DEPARTMENT OF COMMUNITY AFFAIRS

DEO Final Order No.: DEO-11-0019

DEPARTMENT OF ECONOMIC OPPORTUNITY

In re: MONROE COUNTY LAND

DEVELOPMENT REGULATIONS

ADOPTED BY MONROE COUNTY

ORDINANCE NO. 011-2011

FINAL ORDER

The Department of Economic Opportunity (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Florida Statutes, and § 380.0552(9), Florida Statutes (2010), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Monroe County is a local government within the Florida Keys Area.
2. On September 19, 2011, the Department received for review Monroe County Ordinance No. 011-2011 ("Ord. 011-2011"), adopted by Monroe County on August 17, 2011.
3. The purpose of Ord. 011-2011 is to amend Monroe County Code Section 102-20(I), Planning Commission, Meetings, Hearings and Procedure to modify the requirement of bi-monthly Planning Commission regular meetings and to modify the types of applications that may be heard at a Special Meeting.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. § 380.05(6), Florida Statutes, and § 380.0552(9), Florida Statutes (2010).

5. Monroe County is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Florida Statutes (2010) and Rule 28-29.002 (superseding Chapter 27F-8), Florida Administrative Code.
6. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Florida Statutes (2010). The regulations adopted by Ord. 011-2011 are land development regulations.
7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in § 380.0552(7), Florida Statutes. See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff'd*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
8. Ord. 011-2011 is consistent with and furthers the following Principles:
 - (a) To strengthen a local government's capabilities for managing land use and development so that the local government is able to achieve these objectives without continuing the area of critical state concern designation.
 - (b) To protect shoreline and marine resources, including mangroves, coral reef formations, seagrass beds, wetlands, fish and wildlife and their habitat.
 - (c) To protect upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and their habitat.
 - (e) To limit the adverse impacts of development on the quality of water throughout the Florida Keys.
 - (f) To enhance natural scenic resources, promoting the aesthetic benefits of the natural environment, and ensuring that development is compatible with the unique historic character of the Florida Keys.
 - (j) To ensure the improvement of nearshore water quality by requiring the construction and operation of wastewater management facilities that meet the requirements of Section 381.0065(4)(l) and 403.086(10), Florida Statutes, as applicable, and by directing growth to areas served by central wastewater treatment facilities through permit allocation systems.
 - (n) To protect the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.
