3. The Office has to enter an order for a Notice of Intent to grant or deny payment 6 months after the date of receipt of the first claim against the bond.
4. The first proper claim against the Bond was on December 22, 2010.

**CONCLUSIONS OF LAW**

5. Section 559.546(2), Florida Statutes, provides in relevant part:
  - (2) The liability of the surety under any bond issued pursuant to the requirements of this part shall not exceed in the aggregate the amount of the bond, regardless of the number or amount of any claims filed or which might be asserted against the surety on such bond. If multiple claims are filed against the surety on any such bond in excess of the amount of the bond, the surety may pay the full amount of the bond to the office and shall not be further liable under the bond. The office shall hold such funds for distribution to claimants and administratively determine and pay to each claimant the pro rata share of each valid claim made against the funds within 6 months after the date of the filing of the first claim against the surety.

  - (2)(a) In the event that the surety has received claims within a six (6) month period, whether or not reduced to judgment, which exceed the amount due by the surety on the bond, the surety may pay the amount due on the bond to the Office of Financial Regulation and shall not be further liable on the bond. At the time payment is made by the surety to the Office of Financial Regulation, the surety shall provide the Office of Financial Regulation with copies of all claims made on the bond. Only valid claims made against the bond within six (6) months after the date of receipt of the first claim against the bond shall be paid.
