailing your request to Lesley.Mendelson@myfloridacfo.com.

NOTICE IS HEREBY GIVEN THAT the Department of Financial Services, Division of State Fire Marshal has received the petition for declaratory statement from Tim Ippolito, on February 28, 2011, Case No.: 115451-11-FM. The petition seeks the agency’s opinion as to the applicability of section 14.15, paragraphs 14.15.1 and 14.15.2 of the State of Florida specific Uniform Fire Code (NFPA 1) to an existing one and two family dwelling, as it applies to the petitioner.

Argument: Section 633.025(9), F.S., prohibits a jurisdiction from enforcing the Life Safety Code to newly constructed one and two family dwellings, but there is no mention of enforcing the Uniform Fire Code on existing one and two family dwellings. Petitioner also understands that a fire safety inspector cannot inspect the inside of a one or two family dwelling unless they are invited to do so or if the inspection meets one of the ten exceptions of Section 933.18, F.S., which for this specific request would not. The address of the subject property is 4 Apple Hill Hollow, Casselberry, FL 32707.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Lesley Mendelson, Assistant General Counsel, 200 East Gaines Street, Tallahassee, Florida 32399-0340, phone (850)413-3604, or (850)413-4238; fax number (850)922-1235 or (850)488-0697 (please advise if you would like it mailed or faxed to you and please include your phone number on your request in case any question arises), or by e-mailing your request to Lesley.Mendelson@myfloridacfo.com.

AmeriCorps State programs engage AmeriCorps members in direct service and capacity-building activities to address unmet community needs. Local programs design service activities for a team of members who have each committed to one year of service. AmeriCorps programs support local community efforts by addressing education, environmental, homeland security, public safety or other human needs. Sample activities include tutoring and mentoring youth, assisting crime victims, building homes, and restoring parks. AmeriCorps members also mobilize community volunteers and strengthen the capacity of the organizations where they serve.

Volunteer Florida, The Governor's Commission on Volunteerism and Community Service was established in 1994 by the Florida Legislature to administer grants under the National and Community Service Trust Act of 1993. The Commission grants funds to Florida AmeriCorps and National Service programs; encourages volunteerism for everyone from youths to seniors to people with disabilities; promotes volunteerism in emergency management and preparedness; and helps to strengthen and expand Volunteer Centers in Florida.

AmeriCorps is a program funded by the U.S. Congress under the Catalog of Federal Domestic Assistance number 94.006. The national public/private partnership supporting AmeriCorps is the Corporation for National and Community Service (CNCS). For more information about the CNCS and national AmeriCorps programs, visit www.americorps.org.
